Timothy Keller, Kathy Keller, 2015-09-29 Timothy and Kathy Keller

will show you a portrait of marriage as it s meant to be according to the Bible by first throwing out most of what we ve been taught about love Modern culture would have you believe that everyone has a soul mate that romance is the most important part of a successful marriage that marriage does not mean til death do us part but merely for as long as my needs are being met and that when serious differences arise divorce is the best solution But all of these modern day assumptions miss what marriage is really about In this six session video based Bible study DVD digital video sold separately Timothy Keller along with Kathy his wife of forty years draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man The result is a vision for marriage that is refreshingly frank and unsentimental yet hopeful and beautiful This study is for anyone from singles to couples considering marriage to those who have been married for any length of time Sessions include Service Marriage Isn t about You Covenant Created to Make Promises Roles Loving through Mutual Submission Singleness Strengthening the Spiritual Family Sex The

about the time of the first Handbook In the late 1930s Willard Waller noted Fifty years or more ago about 1890 most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it Everything that concerned the life of men and women and their children was shrouded from the light Today much of that has been changed Gone is the concealment of the way in which life begins gone the irrational sanctity of the home The aura of sentiment which once protected the family from discussion clings to it no more We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting We are engaged in the process of reconstructing our family institutions through criticism and discussion 1938 pp 3 4 God's Plan for Marriage and Family ,2002 **A Study Guide for Chitra Banerjee Divakaruni's "Sister of My Heart"** Gale, Cengage Learning,2016-07-12 A Study Guide for Chitra Banerjee Divakaruni's Sister of My Heart excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs **Study Guide to Accompany Lloyd Saxton's The Individual, Marriage, and the Family** M.
