Studying The Gospels:

Studying the Gospels Gideon Goosen, Margaret Tomlinson, 1994 *The Four Gospels* Catherine Upchurch, Ronald D. Witherup, Little Rock Scripture Study, Mary Elsbernd, 2009 Indispensable for all who long to know Jesus better The Four Gospels provides a complete reference to the gospels features an engaging layout providing information where you need it includes charts maps and photographs is a source for personal meditation is great for group Bible study too is solidly Catholic in approach comes from the producers of the long standing Little Rock Scripture Study program *Documents for the Study of the Gospels* David R. Cartlidge, David L. Dungan, 1989 This collection of freshly translated texts leads to a new appreciation of the richness and variety of the religious world within which Christianity emerged as a powerful new force Bringing together for the first time under a single cover documents from Jewish Greek Roman Egyptian Syrian and little known early Christian sources the material is arranged to bring out as clearly as possible the ways in which early Christian worship of Jesus Christ as Savior and God both echoed contemporary worship of other savior gods and at the same time stood in sharp contrast to such worship This revised and enlarged edition contains a new introduction on texts and traditions in late antiquity a reworked translation of The Gospel of Peter selections from Ovid's Metamorphoses plus such documents as Papyrus Egerton 2 Oxyrhynchus Papyrus 840 and The Apocryphon of James In addition the table of contents has been expanded to allow easier access to the documents contained herein **Studying the Gospels** Gideon C. Goosen, Margaret Tomlinson, 1999 The latest scholarship particularly of contemporary women exegetes enhances this easy to use guide to Gospel studies Written with sensitivity to gender issues in scholarship and language this revised and expanded edition of the popular Jesus Mystery and Surprise is enriched with new photographs of biblical sites and artefacts *The Four Gospels* Burnett Hillman Streeter, 1925 Studying the Historical Jesus Darrell L. Bock, 2002-07 An informed scholarly approach to the study of the historical Jesus that takes the Gospels seriously as a source of historical information Studies in the Gospels James DeWolf Perry, 1925 HCSB Harmony of the Gospels Kendell H. Easley, Steven L. Cox, 2006-10 Gospel harmonies were inevitable One of the first impulses of someone studying a teaching or an event in Jesus life is to seek as many perspectives on that event as possible Around AD 160 Tatian compiled a single narrative of the four Gospels reducing the number of verses from 3 780 four separate Gospels to 2 769 verses without excluding any event or teaching from the life of Jesus This Holman Christian Standard Harmony of the Gospels builds on a tradition of harmonization begun in the 19TH century by John A Broadus and continued by his protege A T Robertson The HCSB Harmony contains the full text of the each of the four Gospels in the Holman Christian Standard Bible The Harmony contains interpretive and clarifying notes by a number of scholars some with differing views on the relationship between various Gospel accounts Beyond the Harmony this volume includes articles designed to address issues that arise when one compares the four Gospels and seeks to give an integrated account of the life and teachings of Jesus The HCSB Harmony is unique in that it contains eight four color maps

that illuminate the life and ministry of Jesus This resource will be valuable to pastors lay Bible teachers and will serve well as a primary textbook in college and seminary courses on the Gospels and on the Life and Teachings of Jesus Book jacket

Jesus in the Gospels: Study Manual Leander E. Keck, Nellie M. Moser, 2010-09-01 Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus call to discipleship The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism our Old Testament The Study Manual guides daily study and preparation for the weekly group meeting The main elements in the format are designated by scriptural phrases They have no wine John 2 3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on Beginning with Moses and all the prophets Luke 24 27 is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better Do you want to become his disciples too John 9 27 New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for Accompanying each day s Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture As readers become aware of detail in Scripture they might ask themselves repeatedly What am I to make of this The study manual provides space for writing notes on insights observations and questions related to the Scripture and for putting into words personal perceptions of Jesus from the week s Scripture

Comparing the Gospels David G. Muller, Jr., 2016-10-25 Studying the Gospels from a New Perspective Readers of the Bible have always known that the Gospels tell many of the same stories usually with differences in detail but sometimes with significant variations Comparing the Gospels identifies these parallel passages and lays them side by side so you can compare them more easily Relieved of the burden of flipping Bible pages back and forth among two three or all four of the Gospels you can focus on what each witness has to report As a rule you will end up with a more complete picture of each episode as details from each can often be combined But you will also find some sources of perplexity where two or more of the Gospel witnesses tell inconsistent stories Sometimes it even seems not all the accounts of a particular episode can possibly be true Bible students using this book will find it necessary to decide what to make of these conflicting pieces of evidence Bible study leaders and students will find this approach intellectually challenging and a welcome change from

classic book of the Bible studies Pastors developing a sermon on a particular theme will also find it useful to have at their fingertips all the Gospel passages that report on an episode in Christ's ministry **Short studies: the Gospels** John Smith, 1901 *Introduction to the Study of the Gospels* Brooke Foss Westcott, 1896 **Introduction to the Study of the Gospels** Brooke Foss Westcott, 1887 *Studying the Gospels: An Introduction (Goosen and Tomlinson).* , *Devotional Commentary on the Gospel Narrative: Thoughts on the study of the holy Gospels* Isaac Williams, 1876
