Mirror Horse Tamara Williamson, 2023-04-29 English Canadian indie musician Tamara Williamson offers an unbridled account of a life in the world of horses From her first clever little bay pony Stroller to brilliant ribbon winning Fletcher Tamara Williamson recalls the many significant horses in her life grappling with what it means to be horse obsessed and what drives this desire to connect with horses As Williamson discovers during the tumultuous years of relationships with people and horses these complicated equine creatures reflect back to us our best and worst selves Woven throughout the stories of individual horses in Williamson s life is her own story of a creative chaotic challenging and adventurous life Raised by an eccentric family with a distant mother who disappeared into alcoholism and a charismatic father who left one sunny morning with a younger woman Williamson struggles with dyslexia and a sense of increasing detachment Horses and the exacting sport of dressage provide her with opportunities to connect sometimes imperfectly Her drive for accomplishment in equestrian sports whether as a trainer or a rider is regularly at odds with the fear that lingers from a traumatic childhood riding accident While reckoning with the financial and psychological expense of training and competition and with the multitude of industries that benefit from horses Williamson never loses sight of the enormous burden of responsibility she

feels toward horses and the respect she has for their individual characters memories and instincts On the surface *Mirror Horse* is a book about horses but beyond the bridles and braided manes Williamson crafts a complex story about courage family and the unexpected places where we find a reflection of our souls As a rider you can confuse yourself with being the teacher but horses are constantly showing us something important They are holding up a mirror A percentage of the author s royalties from the sales of this book will go to the Canadian Horse Defence Coalition

*The Lloyd Cotsen Study Collection of Chinese Bronze Mirrors* Suzanne E. Cahill, 2012-05-30 The Lloyd Cotsen Study Collection of Chinese Bronze Mirrors is a 2009 co publication of the Cotsen Occasional Press and the UCLA Cotsen Institute of Archaeology Press Volume I The Lloyd Cotsen Study Collection of Chinese Bronze Mirrors Catalogue includes an engaging foreword by Lloyd Cotsen an overview of major Chinese dynasties and periods and a brief history of Chinese bronze mirrors by Suzanne E Cahill This volume presents a detailed catalogue of the extensive Cotsen Collection through high quality images and illustrations of the mirrors in their approximate chronological sequence Volume II a set of eleven scholarly essays goes further to investigate these mirrors as a study collection Guided by the conviction that this particular constellation of mirrors may lead to substantive insights that cannot easily be obtained otherwise the leading scholars who contributed to this volume used the materials in Volume I as a point of departure for explorations of topics of their own choice The publication of this two volume set preceded an exhibition of the mirrors at the Huntington Library Art Museum and Botanical Gardens and the return of the collection to China in recognition of that countrys rightful cultural patrimony

**Mirrors and Mirroring from Antiquity to the Early Modern Period** Maria Gerolemou, Lilia Diamantopoulou, 2020-01-09 This volume examines mirrors and mirroring through a series of multidisciplinary essays especially focusing on the intersection between technological and cultural dynamics of mirrors The international scholars brought together here explore critical questions around the mirror as artefact and the phenomenon of mirroring Beside the common visual registration of an action or inaction in a two dimensional and reversed form various types of mirrors often possess special abilities which can produce a distorted picture of reality serving in this way illusion and falsehood Part I looks at a selection of theory from ancient writers demonstrating the concern to explore these same questions in antiquity Part II considers the role reflections can play in forming ideas of gender and identity Beyond the everyday we see in Part III how oracular mirrors and magical mirrors reveal the invisible divine prosthetics that allow us to look where the eye cannot reach Finally Part IV considers mirrors roles in displaying the visible and invisible in antiquity and since
