Few subjects in the world of sports and/or the outdoors are more timely or compelling than women's surfing. From smart, strong, fearless women shattering records on 80-foot waves to professional athletes fighting for equal pay and a more fair and just playing field, these amazing wave-riding warriors provide an inspirational and aspirational cast of powerful role models for women and men across all backgrounds and generations. Over the past two hundred years, and especially the past five decades, the surfing lifestyle has become the envy of people around the world. The perception of sun, sand, surf, strong young women, and their inimitable style has created a booming lifestyle and sports industry and the sport that is set to make its Olympic exhibition debut in Tokyo 2021. A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture. What is it about the surfing that intrigues people of all ages from all corners of the world? The beaches and idyllic locations, the unique style and mystique that surfers project. These women on the beach and riding giant waves, or in the media, have made their mark on not just their sport but our wider culture. *Women on Waves* is filled with phenomenal athletic performance, breakthrough female achievements, and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more.
