The House That God Builds:

The House That God Built Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the masterplans to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocusa fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and The House That God Built Brent Peterson, 2024-10-15 Have you ever heard from God Have you upon our communities ever seen miracles Have you ever gotten to be part of something magical supernatural This is the true story of some who did Do you hear from God Do you recognize God s voice If you have ever wondered if the miraculous seems to be relegated to biblical times this may help you to see that it s not If you are willing and courageous the door can open for your own story The House That God Builds Skip Heitzig, 2002-06 Pastor Heitzig has assembled a collection of Well this is our story impressive and informative study guides and lifestyle booklets covering a wide variety of topics from divorce and remarriage to procrastination and dynamic discipleship The House That God Built Mark Hanby, 1993 Beyond whatever man can desire is a God given pattern for the life of the church Here Dr Hanby unfolds practical applications from the design of the Tabernacle that allow us to become the house God is building today The Emphasised Bible ,1902 The Collected

Horsley, 2017-03-06 Topics in the Book of Revelation by William R Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John's final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In Topics in the Book of Revelation William R Horsley presents definitive arguments for a reinterpretation of John s writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb Psalm CXXV to CL Charles Haddon Spurgeon, 1886 The treasury of David: containing an original exposition of the Book of psalms Charles Haddon Spurgeon, 1886 The Treasury of David; Containing an Original Exposition of the Book of Psalms, a Collection of Illustrative Extracts ...
