

The History Of Childhood

James Marten

The History Of Childhood:

The History of Childhood Lloyd deMause,1995-06 A survey of childhood that reveals startling views of life in Europe and America during the past 2000 years This book documents the lives of former children who were abused It places child abuse today into the context of what was routinely inflicted upon

The History of Childhood Lloyd deMause,1995-06 A survey of childhood that reveals startling views of life in Europe and America during the past 2000 years This book documents the lives of former children who were abused It places child abuse today into the context of what was routinely inflicted upon

Growing Up Peter N. Stearns,2005 Growing Up combines two flourishing historical fields the history of childhood and world history to address the question of how much of childhood is natural and how much is historically determined The first lecture gauges the impact of the development of agriculture civilization and religion upon the premodern experience of childhood The second lecture contrasts modern perspectives on childhood with more traditional ones before investigating how and why modern perspectives developed and spread These lectures clearly demonstrate that the transformation of childhood is both recent and sweeping Raymond Grew Professor Emeritus of History University of Michigan

A History of Childhood Colin Heywood,2013-05-02 In this lively and accessible book Colin Heywood explores the changing experiences and perceptions of childhood from the early Middle Ages to the beginning of the twentieth century Heywood examines the different ways in which people have thought about childhood as a stage of life the relationships of children with their families and peers and the experiences of young people at work in school and at the hands of various welfare institutions The aim is to place the history of children and childhood firmly in its social and cultural context without losing sight of the many individual experiences that have come down to us in diaries autobiographies and oral testimonies Heywood argues that there is a cruel paradox at the heart of childhood in the past On the one hand material conditions for children have generally improved in the West however belatedly and unevenly and they are now more valued than in the past On the other hand the business of preparing for adulthood has become more complicated in urban and industrial societies as the young face a bewildering array of choices and expectations A History of Childhood will be an essential introduction to the subject for students of history the social sciences and cultural studies

The History of Childhood ,1974

The History of Childhood ,1976

The Routledge History of Childhood in the Western World Paula S. Fass,2013 The Routledge History of Childhood in the Western World provides an important overview of the main themes surrounding the history of childhood in the West from antiquity to the present day By broadly incorporating the research in the field of Childhood Studies the book explores the major advances that have taken place in the past few decades in this crucial field The volume is composed of three parts The first part explores childhood from the Ancient World through to the Middle Ages and Early Modern Europe The second part examines the fundamental aspects of childhood and the life of children in the West since 1600 The essays address issues such as family work law sexuality and consumption The chapters think beyond national and continental

boundaries so that readers are informed about general trends in the West while still alert to differences in gender class race and time The final part focuses on aspects of children s experiences in the modern world This section explains how childhoods have developed in distinct contexts and among specific children by using the growing literature on modern childhoods in various locales and at particular historical moments Including essays on all the key topics and issues The Routledge History of Childhood in the Western World will define how the history of children and childhood can best be understood in the longue dur e and comparatively while still acknowledging the importance of and encouraging scholarship on specific groups periods places and life course divisions This important collection from a leading international group of scholars presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of childhood

The Invention of Childhood Hugh Cunningham,2012-10-31 The Invention of Childhood will paint a vivid picture of the lives of children in Britain from pagan Anglo Saxon times to the present day Drawing heavily on primary sources such as diaries autobiographies paintings photographs and letters the book will present a complete chronological history of the experience of children in Britain during the past 1500 years We will learn the key elements that have shaped their lives down the ages and how this has differed as a result of gender geography and ethnicity The book will also relate children s lives to larger events in national and international history Written by Hugh Cunningham the Professor of History at the Universtity of Kent at Canterbury and an expert on childhood history the book will accompany the Radio 4 series presented by the highly respected children s author Michael Morpurgo Michael is contributing a lengthy foreword to the book The Invention of Childhood will expand on a number of key themes from the radio series including the idea of childhood as a distinct stage of life Opinions on when childhood should start and end and how it differs from adulthood have changed considerably down the centuries And these inventions and reinventions of childhood hence the title have had a profound effect on children s lives The prolonged childhood we enjoy in Britain today was a luxury few could afford in the past This fascinating study will draw attention to the ways in which we may find childhood and children in the past quite similar to the present and to ways in which childrens lives from the past seem to differ sharply from the lives children lead today

