Hitchcock's Appetites Casey McKittrick, 2018-01-25 In *Hitchcock's Appetites* Casey McKittrick offers the first book length study of the relationship between Hitchcock's body size and his cinema Whereas most critics and biographers of the great director are content to consign his large figure and larger appetite to colorful anecdotes of his private life McKittrick argues that our understanding of Hitchcock's films his creative process and his artistic mind are incomplete without considering his lived experience as a fat man Using archival research of his publicity script collaboration and personal communications with his producers in tandem with close textual readings of his films feminist critique and theories of embodiment *Hitchcock's Appetites* produces a new and compelling profile of Hitchcock's creative life and a fuller more nuanced account of his auteurism

Hitchcock and the Censors John Billheimer, 2019-06-14 Edgar Award Winner This lively account of the director's battles with the Code Office is an essential addition to any Hitchcock shelf

Mystery Scene Magazine From 1934 to 1968 the Motion Picture Production Code Office controlled the content and final cut on all films made and distributed in the United States Code officials protected sensitive ears from standard four letter words as well as a few five letter words like tramp and six letter words like cripes They also scrubbed excessively lustful kissing from the screen and ensured that no criminal went unpunished Thus throughout his career Alfred Hitchcock had to deal with a wide variety of censors attuned to the slightest suggestion of sexual innuendo undue violence toilet humor religious disrespect and all forms of indecency real or imagined During their review of Hitchcock's films the censors demanded an average of 22.5 changes ranging from the mundane to the mind boggling on each of his American films Code reviewers dictated the ending of *Rebecca* absolved Cary Grant of guilt in *Suspicion* edited Cole Porter's lyrics in *Stage Fright* decided which shades should be drawn in *Rear Window* and shortened the shower scene in *Psycho* In *Hitchcock and the Censors* John Billheimer traces the forces that led to the Production Code and describes Hitchcock's interactions with code officials on a film by film basis as he fought to protect his creations bargaining with code reviewers and sidestepping censorship to produce a lifetime of memorable films Despite the often arbitrary decisions of the code board Hitchcock still managed to

push the boundaries of sex and violence permitted in films by charming and occasionally tricking the censors and by swapping off bits of dialogue plot points and individual shots some of which had been deliberately inserted as trading chips to protect cherished scenes and images By examining Hitchcock s priorities in dealing with the censors this work highlights the director s theories of suspense as well as his magician like touch when negotiating with code officials Nightmares in Red, White and Blue Joseph Maddrey,2010-07-27 What s weighing on Americans Look to horror movies for your answer they re one of the best measures of the American consciousness From an early fascination with the Gothic to the mutant horrors of the Atomic Age and alien enemies of the Cold War to the inner demons of the psyche and the American Dream turned nightmare the history of American horror films is a reflection of changing American cultural attitudes and values and the fears that accompany them This survey of the pivotal horror films produced in America examines the history of the genre as a reflection of cultural changes in the United States It begins with an exploration of the origins of the genre and follows its development until the present using various films to document the evolution of Hollywood horror flicks and illustrate their cultural significance The second part focuses on eight pivotal directors whose personal visions helped shape the genre from early pioneers like Tod Browning and Alfred Hitchcock to modern masters like John Carpenter and Wes Craven Instructors considering this book for use in a course may request an examination copy here *Alfred Hitchcock* Jane Sloan,1995-03-08 A concise and intelligent synthesis of what we know and think about Hitchcock and a road map to future work on the subject There is no complete index to Hitchcock s career like this one and critics and historians will mine Sloan s work with enormous profit The Critical Survey section constitutes an invaluable contribution to the project of metacriticism Matthew Bernstein author of *Walter Wanger Hollywood Independent* **Fifty Hollywood Directors** Suzanne Leonard,Yvonne Tasker,2014-11-20 *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical cultural and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director s practices and body of work and features a brief biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director **Tuitions and Intuitions** William Rothman,2019-11-01 Makes the case that philosophy has an essential role to play in the serious study of film William Rothman has long been considered one of the seminal figures in the field of film philosophy From his landmark book *Hitchcock The Murderous Gaze* now in its second edition to the essays collected here in *Tuitions and Intuitions* Rothman has been guided by two intuitions first that his kind of film criticism is philosophy and second that such a marriage of criticism and philosophy has an essential part to play in the serious study of film In this book he aspires borrowing a formulation from Emerson to pay the tuition for these

