The History Of Political Thought A Short Introduction

John Robertson

The History Of Political Thought A Short Introduction:

The History of Political Thought Richard Whatmore, 2021-11-25 Thinking about politics has tended to be historical in nature because of the comparisons and contrasts that can be drawn between past and present. Different periods in politics have used the past differently. At times political thought can be said to have been drawn directly from the study of history at others perhaps including our own time the relationship is more indirect. This Very Short Introduction explores the core concerns and questions in the field of the history of political thought. Richard Whatmore considers the history of political thought as a branch of political philosophy, political science and examines the approaches of core theorists such as Reinhart Koselleck, Strauss, Michel Foucault and the so called Cambridge School of Quentin Skinner and John Pocock. Assessing the current relationship between political history, theory and action, Whatmore concludes with an analysis of its relevance for current politics. ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas and enthusiasm to make interesting and challenging topics highly readable. The History of Political Thought R. N. Berki, 1977 *A Short History of Western Political Thought* W. M. Spellman, 2017-09-16 This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions. Beginning with the Ancient Greeks, classical emphasis on politics as an independent sphere of activity, the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership. Concluding with a discussion of present day political thought, W. M. Spellman explores the return to the ancient understanding of political life as a more autonomous sphere and one that doesn't relate to anything beyond the physical world. Setting the work of major and lesser known political philosophers within its historical context, the book offers a balanced and considered overview of the topic, taking into account the religious values, inherited ideas and social settings of the writers. Assuming no prior knowledge and written in a highly accessible style, *A Short History of Western Political Thought* is ideal for those seeking to develop an understanding of this fascinating and important subject. **On Politics: A History of Political Thought: From Herodotus to the Present** Alan Ryan, 2012-10-22 Finally in a one volume paperback edition, *On Politics* is one of the most ambitious and hugely readable histories of political philosophy in nearly a century. Praised widely upon hardcover publication, Alan Ryan's masterpiece, David Ulin, Los Angeles Times, blends history and philosophy to examine three thousand years of political thought. Drawing on three decades of research, Ryan insightfully traces the origins of political philosophy from the ancient Greeks to the present and evokes the lives and minds of our greatest thinkers in a way that makes reading about them a remarkable experience. Jeremy Waldron, New York Review of Books. Whether writing about Plato or Augustine, Tocqueville or Jefferson, Ryan illuminates John Dewey's dictum that the role of philosophy is less to see truth than to enhance life. With this epic, John Keane, Financial Times, tour de force, Ryan affirms his

place as one of the most influential political philosophers of our time

The History of Political Thought R. N.

Berki,1977

Time, History, and Political Thought John Robertson,2023-06-22 Explores the multiple ways in which different conceptions of time and history have been used to understand politics since late antiquity showing that no

conception of politics has dispensed altogether with time and many have explicitly sought legitimacy in association with forms of history

A History of Political Thought Bruce Haddock,2008-09-22 This book is a comprehensive introduction to the history of political thought tracing the development of arguments and controversies from ancient Greece through different forms of community state and empire to today s global concerns Bruce Haddock highlights the bewildering variety of contexts that have framed political thinking yet also displays structural features that have proved to be remarkably stable over time An important theme in the book is the need to see political philosophy even in its most abstract formulations as a response to historically contingent circumstances without limiting its relevance to those circumstances The emphasis throughout is on political thinking as a response to hard choices Major thinkers covered include Plato Aristotle Augustine Aquinas Machiavelli Grotius Locke Spinoza Montesquieu Hume Kant Rousseau Burke Hegel Marx Mill Lenin Schmitt Nietzsche Foucault Oakeshott and Rawls The book treats political philosophy and theory as a tentative engagement with a fractured and controversial past Yet political thinking remains the exercise of a burden of a responsibility that is inescapable for us Haddock introduces a history that continues to shape our understanding of ourselves as political and historical creatures A History of Political Thought will be of interest to students and scholars of politics history and philosophy

