## **Studying The Writings Of Shoghi Effendi:**

*Studying the Writings of Shoghi Effendi* Morten Bergsmo, 1991      The World of the Bahá'í Faith Robert H. Stockman, 2021-12-30 The World of the Bah Faith is an outstanding guide to the Bah Faith and its culture in all its geographical and historical diversity Written by a distinguished team of international contributors this volume explores the origin of this religion and contains substantial thematic articles on the living experience of the global Bah community The volume is organised into six distinct sections Leadership and Authoritative Texts Theology Humanity Society The Contemporary Bah Community History and Spread of the Bah Community These sections cover such themes as the afterlife artistic expression Bah institutions devotional life diversity economics education the environment and sustainability family life gender human nature interfaith relations international governance law marriage peace persecution philosophy race science and religion scripture spirituality and work The development of the Bah Faith is outlined in ten regional articles This volume provides an authoritative and accessible source of information on all topics important to the Bah Faith The World of the Bah Faith will be essential reading to students and scholars studying world religions and comparative religion It will also be of interest to those in related fields such as sociology political science anthropology and ethics      *Baha'i and Globalisation* Annika Hvithamar, Margit Warburg, Morten Warmind, 2005-12-01 Globalisation has become a buzzword that typically refers to the intensifying integration of the world economy especially as midwifed by technological advances It also implies a growing political and cultural sense that all humanity is globally interdependent There have always been individuals of course who have advocated such awareness one of them being the founder of the Baha i faith who formulated a spiritual equivalent as the religion s central doctrine in the late 19th century Ye are the fruits of one tree and the leaves of one branch Its emphasis on global unification made Baha i an obvious candidate for a case study on new religions and globalisation The chapters in this volume fall into two sections diachronic and synchronic The first part is organised chronologically beginning with the emergence of the globalist tendency in the messianic vision of Babism the precursor to Baha i and concluding with an analytic history of its leaders changing attitudes to international politics The second part considers a variety of global themes in contemporary Baha i practice including global thought in Baha i writings the impact of the internet and the triumphalist and secular strains in Baha i identity Though five million members make it one of the world s most successful new religions Baha i has attracted little scholarly attention Most of the academics concentrating on Baha i have contributed to this volume which will appeal not only to students of modern religious movements but to anyone interested in the ways religions can adapt to and embrace the modern world      A Concise Encyclopedia of the Baha'i Faith Peter Smith, 2013-10-01 Written by a well known author in the field of Baha i studies this is a comprehensive and accessible encyclopedia to the youngest of the world religions Regarded as the second most widespread faith after Christianity with adherents in almost every country around the globe the Baha i faith is nevertheless unfamiliar to many here Dr Smith traces the origins and

development of the religion from 19th century Iran to the modern day introducing its central figures and major historical events combining breadth with a readable yet concise style he provides a balanced overview of Baha i scriptures doctrines and practices social teachings and organization This reference work presents a clear and knowledgeable view of a fascinating new religion      *Beyond Religion and the Secular* Wayne Hudson,2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bah s a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter day Saints Most of these movements have counterintuitive features that have led Western scholars making Enlightenment assumptions to dismiss them as irrational and or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal      *Exploring the Kitáb-i-Aqdas* Omid Ghaemmaghami,Shahin Vafai,2025-01-23 The Kit b i Aqdas is considered the most important and sacred text of the Bah Faith a religion with some eight million adherents found in nearly every country of the world It sets out the laws teachings and institutions that shape and influence individual and collective life for members of the Bah community Despite the Kit b i Aqdas s significance it has not been extensively researched Exploring the Kit b i Aqdas The Laws and Teachings of the Bah Faith now offers a comprehensive academic study of the text This important new publication explores and analyzes the significance and history of the Kit b i Aqdas its language style and translation and its theological and spiritual foundations including its conceptions of God religion and human beings The book moreover examines the Kit b i Aqdas s provisions for succession interpretation and administration within the Bah religion its devotional and other personal laws its ordinances for promoting unity its perspectives on justice and law and its addresses to the world s political and religious leaders Academically rigorous yet eminently clear and accessible Exploring the Kit b i Aqdas is an essential read for students of religion and Middle East studies      *A Celestial Burning* J. A. McLean,2012      *Studies in Modern Religions, Religious Movements and the Bābī-Bahā'ī Faiths* Moshe Sharon,2018-08-14 In this book leading scholars contribute comprehensive studies of the religious movements in the late 18th and 19th centuries the Hassidic movements in Judaism the Mormon religion in Christianity and the B b Bah faiths in Sh te Islam The studies introduced by the editor s analysis of the underlying common source of this religious activity lead the reader into a rich world of messianism millennialism and eschatological thought fueling the intense modern developments in the three major monotheistic religions      *The Bahá'í Faith and African American Studies* Layli Maparyan,Loni Bramson,2023-01-09 The

Baha i Faith and African American Studies Perspectives on Racial Justice provides readers who may already have basic or even advanced familiarity with the struggle for racial justice in the United States with new material from a less well known angle that of members of the Baha i Faith for whom the pursuit of racial justice healing and harmony are central to their religious expression Inside these pages readers will find history social scientific analysis and personal memoir showcasing Black Baha is as well as Baha is from diverse backgrounds who are working to address America s most challenging issue

**Textual Sources for the Study of Islam** Andrew Rippin, Jan Knappert, 1990-10-15 This collection is distinguished by its wide range and the care which has clearly gone into the selection of texts for inclusion Attention has understandably been focused on what might be called the religious aspects of Islam such as scripture theology sects law ritual and mysticism but within those limits the texts chosen are marked by substantially of content by geographical chronological and social diversity and by an intelligent use of less well known authors An excellent starting point for a systematic and analytical examination of Islam G R Hawting Bulletin of the School of Oriental and African Studies *The Baha'i Faith* William S. Hatcher, James Douglas Martin, 2002 Explore the history teachings structure and community life of the world wide Baha i community what may well be the most diverse organized body of people on earth through this revised and updated comprehensive introduction 2002 Named by the Encyclopedia Britannica as a book that has made significant contributions to the knowledge and understanding of religious thought The Baha i Faith covers the most recent developments in a faith that in just over 150 years has grown to become the second most wide spread of the independent world religions *World Order* , 1997 *The Bahá'í World* , 1928 *Bahá'í Year Book* , 1928 **Forces of Our Time** Hooper C. Dunbar, 2009 Examines the character of the spiritual forces as set out in writings of Shoghi Effendi The first part considers the terms force energy and power in these writings while the second comprises a selection of quotations drawn from the writings of Shoghi Effendi many published here for the first time *Star of the West* , 1928 *Citizens of the World* Margit Warburg, 2018-08-14 Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to serve as a general monograph on Baha i emphasis is laid on examining contemporary Baha i with the Danish Baha i community as a recurrent case The book discusses Baha i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha is fieldwork data from the Baha i World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions *New York Herald Tribune Books* , 1929 *Islamic Studies* , 1999 *A Study of Bahā Ullāh's Tablet to the Christians* Michael W. Sours, 1990 Considered one of the most significant letters of Baha u llah founder of the Baha i faith the tablet presents a message to the seeker The book also

comprises a verse by verse study providing background information enabling the reader to explore challenging religious issues
