Studies Lebanon David C. Gordon, 2015-07-24 Even up to the eve of the civil war some observers saw the Lebanese system as essentially stable and exhibiting some of the virtues of liberty and pluralism which had been commended by the French traveller de Volney a century before But for others its structure was so seriously flawed as to be resolved only by revolution The civil war resulted ultimately from a conglomeration of interdependent factors the religious conflict of Christian and Shi a Muslim the social divisions exemplified in the Belt of Misery around Beirut and the ethnic frictions between the Arab host culture and the Occidentalised Maronites This book first published in 1980 is a lively and incisive study of one of the most ravaged countries of this generation Reviving Phoenicia Asher Kaufman, 2014-06-17 Reviving Phoenicia follows the social intellectual and political development of the Phoenician myth of origin in Lebanon from the middle of the nineteenth century to the end of the twentieth Asher Kaufman demonstrates the role played by the lay liberal Syrian Lebanese who resided in Beirut Alexandria and America towards the end of the nineteenth century in the birth and dissemination of this myth Kaufman investigates the crucial place Phoenicianism occupied in the formation of Greater Lebanon in 1920 He also explores the way the Jesuit Order and the French authorities propagated this myth during the mandate years The book also analyzes literary writings of different Lebanese who advocated this myth and of others who opposed it Finally Reviving Phoenicia provides an overview of Phoenicianism from independence in 1943 to the present demonstrating that despite the general objection to this myth some aspects of it entered mainstream Lebanese national narratives Kaufman s work will be vital reading for anyone interested in the birth of modern Lebanon as we know it today

Travels with Dad Vladimir Radovic, 2022-03-30 Raised by his widowed mother in Montenegro my dad graduated from the Belgrade Law School After Germany and its allies occupied Yugoslavia he joined the partisans in their harrowing struggle for the country s liberation His attraction to seas his diligence and his people skills found a lifelong vocation in foreign affairs This intimate travelogue traces my dad s family line crisscrosses the Balkans the Mediterranean and the Middle East and portrays Lebanon in the mid sixties Radomir Radovi 1918 2000 was a distinguished Yugoslav diplomat **Jezebel** Lesley Hazleton, 2009-03-17 There is no woman with a worse reputation than Jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the Bible Her name alone speaks of sexual decadence and promiscuity But what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe What if Jezebel far from being a conniving harlot was in fact framed In this remarkable new biography Lesley Hazleton shows exactly how the proud and courageous queen of Israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies Jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and falser humans and all with the fate of entire nations at stake At its center are just one woman and one man the sophisticated Queen Jezebel and the stark prophet Elijah Their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and

liberalism against conservatism It is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire Bible Here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars

Travel Narrative and the Ends of Modernity Stacy Burton, 2014 Combining theoretical arguments with close reading this text traces how twentieth century writers have reinvented travel narrative for new purposes

Reverberations Yael Navaro, Zerrin Özlem Biner, Alice von Bieberstein, Seda Altuğ, 2021-12-21 The turn to the nonhuman in the humanities and social sciences has arguably been mobilized through a washing away of political violence its histories and its traces Reverberations aims to redress this problem by methodologically and conceptually placing political violence and nonhuman entities side by side The volume generates a new framework for the study of political violence and its protracted aftermath by attending through innovative ethnographic and historical studies to its distribution extension and endurance across time space materialities and otherworldly dimensions as well as its embodiment in subjectivities discourses and imaginations Collectively in the study of political violence the contributions focus on human agencies and experiences in engagement with nonhuman entities such as objects land fields houses buildings treasures trees spirits saints and prophets In a variety of contexts the scholars herein ask the crucial question What can be learned about political violence by analyzing it in the terrain of relationality between human beings and nonhuman entities How are things such as objects spaces natural phenomena or spiritual beings entwined in histories of political violence And vice versa how are histories of political violence implicated in nonhuman things

A Landscape of War Munira Khayyat, 2022-11-22 What worlds take root in war In this book anthropologist Munira Khayyat describes life along the southern border of Lebanon where resistant ecologies thrive amid a terrain of perennial war A Landscape of War takes us to frontline villages where armed invasions indiscriminate bombings and scattered land mines have become the environment where everyday life is waged This book dwells with multispecies partnerships such as tobacco farming and goatherding that carry life through seasons of destruction Neither green tinged utopia nor total devastation these ecologies make life possible in an insistently deadly region Sourcing an anthropology of war from where it is lived this book decolonizes distant theories of war and brings to light creative practices forged in the midst of ongoing devastation In lyrical prose that resonates with imperiled conditions across the Global South Khayyat paints a portrait of war as a place where life must go on

Rivers of the World James Penn, 2001-12-12 Rivers of the World vividly written and meticulously researched is a rich and thorough treatment of some 200 of the world's rivers In this comprehensive treatment of the major rivers of the world author James R Penn's purpose is not just to feature geographic data but to tell a story of historical drama poetic significance and cultural relationships The book shows glimpses of Chairman Mao boosting his image by swimming in the Yangtze Indian middlemen residing on both sides of the Columbia River exacting tolls from travelers like Lewis and Clark and near the Dordogne in southwest France Paleolithic cave art

paintings and designs in rock shelters and subterranean caverns which are textbook examples of early human creativity and artistic impulse In nearly 200 entries ranging from a few paragraphs to several pages Rivers of the World covers all of the great rivers of the world including the Nile Niger Amazon and Mississippi as well as smaller waterways that illustrate important themes or represent trends The book includes bibliographies for each river **Pluralism and Party**

The Hills Of Adonis A Quest In Lebanon By Thubron Colin: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Hills Of Adonis A Quest In Lebanon By Thubron Colin : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Hills Of Adonis A Quest In Lebanon By Thubron Colin : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
