The Hill With A Future Seattles Capitol Hill 19001946:

The Hill with a Future Jacqueline B. Williams,2001 The Seattle Street-Smart Naturalist David B.

Williams,2012-11-15 Back to the city or back to nature Seattle author David Williams shows us how we can get the best of both Botany and bugs geology and geese and creeks and crows living in a major city doesn't have to separate us from the natural world Stepping away from a guidebook format Williams presents the reader with a series of essays and maps that weave personal musings bits of humor natural history observations and scientific data into a multi textured perspective of life in the city descriptions of his journeys as a naturalist in an urban landscape Williams addresses questions that an observant person asks in an urban environment What did Seattle look like before Europeans got here How does the area's geologic past affect us Why have some animals thrived and others languished How are we affected by the species with whom we share the urban environment and how do we affect them This book captures all of the distinctive flavors of the Emerald City urban and natural

Soul Woundedness Paul Houston Blankenship-Lai,2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle's unhoused youth Soul Woundedness is an intimate piercing book about everyday life for young adults living on the streets of Seattle Based on over five years of research and as a participant observer Paul Houston Blankenship Lai presents the personal experiences of street kids highlighting how their spiritual beliefs and practices offer them comfort a sense of community and a feeling of belonging amidst their struggles They also demonstrate how spirituality on the streets can alienate people from themselves and the world The stories Blankenship Lai tells here are about how social wounds go soul deep and how seemingly antireligious spiritual practices fashioned in an almost unlivable local world help people create a life still worth living By paying deep sustained attention to what spirituality is like on the streets and what difference it makes Blankenship Lai uncovers an important overlooked dimension in the experience and study of homelessness They invite us to enter these stories and to question how our own spiritual and otherwise practices can help create a more loving love Aimed at a diverse audience Soul Woundedness is a book not merely to educate but to transform It is particularly relevant for those interested in spirituality's role in addressing social inequities and underscores the importance of spiritual practices in overcoming adversity and promoting social change making a compelling case for a world where everyone has a place to call home

Eccentric Seattle J. Kingston Pierce,2003 This collection of irreverent accounts provides a fascinating look at the sometimes troubled tragic and bawdy past of the Emerald City and surrounding region The author portrays trendy fads and devastating events and introduces some of the area's most notorious scoundrels and greatest benefactors Whether about the great 1889 fire or the plague of 1918 brothel owners or rock musicians Pierce's selections deliver captivating reading

Pacific Northwest Quarterly ,2001 **More Voices, New Stories** Mary Candice Wright,2002 Twelve essays explore the history of Seattle and King County Washington with a special focus on social cultural and ethnic history Meet King County's earliest vaudevillians welfare mothers restaurateurs African American coal miners

Scandinavian immigrants shapers of Young Men s Buddhist Association and Jewish women founders of Settlement House Here are also the modern Mexican American voters and recent Vietnamese immigrants reflecting in interviews on the forces that impact their Seattle experiences Back cover Second Biennial Symposium on American Culinary History ,2007
