*The Foundations of Legal Liability: History and theory of English contract law* Thomas Atkins Street,1980 This multi volume treatise from 1906 discusses the historical development of legal liability based on contractual relations The work provides a general introduction to the law of actions with a detailed examination of several individual forms      Law Notes ,1908      **The American Law Review** ,1906      **Harvard Law Review** ,1907      **Principles of Contract Law and Theory** Larry D. DiMatteo,2023-12-11 This informative and accessible book reviews the core concepts of contract law and theory from an Anglo American perspective Larry A DiMatteo deftly analyses the key principles rules and frameworks which have shaped Anglo American contract law as well as highlighting important legislative acts that have changed and modernised its development      *Michigan Law Review* ,1909      *Searching the Law, 3d Edition* Frank Bae,Edward Bander,Francis Doyle,Joel Fishman,Paul Richert,2021-12-13      **Columbia Law Review** ,1907      *Comparative Contract Law* Larry A. DiMatteo,Martin Hogg,2016 Bringing together leading commercial and contract law scholars from the United Kingdom and United States *Comparative Contract Law British and American Perspectives* offers an insightful and comprehensive assessment of the commonalities and divergences in the contract law of these two jurisdictions Approaching the subject area from a variety of perspectives doctrinal analysis behavioral analysis law and economics and theoretical the book examines familiar areas of contract law as practiced in the UK and US Topics include contract theory and structure contract formation and defects of consent policing contracts and the duty of good faith contract interpretation damages speciality contracts and legal reform The volume provides a thorough assessment of the current state of commercial contract law in the UK and US and addresses the strengths and weaknesses of the national and European approaches to many issues of contract law In particular it focuses on how commercial contract law should be improved and whether harmonization of the different contract law regimes is a suitable and appropriate solution      **Advanced Introduction to Contract Law and Theory** Brian H. Bix,2023-07-01 This comprehensive *Advanced Introduction* provides an overview of contract law and contemporary contract theory Demonstrating that an understanding of theory and policy is a vital aspect of being an effective practicing lawyer Brian H Bix explores which theoretical approaches can best explain and justify contract law arguing for greater critical attention to the connections between contract law theory practice and teaching      *Legal Theory and Legal History* Alfred William Brian Simpson,1987-01-01      *United States Law Review* ,1906      **Reasonableness and Responsibility: A Theory of Contract Law** Martín Hevia,2012-09-14 If as John Rawls famously suggests justice is the first virtue of social

institutions how are we to understand the institution of contract law This book proposes a Rawlsian theory of contract law It argues that justice requires that we understand contract rules in terms of the idea of reasonable terms of interaction that is terms that would be accepted by reasonable persons moved by a desire for a social world in which they as free and equal can cooperate with others on terms they accept On that basis the book explains the main doctrines of contract law including those governing third parties in both the Common Law and the Civil Law     *Promises and Contract Law* Martin Hogg, 2011-07-14 *Promises and Contract Law* is the first modern work to explore the significance of promise to contract law from a comparative legal perspective Part I explores the component elements of promise its role in Greek thought and Roman law the importance of the moral duty to keep promises and the development of promissory ideas in medieval legal scholarship Part II considers the modern contract law of a number of legal systems from a promissory perspective The focus is on the law of England Germany and three mixed legal systems Scotland South Africa and Louisiana though other legal systems are also mentioned Major topics subjected to a promissory analysis include formation of contract third party rights contractual remedies and the renunciation of contractual rights Part III analyses the future role which promise might play in contract law especially within a harmonised European contract law
