The Horses Too Are Gone:

The Horses Too Are Gone Michael Keenan, 2011-02-01 The true story of Michael Keenan's struggle to survive against mounting odds and an action packed adventure that rivals any fiction The drought had reached crisis point Cattle farmer Mike Keenan decided there was only one solution he would have to get his starving cattle and his beloved horses to greener pastures north of the border But when he finally got there he found his troubles had only just begun South west Queensland seemed like a modern day Wild West and as Keenan moved his cattle along the traditional droving routes in search of long term pasture he had to match wits with a host of characters as well as Nature herself Mike Keenan writes with a deep passion and knowledge of Australian life on the land tinged with a sadness and nostalgia for a way of life that is under threat The Horses Too Are Gone will strike a chord with all Australians
