was safely shut For the sheep he had been driving were not meant for the Open moorland Their feeding grounds lay in the stone walled fields round the home stead and had they strayed on to the mountain beyond which was reserved for a hardier Scotch breed David would have been answerable SO he strode whistling up the hill to have a look at that top gate while Louie sauntered down to the stream which ran round the lower pastures to wait for him The top gate was fast but David climbed the wall and stood there a while hands in his pockets legs apart whistling and looking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
