**Factors That Contribute to Successful Schools: A Caribbean Perspective** Eulalie Daley Semper, 2014-10-17 This book explores various factors that contribute to successful schools in the Caribbean Based on my own personal and professional experience I define successful schools as those schools where high quality teaching takes place in a supportive environment In these schools spiritual leaders seek to work with educational stakeholders to develop and facilitate a culture of excellence Therefore I have decided to examine teacher development community involvement spiritual leadership servant leadership and an established culture of success as additional factors that can contribute to successful schools in the Antiguan context However this study can yield valuable information that can be used to assess educational practices within different types of schools regionally and globally since one of its main aims is to explore stakeholders perceptions on the contributing factors to schools academic success In this book educational practitioners policy makers and institutional leaders will find principles of success that will affect principal leadership classroom learning and student achievement *Handbook of Research on Schools, Schooling and Human Development* Judith L.

Meece, Jacquelynne S. Eccles, 2010-06-10 Children spend more time in school than in any social institution outside the home And schools probably exert more influence on children s development and life chances than any environment beyond the home and neighbourhood The purpose of this book is to document some important ways schools influence children s development and to describe various models and methods for studying schooling effects Key features include Comprehensive Coverage this is the first book to provide a comprehensive review of what is known about schools as a context for human development Topical coverage ranges from theoretical foundations to investigative methodologies and from classroom level influences such as teacher student relations to broader influences such as school organization and educational policies Cross Disciplinary this volume brings together the divergent perspectives methods and findings of scholars from a variety of disciplines among them educational psychology developmental psychology school psychology social psychology psychiatry sociology and educational policy Chapter Structure to ensure continuity chapter authors describe 1 how schooling influences are conceptualized 2 identify their theoretical and methodological approaches 3 discuss the strengths and weaknesses of existing research and 4 highlight implications for future research practice and policy Methodologies chapters included in the text feature various methodologies including longitudinal studies hierarchical linear models experimental and quasi experimental designs and mixed methods Resources in Education , 2000-10 **My City Links: June 2024 Issue** My

City Links, 2024-06-10 June 4 2024 brought about what can safely be described as a tectonic shift of sorts in Odisha politics Naveen Patnaik who governed the state as Chief Minister since 2000 saw his party the Biju Janata Dal lose its grip on power

after 24 long years His legacy however is set to endure much like that of his father the late Biju Patnaik Our Cover Story tries to summarize the phenomenon that is Naveen Babu as he is fondly addressed by many Music is the universal language of mankind famous American poet Henry Wadsworth Longfellow wrote way back in 1835 This holds true even today decades of evolution and experimentation notwithstanding June 21 will be observed as World Music Day In City Lights we bring you a special feature on the music of Odisha tracing its journey over the last few decades and how it is changing thanks to the transformative effect of technology as well as social media With the summer sun blazing down it is extremely important to take steps to keep your skin safe From cleansers to moisturizers there are solutions galore these days but it is a good idea to figure out what works best for you Head to the City Fashion section to find out more With climate change and environmental sustainability becoming the buzzword there is a need to take a closer look at some concerns which generally tend to go unnoticed Among these are diapers and sanitary pads they take several years to decompose once they end up in landfills Encouraging the use of eco friendly material may be a way out to deal with this challenge Read all about it in City Green While on the subject of a greener tomorrow we also look at how cycling promotes the well being not just of an individual but also the planet as a whole City Health brings you some interesting insights on this The CBSE Class 10 and 12 results were announced recently In Campus Buzz we catch up with some of the toppers from the twin cities of Bhubaneswar and Cuttack they share their secret recipe for success *Education and Learning* Jane Mellanby, Katy Theobald, 2014-03-31 Education and Learning offers an accessible introduction to the most recent evidence based research into teaching learning and our education system Presents a wide range references for both seminal and contemporary research into learning and teaching Examines the evidence around topical issues such as the impact of Academies and Free Schools on student attainment and the strong international performance of other countries Looks at evidence based differences in the attainment of students from different socioeconomic and ethnic backgrounds and explores the strong international performance of Finnish and East Asian students Provides accessible explanations of key studies that are supplemented with real life case examples

**Improving Teaching, Learning, Equity, and Success in Gateway Courses** Andrew K. Koch, 2018-01-24 Gateway courses college credit bearing and or developmental education courses that enroll large numbers of students and have high rates of Ds Fs withdrawals and incompletes are a ubiquitous part of the undergraduate experience in the United States As long as there have been U S colleges and universities there have been entry courses that pose difficulties for students courses that have served more as weeding out rather than gearing up experiences for undergraduates This volume makes the case that the weed out dynamic is no longer acceptable if it ever was Contemporary postsecondary education is characterized by vastly expanded access for historically underserved populations of students and this new level of access is coupled with increased scrutiny of retention and graduation outcomes Chapters in this volume define and explore issues in gateway courses and provide various examples of how to improve teaching learning and outcomes in these foundational
