Study Of Old Testament Theology

Bryan C. Babcock, James Spencer

Study Of Old Testament Theology:

Old Testament Theology John Goldingay, 2009-10-26 In this third volume of his critically acclaimed Old Testament Theology John Goldingay explores the Old Testament vision of Israel's life before God. The first volume focused on the story of God's dealings with Israel or Israel's gospel. The second volume investigated the beliefs of Israel or Israel's faith. Now the spotlight falls on the Old Testament's perspective on the life that Israel should live in its present and future, including its worship, prayer, and spirituality, as well as its practices, attitudes, and ethics before God. Goldingay sees three spheres of life giving order to Israel's vision: its life in relation to God, its life in community, and the life of the individual as a self. Within these frameworks, he unfurls a tapestry that is as broad and colorful as all of life and yet detailed in its intricate attention to the text. With this final volume, John Goldingay has given us the third pillar of an Old Testament theology that is monumental in scope and yet invites us to enter through multiple doors to explore its riches. Students will profit from a semester in its courts, and ministers of the Word will find their preaching and teaching deeply enriched by wandering its halls and meditating in its chambers.

Understanding Old Testament Theology Brittany Kim, Charlie Trimm, 2020-12-22 The discipline of Old Testament theology seeks to provide us with a picture of YHWH and his relationship to the world as described in the Old Testament. But within this discipline, there are many disagreements about the key issues and methodologies. Is the Old Testament unified in some way? Should the context of the theologian play a role in interpretation? Should Old Testament theology merely describe what ancient Israel believed, or should it offer guidance for the church today? What is the relationship between history and theology? All these considerations and more result in so many different kinds of Old Testament theologies and so many publications that it's difficult for students, pastors, and laity to productively study this already complex field. In *Understanding Old Testament Theology*, professors Brittany Kim and Charlie Trimm provide an overview of the contemporary approaches to Old Testament theology. In three main sections, they explore various approaches. Part I examines approaches that ground Old Testament theology in history. Part II surveys approaches that foreground Old Testament themes. Part III considers approaches that highlight different contexts for doing Old Testament theology. Each main chapter describes both common features of the approach and points of tension and then offers a test case illuminating how it has been applied to the book of Exodus. Through reading this book, you'll hopefully come to see the Old Testament in a fresh light as something that's alive and active, continually drawing us into deeper encounters with the living God.

An Old Testament Theology Bruce K. Waltke, 2007 An Old Testament theology by a leading Old Testament scholar who combines a technical with a spiritual understanding of the Old Testament.

The Heartbeat of Old Testament Theology (Acadia Studies in Bible and Theology) Mark J. Boda, 2017-04-18 This volume explores the theological heartbeat of the Old Testament by examining three big ideas that communicate the Old Testament's redemptive theology. Highly respected scholar Mark Boda shows how three creedal expressions—the narrative character and relational creeds—recur throughout the

Old Testament and express its core redemptive theology in turn revealing how the redemptive pulse of God expands to all of creation He also traces these redemptive and creational pulses into the New Testament and shows their relevance for today's Christian community

Old Testament Theology Ben C. Ollenburger, 2004 In this extensively revised and updated edition of *The Flowering of Old Testament Theology* Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title *Old Testament Theology Flowering and Future* Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodorus C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler's 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume Publisher

The Task of Old Testament Theology Rolf P. Knierim, 1995 This prodigious work offers a broad selection of essays that present Knierim's distinct method for the discipline of Old Testament studies One subject deals with the implications of his method for New Testament studies

The Study of Old Testament Theology Today Edward J. Young, 2004 Four lectures exploring the history nature content and influence of Old Testament theology

Beginning Old Testament Study John William Rogerson, 1982

The Role of Old Testament Theology in Old Testament Interpretation Walter Brueggemann, 2015-05-14 This collection of essays is drawn from a series of previous collections to which the author has contributed that were designed to honor senior scholars in the discipline of Old Testament study Each of these essays reflects a distinct intention depending on the nature of the original collection in which they appeared and the scholar who was being honored Taken together however this collection amounts to an articulation of Brueggemann's distinctive approach to theological interpretation of the Old Testament Already in his major volume on Old Testament theology Brueggemann proposed a dynamism of tension dispute and contradiction as the text of ancient Israel sought to give voice to the mystery of God as a sustaining and disruptive agent in the life of the world Over a long period of time this collection reflects the author's growing clarity about the task of Old Testament theology It further reflects on the nature of the biblical text and the way in which the God who inhabits the text runs beyond all of our attempts to define and explain These essays reflect not so much on methodological issues but take up the substantive questions that regularly occupied these ancient text makers

Theology of the Old Testament Walther Eichrodt, 1967-01-01 This book the second of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