intuitions Thoughtful philosophically sophisticated and provocative the essays included here address a wide range of films including classical Hollywood movies the work of auteur directors like Alfred Hitchcock George Cukor Yasujiro Ozu and Woody Allen performances by John Barrymore and James Stewart unconventional works by Jean Genet Chantal Akerman Terrence Malick and the Dardenne brothers the television series *Justified* and documentaries by Jean Rouch Ross McElwee and Robert Gardner All the essays address questions of philosophical significance and taken together manifest Rothman's lifelong commitment when writing about a film to respect the film's own ideas to remain open to the film's ways of expressing its ideas and to let the film help teach him how to view it how to think about it and how to discover what he has at heart to say about it *Tuitions and Intuitions* is simply indispensable to anyone interested in philosophy and in film as philosophy This book as a whole expresses and exemplifies moral perfectionism through the exploration of what our self becomes with this experience of cinema Sandra Laugier University of Paris Bringing Rothman's work together highlights patterns and consistent concerns that may not otherwise be obvious to readers The book will be invaluable to current and future Rothman scholars Kyle Stevens author of *Mike Nichols Sex Language and the Reinvention of Psychological Realism*

allusive form to construct an emotionally powerful experience with an often minimalist script This analysis demonstrates that *Vertigo* is a multifaceted work of intertextuality with artistic and cultural roots extending into antiquity itself *The Illustrated Guide to Film Directors* David Quinlan,1983-01-01 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *Alfred Hitchcock* Alfred Hitchcock,2003 Even twenty years after his death and nearly fifty or more years after his creative peak Alfred Hitchcock 1899 1980 is still arguably the most instantly recognizable film director in name appearance vision and voice Long ago through a combination of timing talent genius energy and publicity he made the key transition from proper noun to adjective that confirms celebrity and true stature It is a rare filmwatcher indeed who cannot define Hitchcockian As the director of such films as *Psycho* *North by Northwest* *Spellbound* *Vertigo* *Rear Window* *To Catch a Thief* *Notorious* and *The Birds* Hitchcock has become synonymous with both stylish sophisticated suspense and mordant black comedy He was one of the most interviewed directors in the history of film Among the hundreds of interviews he gave those in this collection catch Hitchcock at key moments of transition in his long career as he moved from silent to sound pictures from England to America from thrillers to complex romances and from director to producer director These conversations dramatize his shifting attitudes on a variety of cinematic matters that engaged and challenged him including the role of stars in a movie the importance of story the use of sound and color his relationship to the medium of television and the attractions and perils of realism His engaging wit and intelligence are on display here as are his sophistication serious contemplation and playful manipulation of the interviewer Sidney Gottlieb a professor of English at Sacred Heart University in Fairfield Connecticut is the editor of *Hitchcock on Hitchcock Selected Writings and Interviews* [Turner Classic Movies Presents Leonard Maltin's Classic Movie Guide](#) Leonard Maltin,2015-09-29 The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television classic films are more accessible than ever Now co branded with Turner Classic Movies Leonard Maltin's *Classic Movie Guide* covers films from Hollywood and around the world from the silent era through 1965 and from *The Maltese Falcon* to *Singin in the Rain* and *Godzilla King of the Monsters* Thoroughly revised and updated and featuring expanded indexes a list of Maltin's personal recommendations and three hundred new entries including many offbeat and obscure films this new edition is a must have companion for every movie lover *The History of American Literature on Film* Thomas Leitch,2019-06-13 From William Dickson's *Rip Van Winkle* films 1896 to Baz Luhrmann's big budget production of *The Great Gatsby* 2013 and beyond cinematic adaptations of American literature participate in a rich and fascinating history Unlike previous studies of American literature and film which emphasize particular authors like Edith Wharton and Nathaniel Hawthorne particular texts like *Moby Dick* particular literary periods like the American Renaissance or particular genres like the novel this volume considers the multiple functions of filmed American literature as a cinematic genre in its own right one that reflects the specific political and aesthetic priorities of different national and historical cinemas even as it plays a decisive role in defining
