The Higher Powers of Mind and Spirit Ralph Waldo Trine, 2015-03-29 The natural normal life is by a law divine under the guidance of the spirit It is only when we fail to seek and to follow this guidance or when we deliberately take ourselves from under its influence that uncertainties arise legitimate longings go unfulfilled and that violated laws bring their penalties It is well that we remember always that violated law carries with it its own penalty The Supreme Intelligence God if you please does not punish He works through the channel of great immutable systems of law It is ours to find these laws That is what mind intelligence is for Knowing them we can then obey them and reap the beneficent results that are always a part of their fulfillment knowingly or unknowingly intentionally or unintentionally we can fail to observe them we can violate them and suffer the results or even be broken by them Life is not so complex if we do not so continually persist in making it so Supreme Intelligence creative Power works only through law Science and religion are but different approaches to our understanding of the law When both are real they supplement one another and their findings are identical In The Higher Powers of Mind and Spirit New Thought expert Ralph Waldo Trine speaks of those moments in the lives of all of us when we catch glimpses of a life our life that is infinitely beyond the life we are now living This volume is packed with profound insights and practical tips designed to help readers break past the self imposed limits holding them back and live a richer more satisfying life CONTENTS I The Silent Subtle Building Forces of Mind and Spirit II Soul Mind Body The Subconscious Mind That Interrelates Them III The Way Mind Through the Subconscious Mind Builds Body IV The Powerful Aid of the Mind in Rebuilding Body How Body Helps Mind V Thought as a Force in Daily Living VI Jesus the Supreme Exponent of the Inner Forces and Powers His People's Religion and Their Condition VII The Divine Rule in the Mind and Heart The Inessentials We Drop The Spirit Abides VIII If We Seek the Essence of His Revelation and the Purpose of His Life IX His Purpose of Lifting Up Energizing Beautifying and Saving the Entire Life The Saving of the Soul is Secondary but Follows X Some Methods of Attainment XI Some Methods of Expression XII The World War Its Meaning and Its Lessons for Us XIII Our Sole Agency of