Old Testament

Theology John Goldingay, 2015-04-02 In the first volume of his three volume Old Testament theology John Goldingay is closely attentive to the First Testament's narrative plot motifs tensions and subtleties Telling the story of Israel's gospel as a series of divine acts he gives readers fresh and challenging perspectives on God and God's ways with Israel and the world

Trajectories Bryan C. Babcock, James Spencer, 2018-03-02 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of Trajectories provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in Trajectories are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection *The Face of*

Old Testament Studies David W. Baker, Bill T. Arnold, 2004-10 Leading scholars provide an overview of current issues in Old Testament studies **Old Testament Theology** Frederick C. Prussner, 1985-01-01 Looks at theological writings from the

Reformation to the present offers profiles of important scholars and discusses neo orthodoxy the impact of archaeology and the church *A Philosophical Theology of the Old Testament* Jaco Gericke, 2020-01-08 Are we able to identify and compare the philosophical perspectives and questions that must be postulated as having been somehow present in the language ideas and worldviews of the Biblical authors This book sets out an approach to something that has been generally considered impossible a philosophical theology of the Old Testament It demonstrates and addresses the neglect of a descriptive and comparative philosophical clarification of concepts in Old Testament theology and in so doing treads new ground in Biblical studies and philosophical theology Recognizing the obvious problems with and objections to any form of interdisciplinary research combining philosophical and Biblical theology this study presents itself as introductory and experimental in nature The methodology opted for is limited to a philosophical clarification of concepts already found in Old Testament theology while the findings are presented via the popular thematic approach found in analytic philosophical theologies with no attempted justification or critique of the textual contents under investigation These approaches are combined by primarily looking at the nature of Yahweh in the Old Testament This book offers a new vision of Biblical and philosophical theology that brings them closer together in order that we might understand both more broadly and deeply As such it will be vital reading for scholars of Theology Biblical Studies and Philosophy Old Testament Theology Ronald Ernest Clements, 2012-09-01

What is Old Testament Theology For the past two hundred years Old Testament scholars have developed a distinctive

presentation of the theological significance of this literature on the basis of a penetrating historical criticism Increasingly however the form and structure of this discipline have moved away from other areas of theological investigation The result is that today Old Testament theology bears little relationship to the historic ways in which Christians and Jews have actually found theological meaning in the Bible

Old Testament Theology R. W. L. Moberly, 2013-11-19 A top Old Testament theologian known for his accessible and provocative writing probes what is necessary to understand and appropriate the Hebrew Bible as a fundamental resource for Christian theology and life today This volume offers a creative example of theological interpretation modeling a way of doing Old Testament theology that takes seriously both the nature of the biblical text as ancient text and also the questions and difficulties that arise as believers read this text in a contemporary context Walter Moberly offers an in depth study of key Old Testament passages highlighting enduring existential issues in the Hebrew Bible and discussing Jewish readings alongside Christian readings The volume is representative of the content of Israel s Scripture rather than comprehensive yet it discusses most of the major topics of Old Testament theology Moberly demonstrates a Christian approach to reading and appropriating the Old Testament that holds together the priorities of both scholarship and faith

Studies in Old Testament Theology ,1992 **Old Testament Theology: The theology of Israel's historical traditions** Gerhard von Rad, 2001-01-01 This republication of a classic work contains a new introduction by Walter Brueggemann that places Gerhard von Rad s work within the context of German theology Old Testament theology and the history of interpretation of the Old Testament In Old Testament Theology von Rad applies the most advanced results of form criticism to develop a new understanding of the Bible His original approach is now available once again in English The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

A Theology of the Old Testament John L. McKenzie, 2009-03-01 By thoroughly investigating every aspect of theology to be found in the Old Testament Father McKenzie offers a total theological statement of this timeless record The theology of the Old Testament he writes has to be the study of the reality of Yahweh The Old Testament is the sole literary witness to that reality as the record of the experience of Israel Seven categories outline the book cult revelation history nature wisdom political and social institutions and the future of Israel Together these categories provide a pathway to God that is far more complete than that which can be experienced by any individual For McKenzie the Hebrew scriptures are to be understood as the independent record of the early Israelite community s experience with God rather than as a prelude to or forecast of the New Testament

Whispering the Strategies of Language: An Mental Quest through **Study Of Old Testament Theology**

In a digitally-driven world wherever monitors reign great and instant communication drowns out the subtleties of language, the profound strategies and emotional nuances hidden within phrases frequently go unheard. Yet, situated within the pages of **Study Of Old Testament Theology** a fascinating fictional prize pulsing with natural feelings, lies an extraordinary journey waiting to be undertaken. Composed by a talented wordsmith, this charming opus attracts readers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the cloth of every word. Within the emotional depths of this poignant review, we can embark upon a genuine exploration of the book is key subjects, dissect its interesting writing type, and yield to the strong resonance it evokes serious within the recesses of readers hearts.
