**Charles River Editors**

## **The History Of Julius Caesar And Cleopatra:**

History for Kids: the Illustrated Lives of Julius Caesar and Cleopatra Charles River Charles River Editors, 2017-12-20

Perfect for ages 7-9 Includes pictures of busts of Caesar Cleopatra and depictions of important people places and events in their lives I would rather be the first man in a humble village than the second man in Rome Caesar Her beauty as we are told was in itself not altogether incomparable nor such as to strike those who saw her but converse with her had an irresistible charm and her presence combined with the persuasiveness of her discourse and the character which was somehow diffused about her behaviour towards others had something stimulating about it There was sweetness also in the tones of her voice and her tongue like an instrument of many strings she could readily turn to whatever language she pleased Plutarch Possibly the most important man of antiquity and even all of history was Julius Caesar Alexander Hamilton the famous American patriot once remarked that the greatest man who ever lived was Julius Caesar Such a tribute coming from one of the Founding Fathers of the quintessential modern democracy in reference to a man who destroyed the Roman Republic is testament to the enduring mark that Caesar left upon the world The ultimate conqueror statesman dictator visionary and opportunist during his time in power Caesar expanded the borders of Rome to almost twice their previous size revolutionized the infrastructure of the Roman state and destroyed the Roman Republic for good leaving a line of emperors in its place His legacy is so strong that his name has become in many languages synonymous with power the Emperors of Austria and Germany bore the title Kaiser and the Czars of Russia also owe the etymology of their title to Caesar His name also crept further eastward out of Europe even cropping up in Hindi and Urdu where the term for Emperor is Kaiser Cleopatra was a legendary figure even to contemporary Romans and the ancient world as Plutarch's quote suggests and she was a controversial figure who was equally reviled and praised through the years depicted as a benevolent ruler and an evil seductress sometimes at the same time Over 2 000 years after her death everything about Cleopatra continues to fascinate people around the world from her lineage as a Ptolemaic pharaoh her physical features the manner in which she seduced Caesar her departure during the Battle of Actium and her famous suicide And despite being one of the most famous figures in history there is still much mystery surrounding her leading historians and archaeologists scouring Alexandria Egypt for clues about her life and the whereabouts of her royal palace and tomb History for Kids The Illustrated Lives of Julius Caesar and Cleopatra provides an entertaining look at the facts and myths surrounding the famous lovers and leaders Along with pictures of important people places and events your kids will learn about Caesar and Cleopatra like never before *The End of the Roman Republic* Charles River Editors, 2025-05-06 Even in his time Julius Caesar was in many ways larger than life and because of his legacy as virtual founder of the Roman Empire much of what was written about and by him during his life and immediately after his assassination was politically motivated His successor Octavian Augustus had a strong interest in ensuring that Caesar's life be painted in a favorable light while Caesar's political enemies attempted to paint him as a

corrupt undemocratic dictator who was destroying the old order of the Republic This makes it exceedingly difficult to separate historical fact from apocryphal interjection as the writings of Cicero a rival of Caesar s and the later biographies of Suetonius and Plutarch can be misleading Nonetheless along with Caesar s De Bello Gallico his famous notes on his campaign against the Gauls they remain our chief sources for Caesar s life a life everyone agreed was nothing short of remarkable and changed the course of history forever Cleopatra was a legendary figure even to contemporary Romans and the ancient world as Plutarch s quote suggests and she was a controversial figure who was equally reviled and praised through the years depicted as a benevolent ruler and an evil seductress sometimes at the same time Over 2 000 years after her death everything about Cleopatra continues to fascinate people around the world from her lineage as a Ptolemaic pharaoh her physical features the manner in which she seduced Caesar her departure during the Battle of Actium and her famous suicide And despite being one of the most famous figures in history there is still much mystery surrounding her leading historians and archaeologists scouring Alexandria Egypt for clues about her life and the whereabouts of her royal palace and tomb While Mark Antony s relationships with Rome s most famous leaders and history s most famous woman were central components in his lives the fact that his legacy has been intertwined with them belies the fact that he was a powerful man in his own right Coming up as a capable and competent military man who Caesar trusted as his right hand Antony parlayed that into governing Rome itself while Caesar fought Pompey After Caesar s assassination in 44 B C Antony deftly navigated from tenuous footing as a declared enemy of the state to become one of Rome s two most powerful leaders arguably its most powerful in just a matter of years outmaneuvering and getting the best of enemies like Brutus and Cicero At the same time Antony was notorious in his own time for his voracious appetite for vice and the branding of him as a boor has persisted for over 2 000 years The importance of Gaius Julius Caesar Augustus or as he was known from birth Gaius Octavius Octavian Thurinus to the course of Western history is hard to overstate His life his rise to power his political social and military achievements all laid the foundations for the creation of an Empire which would endure for almost five centuries and whose traditions laws architecture and art continue to influence much of Europe and the world today Octavian was the first true Roman Emperor and the first man since the Etruscan Tarquins five centuries earlier to establish a successful hereditary ruling dynasty in what had been a proud Republic for over half a millennium He was a canny strategist an excellent orator a fine writer a generous patron of the arts and enthusiastic promoter of public works but above all he was a master politician Octavian s great uncle and adoptive father Julius Caesar was a great general his rival Mark Antony was a great soldier but as a politician Octavian outmatched them all [Julius Caesar in Egypt](#) Philip Matyszak, 2023-06-01 In 48 BC the armies of Julius Caesar and Pompey the Great fought a decisive battle at Pharsalus in Greece Pompey was comprehensively defeated and fled to the last power in the Mediterranean world that was independent of Rome Ptolemaic Egypt Caesar pursued Pompey and was presented with his severed head which the Egyptians hoped would make Caesar

