The Higher You Go The Fewer:

Heart Conditions Vanda Millien, 2000-09 For many years I have received requests at my seminars and workshops for a book containing the teachings I have been so privileged to deliver over the last fifteen years As I do with all situations I asked for a sign that this proposed book was in accordance with Divine Will and would manifest at the appropriate time Just one week later at the end of a meeting a lady who is also an author suggested the teachings be put in book form Hence *Heart Conditions* was born Everyone has a heart condition whether spiritual physical or both This book will help you to recognize your heart condition and consequently to change it by shifting your spiritual and physical chemistry through forgiveness compassion and love The teachings are simple stories taken from the experiences and heartbreaks in my life suggesting how we can collectively transmute our life experiences into personal mastery It is time for us all to leave behind the repressive conditioning and opinions of society and change our own heart conditions by allowing forgiving and loving This collection of stories will help you to be courageous enough to take responsibility for who you are and to live your own truth triumphantly

[A Message to the Glorious Church, Volume 1](#) Rick Joyner, 2003 The Book of Ephesians is the most clear and expansive message in the Bible that concerns the glorious purpose of the church This verse by verse examination of this powerful Epistle is a wake up call for those who will lead a coming revolution and walk in all of the power and glory that the church is called to be

Journey through Exodus Mike Newberry, 2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God's not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God's help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered

Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus *We Too Can Prosper* Graham Hutton,2022-02-26 First published in 1953 *We Too Can Prosper* is the outcome of a unique collaboration between Mr Graham Hutton the author Mr Geoffrey Crowther his friend and fellow economist and a panel of experts nominated by the employers organisations and trade unions represented on the British Productivity Council The Council invited the author and Mr Crowther as independent economists to bring together the experience of the 66 Productivity Teams which visited America since 1949 and combine it with their own expert knowledge of economic conditions on both sides of the Atlantic to throw light on Britain s industrial future The book covers an enormous range of subjects from education to mechanisation from consumers habits to advertising and from the rate of installing capital equipment to the roles of government competition and bigness in business Painstakingly simply and logically the book shows that if the British people want to overcome recurrent economic crises and raise their standards of life they can do so quickly provided they organise to do so This book will be of interest to students of economics economic history and development Fewer Airlines, Higher Fares United States.
