The Hills Of Maine And Other Stories:

The Hills of Maine William M. Clark, 1990 A selection of favorite works by popular columnist author and rural philosopher William M Clark

The Essential Táin Bó Cúailnge and Other Stories from the Ulster Cycle Matthieu Boyd, 2025-09-04 T in B C ailnge frequently referred to as the T in is one of the most important works of medieval Irish literature and has been called the national epic of Ireland This new judiciously abridged translation of the T in renders the text in an approachable colloquial style that nevertheless maintains enough accuracy to support close reading This edition also contextualizes the T in itself with numerous selections from the rest of the so called Ulster Cycle the related body of legends about the characters of the T in including accounts of their origins and their deaths Also included are a full introduction extensive footnotes drawing on the most recent scholarship on the T in that provide clarifications explanations and background information four maps showing the sites of major events in the epic and a series of character trees to help readers keep track of the T in s large cast of characters and their often complex interrelationships among other valuable resources

The Shunned House And Other Stories (Annotated) H. P. Lovecraft , Howard Phillips Lovecraft 1890 1937 was an influential American writer of weird and horror fiction Lovecraft s writing often explored themes of existential dread forbidden knowledge and the insignificance of humanity in the face of incomprehensible cosmic forces In this book we present you with five stories of Lovecraft The Shunned House The Haunter of the Dark The Picture in the House The Rats in the Walls and The Dreams in the Witch House each in its own way reveals his mastery of cosmic horror weaving together ancient evils and the fragility of human sanity In The Shunned House Lovecraft delves into the history of a cursed dwelling its dark secrets and the sinister forces that plague its residents The Haunter of the Dark explores the terror of forbidden knowledge and the dreadful consequences of uncovering ancient truths The Picture in the House and The Rats in the Walls delve into the hidden horrors lurking in the past in old books and beneath the foundations of ancestral homes reminding us that history can be a grim and unsettling revelation Finally The Dreams in the Witch House takes readers on a journey through the ominous corridors of Arkham where academic curiosity leads to encounters with eldritch horrors Lovecraft s blend of psychological dread and cosmic malevolence continues to make these stories essential reading for fans of horror fiction leaving a lasting impression on those who dare to explore the depths of his eldritch imagination
