**The Holy Spirit Speaks-- Faith Listens** Bob W. Parrott, 2002      **You Can Hear the Voice of God** Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two-way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one-sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J. Chironna M.A. Ph.D. Church on the Living Edge Orlando Florida      *WHEN THE ANGEL SPEAKS, LISTEN*, Mara-Yanka, 2024-10-29 When the Angel Speaks Listen is an inspiring book that tells us God has not abandoned us He loves us God knows we sin and now is the time we as sinners need to know that we learn to love with a pure heart We learn to listen to the words of faith salvation and love We learn about the saints who hear our prayers the angels who guide us and many prayers that give us hope There are poems that inspire us quotes that tell of truth and narration that tells stories with divine words from the angel of the Lord God      **How to Listen When God Is Speaking** Mitch Pacwa, 2011-03-01 How do we listen to God speak to our hearts minds and wills especially above the noise and stress of the modern world What is the process of discerning God's will Best-selling author and popular EWTN host Fr. Mitch Pacwa SJ tackles these and other questions in this comprehensive book on discernment He says that first we need to believe in God and his moral laws and make a commitment to please him in all that we do Then we need to pray so that we can experience the peace that can come only from God Fr. Pacwa draws from St. Ignatius' Spiritual Exercises using plenty of everyday examples as well as stories from Scripture to help clarify his points He encourages readers to develop a rich prayer life and says we can learn to listen to God's powerful voice and hear him speaking lovingly to us even when we are suffering in some way Confronts modern-day assumptions that can prevent us from being open to God's will for our lives Emphasizes the many ways we can develop our prayer life to nourish an authentic relationship with the Lord      **40-Day Journey to the Heart of God** Tammy M. you     **The Resolution! Fan or Follower?** Donald Lefebvre, 2019-02-11 The Resolution is a challenge written to help Christians move from a fan to follower of Christ This is what I was challenged with years ago and after I took the steps laid out in this book my life changed I didn't understand Agape Love selfless love until I followed the path of RPLOL All I can tell you is that God has not made the process of becoming a follower hard The world has made it easy to be a fan If Christians are to be imitators of Christ how does that happen That is what this challenge is meant to do If you decide to take this challenge I am confident that your life will change but be warned The enemy who prowls about as a roaring lion will do his best to sidetrack you Stay focused on the goal diligent in your resolve and I believe you will be glad and blessed you did
