Women of the Humiliati Sally Brasher,2004-11-23 This book examines the contribution of women to the Humiliati movement providing original archival evidence indicating that women dominated the group s membership These findings have implications for both women s spirituality and women s work correcting the received opinion that the patriarchal nature of Italian society and of the church limited the institutional options available to women It also suggests that women found innovative ways to participate in the increasingly restrictive textile industry of the region This work provides a glimpse at the novel ways in which women in medieval Italy were able to satisfy their spiritual and economic needs within the confines of a male dominated church and society *Princess Jellyfish* Akiko Higashimura,2016-03-22 THE LONG AWAITED STORY OF FANGIRLS TAKING ON TOKYO Special large size 2 in 1 edition of over 400 pages One of the best anime and manga for beginners Enthusiasm geeky and otherwise is power in Princess Jellyfish Enthusiasm saves the day and paves the road to the future Kotaku Princess Jellyfish s ambition is simple to tell a delightful story in a delightful way It s a pretty deadly one two punch Anime News Network Loaded with heart soul humor and insight About com STINGING BEAUTY Tsukimi Kurashita has a strange fascination with jellyfish She s loved them from a young age and has carried that love with her to her new life in the big city of Tokyo There she resides in Amamizukan a safe haven for girl geeks who regularly gush over a range of things from trains to Japanese dolls However a chance meeting at a pet shop has Tsukimi crossing paths with one of the things that the residents of Amamizukan have been desperately trying to avoid a beautiful and fashionable woman But there s much more to this woman than her trendy clothes This odd encounter is only the beginning of a new and unexpected path for Tsukimi and her friends SEE LESS **Historical Dictionary of Women's Education in the United States** Linda Eisenmann,1998-07-17 The history of women s education in the United States presents a continuous effort to move from the
