**Longest Week** Nick Page,2010-02-18 What really happened during Jesus' final days It was historically speaking nothing much a death in Jerusalem a routine execution at the edge of an empire Yet that execution and the events surrounding it were to have a profound effect on the history of the world The last week of Jesus' life on earth was probably the most important week in history This book aims to reconstruct the events of those days From Jesus' entry to Jerusalem on the Sunday to his resurrection a week later this book explores the claims and explodes the myths It looks seriously at the evidence of the gospel accounts without ducking the controversies and contradictions It focuses on the history rather than the spiritual and theological significance of events and uses archaeological research and detailed Biblical analysis to take the reader through THE LONGEST WEEK      **The Wrong Messiah** Nick Page,2011-04-14 He came from the wrong social class the

wrong place and the wrong profession He ate with the wrong people championed the wrong causes and attracted the wrong

kind of supporters He even spoke with the wrong accent In fact everything about Jesus of Nazareth was wrong How could this odd job man be God s Messiah To the authorities he was a dangerous rebel to the pious he was scandalously unorthodox Even his family thought he was mad But somehow this builder from up north this outrageous unorthodox rebellious teacher and miracle worker changed the world In this illuminating new biography Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth Challenging and thought provoking THE WRONG MESSIAH will change the way you view Jesus the man who in so many ways seemed utterly wrong but who history has proved triumphantly to be right *Constantine and the Christian Empire* Charles

*Jesus as Mirrored in John* James H. Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene

From one of the New Testament's most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus' position in history **Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools** Nick Page, 2018-03-08 Essential reading enlightening and informative you will be sure to learn something new Church of England Newspaper In this illuminating read Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels Drawing on a wealth of historical and archaeological research the result is a startling and vivid new portrait of Yeshua ben Yosef Jesus of Nazareth

Charlesworth, Brian Rhea, Petr Pokorny, 2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies **History** Peter Claus, John
