Judgment Day for the Shroud of Turin Walter C. McCrone, 2011-02-02 One of the most precious relics of the Catholic Church the Shroud of Turin is still believed by many to be the cloth that covered Jesus Christ in the tomb When displayed to the public the shroud becomes an international tourist attraction with interest heightening it to an eighth Wonder of the World Yet scientists led by famed microanalyst Dr Walter McCrone have proved the shroud to be a fake a medieval painting that can be easily duplicated today using the simplest of materials The painstaking investigation that led McCrone to this historic discovery is recounted here in Judgment Day for the Shroud of Turin one of only two books to scientifically and fully discount the shroud story Upon close examination even leading members of the Catholic Church had to agree with McCrone's findings which gained international attention when featured on the A E Television Network Told in fascinating detail with all the intrigue of a good mystery novel McCrone's memoir is a lasting contribution to shroud study one that occupied more than twenty years of the author's life

The Holy Shroud of Turin Edward A. Wuenschel, 1950

Acheiropoeta: Not Made by Hands Thomas Mary Sennott, 2011-01-01 An excellent resource book and the only one of its kind covering the two most controversial images in existence the Holy Image of Our Lady of Guadalupe on the tilma of Juan Diego and the Sacred Image of the crucified Christ on the Shroud of Turin Both presentations give ample scientific evidence of their authenticity The author with a physical science background has brought the reader up to date on the latest Shroud findings At the same time he exposes the fraudulent carbon 14 tests

Divine Testimony for the Resurrection Larry Stalley, 2025-04-15 Is the Shroud of Turin the actual burial cloth that once wrapped the corpse of Jesus If it is why were the Gospel writers silent about its mysterious full body image Might there actually be cryptic

references to the image within the New Testament that have gone unnoticed until now And if there are such references why are they cryptic What has science discovered about the image on the Shroud And are there historical references or artifacts associated with the Shroud outside the biblical canon from the period of the early Church Those important and intriguing questions are addressed by this book The significance of this work is monumental both with regard to New Testament studies and with regard to our understanding of the Shroud of Turin The book s focus that hidden or cryptic statements concerning the Shroud and its incredible image actually exist within the Bible is a game changer with respect to 1 the quest for the historical Jesus 2 the existence of biblical evidence supporting the authenticity of the Turin Shroud and 3 the believer s assurance of personal resurrection and eternal life
