the always speaking voice of God's Spirit assuring us of God's power, faithfulness and redemptive presence and calling us toward loving just and restorative action in our world today. Humans possess the capacity to imagine and live toward a qualitatively better state of existence for all creation but overwhelmed by the despairing realities of life we often feel despondent and drained of imaginative potential. Preaching amplifies the voice of Hope bearing witness and inviting us to imagine the possibility and efficacy of a new reality grounded in Jesus's gospel proclamation. Embodied Hope invites us to stand at the intersection of Hope and despair as we explore the contours and possibilities of living with Hope in times such as the present.

Born amid the warm waters of the Pacific Ocean and raised in Honolulu Douglas MacArthur Kimuri emerges as the agent of innovation that reshapes this revered Army into changes long overdue. And like the storms of nature that appear to wreak destruction on long standing structures while making possible new life and growth he brings a fresh breeze of dramatic change and hope for new life.