The History of Childhood James Marten,2018-08-02 In The History of Childhood A Very Short Introduction Marten provides a sweeping narrative of the key features of childhood through time and around the world focusing on conflict and change war and reform and the issues and conditions that have shaped childhood throughout history and continue to shape it in the twenty first century

Children and Childhood in Western Society Since 1500 Hugh Cunningham,2014-07-10 This book investigates the relationship between ideas about childhood and the actual experience of being a child and assesses how it has changed over the span of five hundred years Hugh Cunningham tells an engaging story of the development of ideas about childhood from the Renaissance to the present taking in Locke Rosseau Wordsworth and Freud revealing considerable differences in the way western societites have understood and valued childhood over time His

survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries For undergraduate courses in History of the Family European Social History History of Children and Gender History

The Global History of Childhood Reader Heidi Morrison, 2013-03-05 The Global History of Childhood Reader provides an essential collection of chapters and articles on the global history of childhood The Reader is structured thematically so as to provide both a representative sampling of the historiography as well as an overview of the key issues of the field such as childhood as a social construct commonalities and differences globally and why the twentieth century was not the century of the child for most of the world s children The Reader is divided into four parts Theories and methodologies of the history of childhood Constructions of childhood in different times and places Children s experiences in different times and places Usage of the past to articulate solutions to problems facing children today Topics covered include theories and methodologies in the global history of childhood sources for writing a global history of childhood education gender disability race class and religion the individual in history and emotions violence labour and illiteracy With introductions that contextualize each of the four parts and the articles further reading sections and questions this is the perfect guide for all students of the history of childhood

Childhood in World History Peter N Stearns, Peter N. Stearns, 2006-05-02 Filling a gap in a field with very few teaching books available *Childhood in World History* provides a much needed historical overview Studying childhood historically greatly advances our understanding of what childhood is about and a world history focus permits broad questions to be asked Peter N Stearns an esteemed name in the field focuses on childhood in several ways childhood across change the shift from hunting and gathering to an agricultural society the impact of civilization and the emergence of major religions new and old debates about the distinctive features of Western childhood including child labour the emergence of a modern industrial pattern of childhood in the West Japan and communist societies focusing on education and economic independence globalization and the spread of child centred consumerism Highlighting the gains the divisions and the losses for children across the millennia this fascinating book will appeal to students across the board and will prove an excellent teaching resource

A History of Childhood Colin Heywood, 2017-12-08 Colin Heywood s classic account of childhood from the early Middle Ages to the First World War combines a long run historical perspective with a broad geographical spread This new comprehensively updated edition incorporates the findings of the most recent research and in particular revises and expands the sections on theoretical developments in the new social studies of childhood on medieval conceptions of the child on parenting and on children s literature Rather than merely narrating their experiences from the perspectives of adults Heywood incorporates children s testimonies looking up as well as down Paying careful attention to elements of continuity as well as change he tells a story of astonishing material improvement for the lives of children in advanced societies while showing how the business of preparing for adulthood became more and more complicated and

fraught with emotional difficulties Rich with evocative details of everyday life and providing the most concise and readable synthesis of the literature available Heywood's book will be indispensable to all those interested in the study of childhood

Exploring the History of Childhood and Play through 50 Historic Treasures Susan A. Fletcher, 2020-05-15 A full color trip through the treasures of American Childhood from 1650 to today Remember the toys you played with when you were growing up Each of those objects has a story to tell about the history of American childhood and play Construction toys like Lincoln Logs and Erector Set offer insight into America's booming urban infrastructure in the early 1910s and 20s and the important role toys played in preparing children for future careers in engineering and architecture A stuffed toy monkey from Germany tells the story of young Jewish refugees to the United States during World War II The board game Candyland has its origins in the dreaded polio epidemic of 1950s *Exploring Childhood and Play Through 50 Historic Treasures* brings together a collection of beloved toys and games from the last two centuries to guide readers on a journey through the history of American childhood and play 1840 2000 Through color photographs and short essays on each object this book examines childhood against the backdrop of culture politics religion technology gender parenting philosophies and more The book features ten categories of objects including board and electronic games dolls action figures art toys optical toys animal toys construction sets and sports Each essay tells the story of the individual object its historic context and each passage builds upon one another to create a fascinating survey of how childhood and play changed over the course of two centuries **The**