leave them in peace Instead Caesar as if he did not have enough to do already plunged gleefully into the world of Egyptian palace politics riven by dynastic dispute He quickly sided with the beguiling Queen Cleopatra after her famous carpet trick despite having little more than a bodyguard with him Most of his army was still in Greece leaving him massively outnumbered by the Egyptian forces The Romans were besieged in Alexandria for seven months before reinforcements could get through to them Julius Caesar in Egypt is a true story of double cross assassination and intrigue accompanied by lively battles daring escapes disastrous fires the Great Library of Alexandria was largely destroyed in one fracas and if not a love story at least a tale of sex and power as Caesar and Cleopatra's relationship shaped these world changing events

**Caesar and Cleopatra** Bernard Shaw, 2019-11-19 In *Caesar and Cleopatra* George Bernard Shaw masterfully intertwines history with wit to explore the complexities of power leadership and identity Set against the backdrop of ancient Egypt this vibrant play presents a meeting between Julius Caesar and the young Queen Cleopatra delving into themes of gender ambition and the human condition Shaw's unique literary style combines sharp dialogue and philosophical musings inviting readers to ponder the moral dilemmas faced by its characters while simultaneously showcasing his disdain for unexamined authority and blind nationalism Bernard Shaw an influential playwright and critic of the late 19th and early 20th centuries often drew inspiration from historical figures and events to comment on contemporary society His engagement with social issues combined with his profound interest in philosophy and politics reflects a deep understanding of the motivations that drive leaders and the implications of their decisions Shaw's background as a playwright during the suffragette movement also informs the portrayal of Cleopatra as a strong independent woman navigating her political landscape *Caesar and Cleopatra* is a compelling read that not only entertains but also stimulates critical thought about leadership and morality This work is highly recommended for readers interested in a rich blend of historical narrative character exploration and Shaw's distinctive philosophical insights making it a significant contribution to both literature and the understanding of human behavior In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

**Caesar and Cleopatra** Bernard Shaw, 1913 *The End of the Roman Republic* Charles River Editors, 2013-11 Weaves the famous stories of Caesar Cleopatra Antony and Augustus into one gripping narrative Includes famous art depicting Caesar Antony Cleopatra Augustus and important people places and events

