The Hoffa Wars Teamsters Rebels Politicians And The Mob:

The Hoffa Wars Dan E. Moldea, 1978 **Mobsters, Unions, and Feds** James B Jacobs, 2006-01-01 This worthy successor to *Gotham Unbound* is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions. Publishers Weekly: Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States. Yet the government, the AFL-CIO and the civil liberties community all but ignored the situation for most of the twentieth century. Since 1975, however, the FBI, Department of Justice and the federal judiciary have relentlessly battled against labor racketeering, even in some of the nation's most powerful unions. *Mobsters, Unions, and Feds* is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort. A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia, James B. Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement, then consolidated their power through patronage, fraud and violence, and finally used this power to become part of the political and economic power structure of twentieth century urban America. Since FBI Director J. Edgar Hoover's death in 1972, federal law enforcement has aggressively investigated and prosecuted labor racketeers, as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization (RICO) statute to impose long-term court-supervised remedial trusteeships on mobbed-up unions. There have been some impressive victories, including substantial progress toward liberating the four most racketeer-ridden national unions from the grip of organized crime, but victory cannot yet be claimed. A must-read book for anyone interested in the problem of union corruption and what to do about it. *Industrial and Labor Relations Review*

[Ultimate Sacrifice](#) Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research, thousands of recently declassified files and dozens of interviews, *Ultimate Sacrifice* re-creates and in many ways rewrites the crucial period of our history leading up to November 22, 1963. In the process, this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post-war America: the true circumstances behind the assassination of President John F. Kennedy. *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba, authorized by President John Kennedy, run by Attorney General Robert Kennedy, and set for December 1, 1963. The Kennedy plan, unique and different from any previously disclosed operation, was as detailed in a Joint Chiefs of Staff memo to have included a palace coup, a provisional Cuban government, and if necessary, a full-scale invasion by invited US military forces. The CIA's code name for their part of the operation, AMWORLD, has never previously surfaced in any government investigation nor in any book or article, making it one of the most covert operations in United States history. *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers: Carlos Marcello, Santo Trafficante, and Johnny Roselli, being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates, six of whom were also working on the Coup plan. The crime bosses then used parts of the Coup Plan, AMWORLD, to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the

Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams **Dangerously Sleepy** Alan Derickson,2014 Dangerously Sleepy explores the fraught relations between overwork sleep deprivation and public health Health and labor historian Alan Derickson charts the cultural and political forces behind the overvaluation and masculinization of wakefulness in the United States **Working Detroit** Steve Babson,David Elsila,John Revitte,Ron Alpern,2018-02-05 The book concludes with an examination of the present day crisis facing the labor movement *Notorious New Jersey* Jon Blackwell,2007-10-29 Notorious New Jersey is the definitive guide to murder mayhem the mob and corruption in the Garden State With tabloid punch Jon Blackwell tells riveting accounts of Alexander Hamilton falling mortally wounded on the dueling grounds of Weehawken Dutch Schultz getting pumped full of lead in the men s room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch s brew of explosives that became the first bomb to rock the World Trade Center Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison Blackwell also sheds light on some historical whodunits was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby Who was behind the anthrax attacks of 2001 Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey Through 100 historic true crime tales that span over 300 years of history Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder **Nixon's Darkest Secrets** Don Fulsom,2024-09-04 Fulsom digs deeper into the mire of the Nixon presidency a book which bristles with revelations about the most disgraced American leader in history Muriel Dobbin author and former White House correspondent Richard Nixon left the White House in 1974 as our most disgraced president but the American people never knew the full extent of his demons deceptions paranoia prejudices hatreds and chicanery Calling on his work in covering Nixon scores of interviews with members of Congress White House staffers and others close to our nation s thirty seventh president and invaluable newly declassified documents and recordings veteran journalist Don Fulsom sheds new light on Tricky Dick The author s revelations include That the future president sabotaged the 1968 peace talks for political gain By the time Nixon became president in 1969 he had linked to the mob for more than two decades and

as president had a close connection with New Orleans boss Carlos Marcello the most powerful Mafioso in the nation The president had a drinking problem and top aides referred to him as Our Drunk Nixon had a misogynist streak and was abusive toward first lady Pat Nixon The intimate and possibly homosexual nature of Nixon s relationship with confidante Charles Bebe Rebozo a banker with mob ties Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom s examination of these and other startling aspects of Nixon s personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world Nixon s Darkest Secrets provides a chilling final chapter in literature on our most troubled president

