**The History of Hudson, Maine, 1825-1976** History Committee of Hudson,1976      **Hudson, Ohio** J. Turzille,2002-08

The history of Hudson began in 1795 when David Hudson and five business partners anted up 12 900 for Township 4 Range 10 of the Connecticut Western Reserve in what is now Northeast Ohio On June 26 1799 after traveling two months through the wilderness he and his small party landed in the Western Reserve The story moves to establishing churches schools businesses and the Western Reserve College known as the Yale of the West The fiery John Brown and the Underground Railroad figure prominently in the history of Hudson Hudson flourished until a series of misfortunes took their toll Plans for the Clinton Air Line Railroad collapsed the college relocated to Cleveland the Fire of 1892 destroyed an entire block of businesses along Main Street and the only bank in town suddenly closed its doors with people's life savings Saddened by the deterioration of his hometown wealthy coal magnate James W Ellsworth outlined a plan to restore Hudson as a model town and put his vast financial resources to work Hudson rebounded with a new spirit and has since thrived      **The History of the Hudson River Valley** Vernon Benjamin (College teacher),2014 Sailing down the river that would later bear his captain's name explorer Robert Juet described the Hudson River Valley in 1609 as a drowned land submerged by a great lake of water Over the next two centuries this drowned landscape would be the site of a truly historic flowering of art literature architecture innovation and revolutionary fervor drawing comparisons to another fertile cultural haven built around a mighty river in Western Europe As historian Vernon Benjamin chronicles the Hudson River Valley has been a place of contradictions since its first settlement by Europeans Discovered by an Englishman who claimed it for the Dutch the region soon became home to the most vibrant trading outpost for the New World colonies the Island of Manhattan even as the rest of the valley retained the native beauty that would inspire artists from James Fenimore Cooper to Thomas Cole Because of its unique

geography and proximity to Canada the Hudson Valley became the major theater for the battle between empires in the French and Indian War When the colonists united in rebellion against the British several decades later conflict came to the region once again with decisive military engagements from Saratoga to West Point to the occupied New York Harbor In the aftermath New York emerged as the capital of a new nation and wealth from the city flowed north to the burgeoning Valley leading to a renaissance of culture and commerce that is still evident today Publisher s website [History of the County of Hudson](#) Charles Winfield,2025-07-23 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage [The History of The Hudson River Valley](#) Vernon Benjamin,2016-08-23 The concluding volume of Vernon Benjamin s acclaimed history of the Hudson River Valley spanning from the post Civil War period through the twentieth century and into the present day **Abstract of the History of Hudson, Mass** Amory Gale,Charles Hudson,Charles James Palmer,Edmund Burke Willson,Elbridge Henry Goss,George Whitney,James Diman Green,James Murray Robbins,Lucius Robinson Paige,S.
