The House of Eliott: the Anxious Years Edward P. Rich, 2002-11-15 To his lifelong regret Miles Bannister loses out when Evangeline Eliott the girl he loves marries his art school classmate Daniel Page Miles' millionaire father retaliates by making his son a director of The House of Eliott From part time illustrator Miles and his father now become the new reality in the House To please his father Miles proceeds to become both an engineer and a ruthless rags tycoon Evie and Daniel leave for Paris and the bursary Daniel was awarded Both come to espouse the liberal causes of the early thirties As Miles flirts with the Nazis dressing their wives in clothes Evie designed the Pages throw themselves into the international effort to save the Spanish Republic Mr Rich's novel closes the story of The House of Eliott Both up until the war and after like a film noir it is based on the real history of the nineteen thirties and the slow postwar recovery Beatrice her husband Jack Evie and Daniel Lord Alexander Montford Penelope Maddox Madge and Tilly girls in the workroom all play roles They create one of the most endearing fashion houses in modern fiction as it survives The Anxious Years *The House of Commons* R. G. Thorne, 1986 The House of Commons volumes part of the History of Parliament series are a major academic project describing the House's members constituencies and activities covering the period 1386-1832 Consists of biographies of every person who sat as a member of the House during the period concerned descriptions of each election during the period in each constituency and an introductory survey pulling together and analysing the information given in the biographies and constituency histories **Upstairs and Downstairs** James Leggott, Julie Anne Taddeo, 2014-12-11 The international success of Downton Abbey has led to a revived interest in period dramas with older programs like The Forsyte Saga being rediscovered by a new generation of fans whose tastes also include grittier fare like Ripper Street Though often criticized as a form of escapist conservative nostalgia these shows can also provide a lens to examine the class and gender politics of both the past and present In Upstairs and Downstairs British Costume Drama Television from The Forsyte Saga to Downton Abbey James Leggott and Julie Anne Taddeo provide a collection of essays that analyze key developments in the history of period dramas from the late 1960s to the present day Contributors explore such issues as how the genre fulfills and disrupts notions of quality television the process of adaptation the relationship between UK and U S television and the connection between the period drama and wider developments in TV and popular culture Additional essays examine how fans shape the content and reception of these dramas and how the genre has articulated or generated debates about gender sexuality and class In addition to Downton Abbey and Upstairs Downstairs other programs discussed in this collection include Call the Midwife Danger UXB Mr Selfridge Parade's End Piece of Cake and Poldark Tracing the lineage of costume drama from landmark productions of the late 1960s and 1970s to some of the most talked about productions of recent years Upstairs and Downstairs will be of value to students teachers and researchers in the areas of film television Victorian studies literature gender studies and British history and culture Accounts and Papers of the House of Commons Great Britain. Radke,2015-07-28 In an alternate world Romeo and Juliet are gunslingers Verona gives way to a steampunk Victorian London The victims of turf wars are dumped in an alley they call Lovers Lane and the moment the son of his family s enemy touches his face Cain s revenge is poisoned by love Fate would have it no other way Levi Ruslaniv is the heir to the Ruslaniv family gang but ridiculous ancient feuds do not interest him Cain Dietrich s vengeful hatred for the Ruslaniv family is rooted deep since he believes the Ruslanivs arranged for the murder of his parents But his encounter with Levi pierces him deeper than hatred ever could With bullets and blazes of glory schemes spies and pack mentalities loyalty runs as deep in the veins as passion or revenge and there is only one way to end the fighting From the start it was inevitable a bloodstained fate for children with bloodstained hands and the streets of New London will never be the same