Sociology of Childhood William A. Corsaro, 2005 The provision of many amusing examples from Corsaro's own research experience with children make his book a thoroughly enjoyable read as well as a valuable critical sociological analysis of childhood Sociology *The Sociology of Childhood* is the Second Edition of a text that has been universally acclaimed as the best book on the subject available today It is the only text that thoroughly covers children and childhood from a sociological perspective The second edition retains the same quality coverage of social theories of childhood the consideration of children and childhood in historical and cultural perspective children's peer cultures from preschool through preadolescence and the social problems of children The book has been updated to include new research information and discussions on the latest social indicators regarding children in the United States and around the world Key Features New chapter on up to date methods of research for studying children New chapters on theory cultural change and children's peer cultures New section on children's rights including a description and discussion of the United Nations Convention on the Rights of the Child Updated chapter on the Future of Childhood addresses current policy debates and changing demographics related to children in today's societies Contains many examples of children's actual play and behavior Provides photographs and charts that capture the complexity and diversity of children's lives *The Sociology of Childhood* is highly recommended for use as the core text in courses on the sociology of children and childhood as well as for parents teachers and other adults interested in the social lives and development of children It can also be used in early education child development and child psychology

courses and as a supplemental text in the area of family studies William A Corsaro is the Robert H Shaffer Class of 1967 Endowed Professor of Sociology at Indiana University Bloomington where he teaches courses on the sociology of childhood childhood in contemporary society and ethnographic research methods Corsaro is the author of *Friendship and Peer Culture in the Early Years* 1985 and *We re Friends Right Inside Kids Culture* 2003 He was a Fulbright Senior Research Fellow in Bologna Italy in 1983 84 and a Fulbright Senior Specialist Fellow in Trondheim Norway in 2003 His research has been featured on NPR the BBC in London and in the New Yorker

A History of Childhood Colin Heywood,2001-12-21 In this lively and accessible book Colin Heywood explores the changing experiences and perceptions of childhood from the early Middle Ages to the beginning of the twentieth century Heywood examines the different ways in which people have thought about childhood as a stage of life the relationships of children with their families and peers and the experiences of young people at work in school and at the hands of various welfare institutions The aim is to place the history of children and childhood firmly in its social and cultural context without losing sight of the many individual experiences that have come down to us in diaries autobiographies and oral testimonies Heywood argues that there is a cruel paradox at the heart of childhood in the past On the one hand material conditions for children have generally improved in the West however belatedly and unevenly and they are now more valued than in the past On the other hand the business of preparing for adulthood has become more complicated in urban and industrial societies as the young face a bewildering array of choices and expectations *A History of Childhood* will be an essential introduction to the subject for students of history the social sciences and cultural studies

Childhood in History Reidar Aasgaard,Cornelia Horn,2017-07-20 Inquiring into childhood is one of the most appropriate ways to address the perennial and essential question of what it is that makes human beings each of us human In *Childhood in History Perceptions of Children in the Ancient and Medieval Worlds* Aasgaard Horn and Cojocarú bring together the groundbreaking work of nineteen leading scholars in order to advance interdisciplinary historical research into ideas about children and childhood in the premodern history of European civilization The volume gathers rich insights from fields as varied as pedagogy and medicine and literature and history Drawing on a range of sources in genres that extend from philosophical theological and educational treatises to law art and poetry from hagiography and autobiography to school lessons and sagas these studies aim to bring together these diverse fields and source materials and to allow the development of new conversations This book will have fulfilled its unifying and explicit goal if it provides an impetus to further research in social and intellectual history and if it prompts both researchers and the interested wider public to ask new questions about the experiences of children and to listen to their voices

History of Early Childhood Education V. Celia Lascarides,Blythe F. Hinitz,2013-05-13 *History of Early Childhood Education* presents a thorough and elegant description of the history of early childhood education in the United States This book of original research is a concise compendium of historical literature combining history with the prominent and influential theoretical

background of the time Covering historical threads that reach from ancient Greece and Rome to the early childhood education programs of today this in depth and well written volume captures the deep tradition and the creative knowledge base of early care and education History of Early Childhood Education is an essential resource for every early childhood education scholar student and educator

Childhood, Youth and Emotions in Modern History Stephanie Olsen, 2015-10-06 Childhood Youth and Emotions in Modern History is the first book to innovatively combine the history of childhood and youth with the history of emotions combining multiple national colonial and global perspectives

Whispering the Techniques of Language: An Mental Quest through **The History Of Childhood**

In a digitally-driven world where screens reign great and quick communication drowns out the subtleties of language, the profound strategies and emotional subtleties concealed within words usually go unheard.
