distinctions between the Oxford and Cambridge editions has been a major point in the Bible version debate Differences among Cambridge editions in the 21st century has become a potential theological issue particularly in regard to the identification of the Pure Cambridge Edition Translation The English terms rejoice and glory stand for the same word in the Greek original In Tyndale Geneva and the Bishops Bibles both instances are translated rejoice In the Douay Rheims New Testament both are translated glory Only in the Authorized Version does the translation vary between the two verses In the Old Testament the translators render the Tetragrammaton YHWH by the LORD in later editions in small capitals as LORD or the LORD God