Modern Political Thinkers and Ideas Tudor Jones,2012-09-10 Modern Political Thinkers and Ideas is an exciting new text that provides students with a clearly presented introduction to some of the key areas of modern political thought Uniquely combining historical and philosophical approaches to the subject it describes the writings and ideas of the most influential thinkers of the modern era Modern Political Thinkers and Ideas features the main concepts in modern political theory such as the State and Sovereignty Political Obligation and Civil Disobedience Liberty Rights Equality and Justice Democracy the ideas of key thinkers such as Machiavelli Hobbes Locke Paine Rousseau Burke Mill Bentham Marx Rawls Hayek a clear and instructive framework for each chapter which provides students with a the significance of each concept in modern political thought b what major political thinkers had to say about each concept and c the relevance of key concepts to contemporary argument and debate

The Cambridge Companion to Nineteenth-Century American Literature and Politics John D. Kerker,2025-03-13 This volume addresses the political contexts in which nineteenth century American literature was conceived consumed and criticized It shows how a variety of literary genres and forms such as poetry drama fiction oratory and nonfiction engaged with political questions and participated in political debate

A History of Modern Political Thought Gary K. Browning,2016 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims

of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

Western Political Thought Siddhant Pachauri, Nishav Sharma, Nikhil Sharma, 2023-01-25 One cannot overstate the value of political theory Studying political ideas from different eras might help you see the bigger picture and make better future plans Politicians and future politicians might develop more sophisticated solutions to current challenges by studying political philosophy in its historical context Western political theory forms the foundation of contemporary global politics Studying political philosophy often begins with western authors namely the greeks since their hypotheses are written alone in separate expositions rather than being interwoven throughout literature that is primarily religious or moral unlike what was case mostly with its eastern counterparts Consequently this book starts with plato then covers some of the most influential western philosophers throughout history such as Aristotle Machiavelli Hobbes Locke Rousseau Bentham Mill Hegel Green Marx and others This book takes an analytical approach to its subject matter while its writing style keeps it short and simple Both educators and ordinary readers would get a wealth of useful information throughout this book

[The Political Thought of David Hume](#) Aaron Alexander Zubia, 2024-02-15 Aaron Alexander Zubia argues that the Epicurean roots of David Hume's philosophy gave rise to liberalism's unrelenting grip on the modern political imagination Eighteenth century Scottish philosopher David Hume has had an outsized impact on the political thinkers who came after him from the nineteenth century British Utilitarians to modern American social contract theorists In this thorough and thoughtful new work Aaron Alexander Zubia examines the forces that shaped Hume's thinking within the broad context of intellectual history with particular focus on the ancient Greek philosopher Epicurus and the skeptical tradition Zubia argues that through Hume's influence Epicureanism which elevates utility over moral truth became the foundation of liberal political philosophy which continues to dominate and limit political discourse today

Spinoza: The political writings Genevieve Lloyd, 2001 These volumes provide a comprehensive selection of high quality critical discussions of Spinoza's philosophy published in or translated into English since 1970 Edited by a distinguished academic panel these volumes allow current debates on key themes to be followed through in depth and present to readers the

diversity of philosophical approach and interpretation that characterizes recent Spinoza scholarship Roman Political Thought Jed W. Atkins, 2018-04-12 What can the Romans teach us about politics This thematic introduction to Roman political thought shows how the Roman world developed political ideas of lasting significance from the consequential constitutional notions of the separation of powers political legitimacy and individual rights to key concepts in international relations such as imperialism just war theory and cosmopolitanism Jed W Atkins relates these and many other important ideas to Roman republicanism traces their evolution across all major periods of Roman history and describes Christianity's important contributions to their development Using the politics and political thought of the United States as a case study he argues that the relevance of Roman political thought for modern liberal democracies lies in the profound mixture of ideas both familiar and foreign to us that shape and enliven Roman republicanism Accessible to students and non specialists this book provides an invaluable guide to Roman political thought and its enduring legacies *Western Political Thought* Brian R. Nelson, 2015-01-29 Written simply and directly but without sacrificing intellectual depth this widely acclaimed text explores the preeminent theorists of Western political thought from the pre Socratics to the contemporary era The author provides an in depth analysis of a limited number of major thinkers which allows for a richly detailed examination of each philosopher in historical context *Western Political Thought Second Edition* presents the fundamental terms ideas and dilemmas of Western political philosophy in a straightforward easy to understand manner It organizes the theorists historically explains basic concepts in depth and draws out and analyzes the implications of various political theories Moreover this cohesive volume employs an overarching theme examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy **Classical Theorists in the Social Sciences** Dejo Abdulrahman, 2023-05-05 This book is a useful companion to every social science student who desires an understanding of classical theoretical developments in and evolution of the disciplines **Isaiah Berlin and the Enlightenment** L. W. B. Brockliss, Ritchie Robertson, 2016 Isaiah Berlin and the Enlightenment explores the development of Berlin's conception of the Enlightenment noting its indebtedness to a specific German intellectual tradition The book examines his comments on individual writers arguing that some assigned to the Counter Enlightenment have closer affinities to the Enlightenment than he recognized **The Palgrave Handbook of International Political Theory** Howard Williams, David Boucher, Peter Sutch, David Reidy, Alexandros Koutsoukis, 2023-11-02 This handbook provides an exploration of the field of International Political Theory IPT which in its broadest terms examines the ways in which ideas about justice sovereignty and legitimacy shape international politics It is a comprehensive resource for those interested in understanding the philosophical political and legal issues that arise from interactions between states peoples and global actors The two volumes of the handbook cover a wide range of topics from the foundations of international political thought to the latest debates in the field They are designed to give readers a comprehensive overview of the key concepts and arguments within international political theory and provide an introduction