in their lives Includes a comprehensive discussion of the facts and myths surrounding the deaths of Caesar Antony and Cleopatra separating fact from fiction Possibly the most important man of antiquity and even all of history was Julius Caesar Alexander Hamilton the famous American patriot once remarked that the greatest man who ever lived was Julius Caesar Such a tribute coming from one of the Founding Fathers of the quintessential modern democracy in reference to a man who destroyed the Roman Republic is testament to the enduring mark that Caesar left upon the world The ultimate conqueror statesman dictator visionary and opportunist during his time in power Caesar expanded the borders of Rome to almost twice their previous size revolutionized the infrastructure of the Roman state and destroyed the Roman Republic for good leaving a line of emperors in its place His legacy is so strong that his name has become in many languages synonymous with power the Emperors of Austria and Germany bore the title Kaiser and the Czars of Russia also owe the etymology of their title to Caesar His name also crept further eastward out of Europe even cropping up in Hindi and Urdu where the term for Emperor is Kaisar During one of the most turbulent periods in the history of Rome men like Julius Caesar Mark Antony and Octavian participated in two civil wars that would spell the end of the Roman Republic and determine who would become the Roman emperor In the middle of it all was history's most famous woman the Egyptian pharaoh Cleopatra 69 30 B C who famously seduced both Caesar and Antony and thereby positioned herself as one of the most influential people in a world of powerful men Cleopatra was a legendary figure even to contemporary Romans and the ancient world and she was a controversial figure who was equally reviled and praised through the years depicted as a benevolent ruler and an evil seductress sometimes at the same time Over 2 000 years after her death everything about Cleopatra continues to fascinate people around the world from her lineage as a Ptolemaic pharaoh her physical features the manner in which she seduced Caesar her departure during the Battle of Actium and her famous suicide Mark Antony 83 50 B C is one of the most unique and best known figures of antiquity a man whose relationships with some of history's giants ensured his own legacy A protégé of Julius Caesar's a lover of Cleopatra's a sworn enemy of Cicero's and a foil for Octavian Antony has long been remembered for the role he played in others' lives more than for his own accomplishments While Antony's relationships with Rome's most famous leaders and history's most famous woman were central components in his lives the fact that his legacy has been intertwined with them belies the fact that he was a powerful man in his own right The importance of Gaius Julius Caesar Augustus or as he was known from birth Gaius Octavius Octavian Thurinus to the course of Western history is hard to overstate His life his rise to power his political social and military achievements all laid the foundations for the creation of an Empire which would endure for almost five centuries and whose traditions laws architecture and art continue to influence much of Europe and the world today The End of the Roman Republic chronicles these amazing leaders and their colorful lives separating fact from legend and analyzing the legacies they left behind on Rome and the world Along with pictures and a Table of Contents you will learn about Caesar Cleopatra Antony and Augustus like you never have before *Caesar and Cleopatra* Bernard

Shaw,1930      **Julius Caesar, Cleopatra** Sarah Albee,2011 He was one of the greatest statesmen that ever lived He was also the death target of family friends and foes alike What made Julius Caesar the legend he was What were the circumstances of Cleopatra s life and alliance with Caesar Why are people today still fascinated by Egypt s last pharaoh Read these biographies to find out      **Cleopatra** Stacy Schiff,2010-11-01 The Pulitzer Prize winning biographer brings to life the most intriguing woman in the history of the world Cleopatra the last queen of Egypt Her palace shimmered with onyx garnets and gold but was richer still in political and sexual intrigue Above all else Cleopatra was a shrewd strategist and an ingenious negotiator Though her life spanned fewer than forty years it reshaped the contours of the ancient world She was married twice each time to a brother She waged a brutal civil war against the first when both were teenagers She poisoned the second Ultimately she dispensed with an ambitious sister as well incest and assassination were family specialties Cleopatra appears to have had sex with only two men They happen however to have been Julius Caesar and Mark Antony among the most prominent Romans of the day Both were married to other women Cleopatra had a child with Caesar and after his murder three more with his prot g Already she was the wealthiest ruler in the Mediterranean the relationship with Antony confirmed her status as the most influential woman of the age The two would together attempt to forge a new empire in an alliance that spelled their ends Cleopatra has lodged herself in our imaginations ever since Famous long before she was notorious Cleopatra has gone down in history for all the wrong reasons Shakespeare and Shaw put words in her mouth Michelangelo Tiepolo and Elizabeth Taylor put a face to her name Along the way Cleopatra s supple personality and the drama of her circumstances have been lost In a masterly return to the classical sources Stacy Schiff here boldly separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order Rich in detail epic in scope Schiff s is a luminous deeply original reconstruction of a dazzling life      **Introduction to Cleopatra** Gilad James, PhD, Cleopatra VII Philopator was a well known queen of ancient Egypt who gained worldwide fame for her beauty intelligence and political acumen She ruled over Egypt from 51 BC until her death in 30 BC and was the last ruler of the Ptolemaic dynasty Cleopatra was the daughter of Ptolemy XII Auletes and she became queen at the age of 18 During her time as queen she had relationships with two of the most powerful men in ancient Rome Julius Caesar and Mark Antony Her involvement with these two men led to her downfall and ultimately her death Cleopatra was known for her intellectual curiosity and her ability to speak multiple languages She was also a skilled diplomat and was able to maintain her power by forming alliances and negotiating with other leaders Her reign saw the growth of Egypt s economy and a resurgence of its cultural and artistic traditions Cleopatra was also a patron of the arts and was known for her love of music poetry and literature Despite her many accomplishments she was viewed by many of her contemporaries as a dangerous woman who used her beauty and intelligence to manipulate those around her      Cleopatra and Rome Diana E. E. Kleiner,2005-09-23 The synthesis of Cleopatra s and Rome s defining moments is revealed through surviving works of art and other remnants of what was once

