**The Hopes of the Human Race, Hereafter and Here** Frances Power Cobbe,1880      *The Hopes of the Human Race, Hereafter and Here (Classic Reprint)* Frances Power Cobbe,2015-06-30 Excerpt from The Hopes of the Human Race Hereafter and Here The principal essay in this book addresses itself to a small class of readers For those who believe that a Life after Death has been guaranteed to mankind by a supernatural Revelation it is superfluous and for those who believe that the experiences of the bodily senses and the inductions thence derived mark the limits of human knowledge it is useless There yet remain some minds to whom I hope the speculations and observations which it contains may not be uninteresting or unserviceable who having lost faith in the apocalyptic side of Christianity find no basis therein for their immortal hopes but who are yet able to trust the spiritual instincts of their own and other men s hearts provided they can recognize the direction in which they harmoniously point I indulge no dream of discovering new ground for faith in immortality still less of proving that we are immortal by logical demonstration About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      [A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century](#) Samuel Austin Allibone,1891

**Victorian Pets and Poetry** Kevin Morrison,2021-05-09 Some of the most celebrated poets of the Victorian era wrote at times movingly or humorously about their pets They did so in a wider literary context for poetry about pets was ubiquitous in the period Animal welfare organizations utilized poems about canine and feline suffering in institutional publications to call attention to various abuses Elegies and epitaphs over the loss of a beloved cat songbird or dog were printed on funeral cards tombstones and appeared in mass produced poetry collections as well as those intended for an intimate circle of friends Yet poems about pets as well as attendant issues such as breeding and overpopulation have not received the kind of critical analysis devoted to fictional works and short stories With an introduction afterword and eight

essays offering new perspectives on significant as well as lesser known poems Victorian Pets and Poetry remedies this omission
