could rent out the Borden's house for the weekend and the owner agreed. The others met Tim at his house and brought along some ghost hunting equipment and an Ouija board in hopes of communicating with the ghost of Lizzie Borden. Everyone piled into Tim's Bentley and headed to Fall River, Massachusetts with excitement on their faces. As they were traveling down the highway, Susan said, "After this is all over and we get concrete proof of the killer's identity, I'm going to write a book of our experiences at the Borden's house and I'll bet we'll sell a million copies." Dream on, girl, chimed in John, laughing under his breath. Jessica said, "John, lay off if that's her dream, let her have it." Okay, Okay replied John.

Queer Hauntings Ken

Summers, 2009. *Queer Hauntings: True Tales of Gay and Lesbian Ghosts* is a collection of eerie locales worldwide with a queer bent combining historical fact and unearthly encounters from across the United States as well as around the globe. From haunted bars in New Orleans to a haunted theater in London, this guide encompasses the other side of the supernatural. The stories range from the serious, from brutal murders in rural Georgia to the light-hearted, including the male spirit who enjoys unzipping men's trousers at a British pub. Ghosts of legendary celebrities intermingle with ordinary individuals. Along with these queer spirits are many businesses, either gay-owned or catering to a gay/lesbian clientele, experiencing hauntings. Clubs and bars hide more than shy young lovers in their darkened corners. Countless bed and breakfasts have otherworldly guests staying the night. Behind the shadows and doors of societal homophobia hide pink phantoms and lavender apparitions in cities and towns spread across the globe.

The House of Lassenberry Daniel Webb, 2015-11-05

Benny Lassenberry was a young poor African American kid who inadvertently got caught up in the mob when he came to the aid of a mafia captain under attack by a group of assassins. Benny saves the man's life and in return, he becomes the head of the mafia's drug operation. Benny thrives in the criminal environment and eventually brings his son into the fold. The son is ambitious like his father and expands the drug operation to farther reaching areas of New Jersey. Little do they know, there's a powerful force lurking in the corporate and political world watching the growth of the Lassenberry regime. Soon, this dark force makes itself known and threatens the Lassenberry family into working for them, laundering their products while still working for the mob. It becomes quickly apparent that serving two masters is dirty work. Will the Lassenberry clan serve the mob or an evil corporate force? Will they even survive long enough to make their decision?

Why has he left his family living in an old house perched on a crumbling cliff top? A crack has appeared in the cliff, and Faith watches anxiously as it gets bigger and bigger each day. Her brother is obsessed with the sea ghosts he claims live in the basement and when he disappears as well, Faith starts to believe in the ghosts too. Can she find her brother and bring her father back before everything she cares about falls into the pitiless sea below?