an opulent material culture architecture statuary portraiture villa paintings tombstones coinage and displays of clothing perfume and highly styled hair      **Plutarch's [life Of] Julius Caesar of North's Translation** Plutarch,1907      **The Memoirs of Cleopatra** Margaret George,2010-04-01 Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra Queen of the Nile in this lush sweeping and richly detailed saga the basis for the Cleopatra TV mini series Told in Cleopatra s own voice The Memoirs of Cleopatra is a mesmerizing tale of ambition passion and betrayal in the ancient Egyptian world which begins when the twenty year old queen seeks out the most powerful man in the world Julius Caesar and does not end until having survived the assassination of Caesar and the defeat of the second man she loves Marc Antony she plots her own death rather than be paraded in triumph through the streets of Rome Most of all in its richness and authenticity it is an irresistible story that reveals why Margaret George s work has been widely acclaimed as the best kind of historical novel one the reader can t wait to get lost in San Francisco Chronicle      *Cleopatra Captivating History*,2022-01-28

**The Life and Times of Cleopatra Queen of Egypt: A Study in the Origin of the Roman Empire** Arthur Edward Pearse Brome Weigall,2020-09-28 In the following pages it will be observed that in order not to distract the reader I have refrained from adding large numbers of notes references and discussions such as are customary in works of this kind I am aware that by telling a straightforward story in this manner I lay myself open to the suspicions of my fellow workers for there is always some tendency to take not absolutely seriously a book which neither prints chapter and verse for its every statement nor often interrupts the text with erudite arguments In the case of the subject which is here treated however it has seemed to me unnecessary to encumber the pages in this manner since the sources of my information are all so well known and I have thus been able to present the book to the reader in a style consonant with a principle of arch ological and historical study to which I have always endeavoured to adhere namely the avoidance of as many of those attestations of learning as may be discarded without real loss A friend of mine an eminent scholar in discussing with me the scheme of this volume earnestly exhorted me on the present occasion not to abide by this principle Remarking that the trouble with my interpretation of history was that I attempted to make the characters live he urged me at least to justify the manner of their resuscitation in the eyes of the doctors of science by cramming my pages with extracts from my working notes relevant or otherwise and by smattering my text with Latin and Greek quotations I trust however that he was speaking in behalf of a very small company for the sooner this kind of jargon of scholarship is swept into the world s dust bin the better will it be for public education To my mind a knowledge of the past is so necessary to a happy mental poise that it seems absolutely essential for historical studies to be placed before the general reader in a manner sympathetic to him History said Emerson no longer shall be a dull book It shall walk incarnate in every just and wise man You shall not tell me by languages and titles a catalogue of the volumes you have read You shall make me feel what periods you have lived Such has been my attempt in the following pages and though I am so conscious of my literary limitations that I doubt my ability to place the reader in

touch with past events I must confess to a sense of gladness that I at any rate with almost my whole mind have lived for a time in the company of the men and women of long ago of whom these pages tell