Corruption and Reform in the Teamsters Union David Scott Witwer, 2003 Almost since its creation at the close of the nineteenth century the Teamsters Union has had recurring problems with corruption This book is the first in depth historical study of the forces that have contributed to the Teamsters troubled past as well as the various mechanisms the union has employed from top down directives to grass roots measures to combat the spread of corruption Arguing that the Teamsters Union was by its very nature especially vulnerable to certain forms of corruption David Witwer charts the process by which organized crime came to play a significant role in sectors of the union from low level involvements of the 1930s to suspicions of mob ties among the union s upper echelons beginning in the 1950s Witwer includes a detailed account of the links forged between the mafia and union head Jimmy Hoffa as well as the highly revealing McLellan Committee investigation that first brought these links to light David Witwer is a former employee of the New York County District Attorney s Office and the U S Attorney s Office Drawing on hundreds of hours of tapes of activities and conversations in the offices of corrupt union officials he brings his experience and insight to bear on the union s history considering the subject from a range of perspectives that include the rank and file the Teamster leadership and the criminal element He also examines the persistent efforts of labor opponents to capitalize on the union s unsavory reputation fanning the flames of crises of corruption in order to influence popular and legislative opinion

Handsome Johnny Lee Server, 2024-06-04 No one knew more about the mob Hollywood and Las Vegas than Johnny Rosselli and Lee Server got it all in Handsome Johnny Nicholas Pileggi author screenwriter of Goodfellas and Casino A singular figure in the annals of the American underworld Johnny Rosselli s career flourished for an extraordinary fifty years from the bloody years of bootlegging in the Roaring Twenties the last prot g of Al Capone to the modern era of organized crime as a dominant corporate power The Mob s Man in Hollywood Johnny Rosselli introduced big time crime to the movie industry corrupting unions and robbing moguls in the biggest extortion plot in history A man of great allure and glamour Rosselli befriended many of the biggest names in the movie capital including studio boss Harry Cohn helping him to fund Columbia Pictures and seduced some of its greatest female stars including Jean Harlow and Marilyn Monroe In a remarkable turn of events Johnny himself would become a Hollywood filmmaker producing two of the best film noirs of the 1940s Following years in federal prison Rosselli began a new venture overseeing the birth and heyday of Las Vegas Working for

new Chicago boss Sam Giancana he became the gambling mecca s behind the scenes boss running the town from his suites and poolside tables at the Tropicana and Desert Inn enjoying the Rat Pack nightlife with pals Frank Sinatra and Dean Martin In the 1960s in the most unexpected chapter in an extraordinary life Rosselli became the central figure in a bizarre plot involving the Kennedy White House the CIA and an attempt to assassinate Fidel Castro Based upon years of research written with compelling style and vivid detail Handsome Johnny is the great telling of an amazing tale **Borgata: Clash of Titans** Louis Ferrante,2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body **He Was Expendable: National Security, Political and ... ,** Legacy of Secrecy Lamar Waldron,Thom Hartmann,2009-03-01 This painstakingly researched follow up to Ultimate Sacrifice draws on explosive new material from the National Archives to piece together the puzzle of JFK s assassination Vanity Fair A riveting take on the assassination itself and the devastating results of government secrets Publishers Weekly John F Kennedy s assassination launched a frantic search to find his killers It also launched a flurry of covert actions by Lyndon Johnson Robert F Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup The coup plan s exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy s assassination a legacy of secrecy that would impact American politics and foreign policy for the next forty five years It also allowed two men who confessed their roles in JFK s murder to be involved in the assassination of Dr Martin Luther King in 1968 Exclusive

interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now

Five Families Selwyn Raab, 2014-05-13 The New York Times bestseller chronicling the history of NYC's infamous five mafia families is now the basis for the upcoming The HISTORY Channel documentary series American Godfathers The Five Families Genovese Gambino Bonnano Colombo and Lucchese For decades these Five Families ruled New York and built the American Mafia or Cosa Nostra into an underworld empire Today the Mafia is an endangered species battered and beleaguered by aggressive investigators incompetent leadership betrayals and generational changes that produced violent and unreliable leaders and recruits A twenty year assault against the five families in particular blossomed into the most successful law enforcement campaign of the last century Selwyn Raab's Five Families is the vivid story of the rise and fall of New York's premier dons from Lucky Luciano to Paul Castellano to John Gotti and more The book also brings the reader right up to the possible resurgence of the Mafia as the FBI and local law enforcement agencies turn their attention to homeland security and away from organized crime

Corruption and Racketeering in the New York City Construction Industry New York State Organized Crime Task Force, Ronald Goldstock, 1991 This book Corruption and Racketeering In The New York City Construction Industry The Final Report of the New York State Organized Task Force lays out in close and compelling detail the intricate patterns of corrupt activities and relationships that for the better part of a century have characterized business as usual in the construction industry in America's largest metropolis The book is the end product of more than five years worth of investigation prosecutions and research by the New York State Organized Crime Task Force a unique agency that has set a national example for marrying law enforcement initiatives with comprehensive and exhausting analysis of the causes and dynamics of industrial racketeering This is a sobering analysis of the construction industry one of New York City's largest industries and in effect one of the city's most significant economic sectors In any given year during the 1980s billions of dollars of construction were being carried out at any one time The industry regularly employs more than 100 000 people in the city involving some one hundred union locals and many hundreds of general and specialty contractors as well as a large number of architects engineers and materials suppliers The book shows in great and provocative detail how organized extortion bribery illegal cartels and bid rigging characterize construction in the city The basis for much of this crime is labor racketeering controlled or orchestrated by organized crime It reveals how this world of corruption affects not only the private sector but the city's vast public works program and it spells out the ways in which both organized crime and official corruption each sustain the dynamics of ongoing criminality Wrong doing on a massive scale is documented at length But this book is more than a recitation of extensive and systematic criminality The book recommends a number of plausible options for genuine reform Necessarily these are profound and radical solutions but everyone who reads this book will conclude that only profound and radical solutions could hope to solve such an entrenched and intractable crime problem

Conspiracies and Conspiracy

Theories in American History Christopher R. Fee, Jeffrey B. Webb, 2019-05-24 This up to date introduction to the complex world of conspiracies and conspiracy theories provides insight into why millions of people are so ready to believe the worst about our political legal religious and financial institutions Unsupported theories provide simple explanations for catastrophes that are otherwise difficult to understand from the U S Civil War to the Stock Market Crash of 1929 to the terrorist attacks on the World Trade Center in New York Ideas about shadowy networks that operate behind a cloak of secrecy including real organizations like the CIA and the Mafia and imagined ones like the Illuminati additionally provide a way for people to criticize prevailing political and economic arrangements while for society s disadvantaged and forgotten groups conspiracy theories make their suffering and alienation comprehensible and provide a focal point for their economic or political frustrations These volumes detail the highly controversial and influential phenomena of conspiracies and conspiracy theories in American society Through interpretive essays and factual accounts of various people organizations and ideas the reader will gain a much greater appreciation for a set of beliefs about political scheming covert intelligence gathering and criminal rings that has held its grip on the minds of millions of American citizens and encouraged them to believe that the conspiracies may run deeper and with a global reach Brothers David Talbot, 2007 Acclaimed journalist Talbot tells in a riveting well researched narrative just how explosively alienated the Kennedy administration was from its own national security apparatus and that Robert Kennedy planned to open an investigation into his brother s assassination