to the main debates in the field Volume 1 takes us from the ancient world to the formation of the modern state system as we lay the groundwork for a critical understanding of changes in and challenges to core ideas such as sovereignty international law and territorial integrity The contributions to this volume explore the European domination of the discipline providing insights into how it came to conceive the world in its own image They also focus on non Western perspectives and reactions to European hegemony *Michael Oakeshott and the Cambridge School on the History of Political Thought* Martyn P. Thompson, 2019-05-20 This book is a critique of Cambridge School Historical Contextualism as the currently dominant mode of history of political thought drawing upon Michael Oakeshott's analysis of the logic of historical enquiry While acknowledging that the early Cambridge School work represented a considerable advance towards genuinely historical histories of political thought this work identifies two major historiographical problems that have become increasingly acute The first is general an insufficiently rigorous understanding of the key concept of pastness necessarily presupposed in historical enquiry of all kinds The second is specific to histories of political thought a failure to do justice to the varieties of past political thinking especially differences between ideology and philosophy In addressing these problems the author offers a comprehensive account of the history of political thought that establishes the parameters not just of histories of ideological thinking but also of the much disputed character of histories of political philosophy Since rethinking history of political thought in Oakeshottian terms requires resisting current pressures to turn history into the servant of currently felt needs the book offers a sustained defence of the cultural value of modernist historical enquiry against its opponents An important work for political theorists historians of political thought and those researching intellectual history the philosophy of history and proposed new directions in contemporary historical studies POLITICAL THEORY RAMASWAMY, SUSHILA, 2010-10-01 Political theory and political philosophy are generally used interchangeably though sometimes a distinction is made between the two This book on political theory deals with the study of political institutions along with the theories of State Law Liberty and Equality In its second edition the book continues to analyse the key concepts like Authority Power Sovereignty Political obligation Civil disobedience Citizenship Rights Democracy and Justice The non western ideas including Indian and Chinese are incorporated to underline cultural plurality and shared values in an enterprise that tries to set universal standards The book is designed for the undergraduate and postgraduate students of Political Science The book will be equally beneficial for the students appearing for the civil services examinations

This is likewise one of the factors by obtaining the soft documents of this **The History Of Political Thought A Short Introduction** by online. You might not require more period to spend to go to the books commencement as without difficulty as search for them. In some cases, you likewise get not discover the pronouncement The History Of Political Thought A Short Introduction that you are looking for. It will very squander the time.

The History Of Political Thought A Short Introduction Introduction

In today's digital age, the availability of The History Of Political Thought A Short Introduction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The History Of Political Thought A Short Introduction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The History Of Political Thought A Short Introduction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The History Of Political Thought A Short Introduction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The History Of Political Thought A Short Introduction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The History Of Political Thought A Short Introduction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that

provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The History Of Political Thought A Short Introduction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The History Of Political Thought A Short Introduction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The History Of Political Thought A Short Introduction books and manuals for download and embark on your journey of knowledge?

FAQs About The History Of Political Thought A Short Introduction Books

1. Where can I buy The History Of Political Thought A Short Introduction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
