**Peel's Bibliography of the Canadian Prairies to 1953** Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba **The Bar U & Canadian Ranching History** S. M. Evans, 2004 For much of its 130 year history the Bar U Ranch can claim to have been one of the most famous ranches in Canada Its reputation is firmly based on the historical role that the ranch has played its size and longevity and its association with some of the remarkable people who have helped develop the cattle business and build the Canadian West The long history of the ranch allows the evolution of the cattle business to be traced and can be seen in three distinct historical periods based on the eras of the individuals who owned and managed the ranch These colourful figures beginning with Fred Stimson then George Lane and finally Pat Burns have left an indelible mark on the Bar U as well as Canadian ranching history The Bar U and Canadian Ranching History is a fascinating story that integrates the history of ranching in Alberta with larger issues of ranch historiography in the American and Canadian West and contributes greatly to the overall understanding of ranching history The Statesman's Year-Book M. Epstein, 2016-12-24 The classic reference work that provides annually updated information on the countries of the world *Directory of Museums* Kenneth Hudson, Ann Nicholls, 1975-06-18 **The Directory of Museums & Living Displays** Kenneth Hudson, Ann Nicholls, 1985-06-18 **The Limits of Labour** David Bright, 2011-11-01 In a few short decades before the First World War Calgary was transformed from a frontier outpost into a complex industrial metropolis With industrialization there emerged a diverse and equally complex working class David Bright explores the various levels of class formation and class identity in the city to argue that Calgary's reputation as a prewar centre of labour conservatism is in need of revision Bright also delineates the trials of the Calgary labour movement in the 1920s Internal divisions and dissent prevented the movement from realizing the potential strength of the working class Instead even as local capitalism restructured itself political and industrial labour organizations wilfully fragmented their own base of support In particular they failed to address the concerns and needs of the growing number of unemployed in the city a neglect that foreshadowed events of the 1930s This failure left the labour movement unable to meet the challenge of the Great Depression In part at least the demise of labour as a viable political alternative in Calgary paved the way for the rise of Social Credit Using Calgary as a model The Limits of Labour reasserts the need to place class formation at the heart of the development of western Canada and provides an historical context to the renewed struggle of labour for social justice in the 1990s *A Wilder West* Mary-Ellen Kelm, 2012-07-01 The rodeo cowboy is one of the most evocative images of the Wild West The master of the frontier he is renowned for his masculinity toughness and skill A Wilder West returns to rodeo's small town roots to explore how rodeo simultaneously embodies and subverts our traditional understandings of power relations between man and nature women and men settlers and Aboriginal peoples An important contact zone a chaotic and unpredictable place of encounter rodeo has challenged expected social hierarchies bringing

people together across racial and gender divides to create friendships rivalries and unexpected intimacies At the rodeo Aboriginal riders became local heroes and rodeo queens spoke their minds A Wilder West complicates the idea of western Canada as a white man s country and shows how rural rodeos have been communities in which different rules applied Lavishly illustrated this creative history will change the way we see the West s most controversial sport **Canadian Books in Print.