**The History of Julius Caesar** Jacob Abbott, 2014-01-15 The name of Julius Caesar reverberates through history not only as the most famous Roman ever but as a symbol of imperial might even reaching down through the centuries to give his name to the Kaisers and Tsars of Germany and Russia This retelling of the story of Caesar as recounted by master storyteller Jacob Abbott starts with his childhood and then sketches the background to the beginning of the Roman leader's civil and military career in the service of Rome From the time of his appointment to Consul 60 BC through to the dramatic military victories in Gaul 51 BC Caesar quickly progressed to one of the most popular political figures in Rome These military victories and his subsequent growth in stature were correctly perceived as a direct threat to the political order back home and Caesar was ordered by the Senate to lay down his military command and return to Rome Famously Caesar refused and with his legions crossed the Rubicon River which marked Roman territory in 49 BC hereby formally declaring his intention to seize power in Rome Civil war resulted and after a period of strife which saw his erstwhile ally but now archenemy Pompey dead Caesar emerged as the unrivaled leader of Rome His adventures in Egypt and his relationship with the famous Queen Cleopatra combined with his increasingly authoritarian style of government caused further dissent in Rome and he was assassinated by a group of senators led by Brutus on the Ides of March 15 March 44 BC His death did not result in the restoration of the Republic as his assassins had hoped but rather in the formalization of the Imperial system when his adopted heir Octavian later known as Augustus rose to sole power in his wake Another masterpiece from Jacob Abbott which tells one of history's greatest stories in an easy to read and nonstop action manner Contents Chapter I Marius and Sylla Chapter II Caesar's Early Years Chapter III Advancement to the Consulship Chapter IV The Conquest of Gaul Chapter V Pompey Chapter VI Crossing the Rubicon Chapter VII The Battle of Pharsalia Chapter VIII Flight and Death of Pompey Chapter IX Caesar in Egypt Chapter X Caesar Imperator Chapter XI The Conspiracy Chapter XII The Assassination

**Cleopatra: A Remarkable Life of Power, Passion, and Politics (A Captivating Guide to a Queen of Ancient Egypt, a Roman General, and Their Relationship)** Armando Isaacson, 2011-01-01 This biography takes a masterly return to the classical sources to present the real story of Cleopatra It details her supple personality the drama of her circumstances her marriages and the children she bore including twins with Antony and a child with Caesar Cleopatra appears not just as a figure of romance and drama but as a powerful ruler who reshaped the contours of an empire Cleopatra takes you beyond the known stories and into the heart of the elusive woman herself Dive into a tale that predates the birth of America and discover how Cleopatra an influential figure a generation before the birth of Christ made a mark on history that still resonates today In the first part of this book you'll discover The early life of Cleopatra Her exile and journey to reclaim her throne The Egyptian queen's wealth and the golden city of Alexandria Her legendary encounter with Julius Caesar and the beginning of their alliance How the Romans pictured the

young queen Her challenges in governing the land of Egypt and how she overcame a drought Cleopatra s image as the goddess Isis Prepare to embark on a journey of self discovery and empowerment as Cleopatra reveals the secrets of captivating hearts and forging connections that transcend time The book is a testament to the enduring power of seduction and the potential within each of us to create our own captivating and authentic seductive spell *Julius Caesar* Henry Freeman,2016-06-06 Julius Caesar A little over 2000 years ago a man named Julius Caesar changed the world Even if you had never heard of him his lasting legacy has no doubt had an impact on your life No doubt even the very calendar that you use is based upon the system he created with the month of July bearing his name So who was this man that singlehandedly changed the course of history Inside you will read about The Underpinnings of a Republic The Real Struggle Begins When in Rome The Ides of March This book follows the life and legacy of the man whose life stood as a footnote between Republic and Empire The man who has inspired playwrights governments and the very days of the week the life of Julius Caesar is an incredible journey to behold Cleopatra vs. the Roman Empire Ellis Roxburgh,2015-12-15 Egyptian queen Cleopatra VII s life reads like a thrilling novel Her struggle to retain her throne led her to join forces with Roman ruler Julius Caesar and later Mark Anthony The power struggles within Rome came to a head at the Battle of Actium in 31 BC The victory of Octavian meant the tragic downfalls of both Cleopatra and Mark Anthony and the expansion of Roman influence This in depth look at two empires in turmoil is enhanced by beautiful illustrations and insightful quotation boxes Readers will gain an appreciation for these ancient empires through this historical text *Cleopatra of Egypt* Susan Walker,Peter Higgs,2001 Fabled for her sexual allure and cunning intelligence Cleopatra VII of Egypt has fascinated generations of admirers and detractors since her tumultuous life ended in suicide on Octavians capture of Egypt in 30 BC The last of the Ptolemaic monarchs who had ruled Egypt as Hellenistic Greek kings and Egyptian pharaohs for 300 years Cleopatra created her own mythology becoming an icon in her own lifetime and even more so after her death This book explores the ways in which she was depicted in antiquity within the context of the iconography of contemporary coinage statues and other images of Egyptian Greek and Roman rulers and then examines the image of Cleopatra from the Renaissance to modern times as seen in plays opera painting ceramics and even jewellery Exciting new research has revealed seven Egyptian style statues believed to represent Cleopatra and two portraits probably commissioned in Rome while she lived there with Julius Caesar
