A History of Mexico Samuel H. Mayo,1978 *The Routledge Concise History of Latino/a Literature* Frederick Luis Aldama,2013 The Routledge Concise History of Latino a Literature presents the first comprehensive overview of these popular experimental and diverse literary cultures Frederick Luis Aldama traces a historical path through Latino a literature examining both the historical and political contexts of the works as well as their authors and the readership He also provides an enlightening analysis of the differing sub groups of Latino a literature including Mexican American Cuban American Puerto Rican American Dominican American and Central and South American migr authors established and emerging literary trends such as the postmodern historical chica lit storytelling formats and the graphic novel key literary themes including gender and sexuality feminist and queer voices and migration and borderlands The author s methodology and interpretation of a wealth of information will put this rich and diverse area of literary culture into a new light for scholars The book s student friendly features such as a glossary guide to further reading explanatory text boxes and chapter summaries make this the ideal text for anyone approaching the area for the first time Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1975 **Cortés** Carl R. Green,2009-01-01 A look at the life of Spanish conquistador Hern an Cort es including his first voyages to the New World his conquering of the Aztec Empire and his legacy in world history A Concise History of Mexico Brian R. Hamnett,1999-11-25 Mexico s fascinating complexities are difficult to approach This illustrated Concise History begins with a brief examination of contemporary issues while the book as a whole ranging from the Olmecs to the present day combines a chronological and thematic approach while highlighting long term issues and controversies Modern Mexico founded after independence from Spain in 1821 was created out of a long and disparate historical inheritance which has constantly influenced its evolution This book takes account of that past and pays attention to the pre Columbian and Spanish colonial influence Mexico s economic problems are given historical treatment together with political analysis and attention to social and cultural factors The book s prime objective is accessibility to readers including those interested in gaining a broad general knowledge of the country and those across the professions anxious to secure a rapid but secure understanding of a subject where there are few starting points *The Cambridge Concise History of Astronomy* Michael Hoskin,1999-03-18 This is a textbook on the history of astronomy focusing on the topics of prime importance **A Concise History of Missions** Edwin Munsell Bliss,1897 **The Publishers' Trade List Annual** ,1976

A Concise History of New Zealand Philippa Mein Smith,2012-02-06 New Zealand was the last major landmass other than Antarctica to be settled by humans The story of this rugged and dynamic land is beautifully narrated from its origins in Gondwana some 80 million years ago to the twenty first century Philippa Mein Smith highlights the effects of the country s smallness and isolation from its late settlement by Polynesian voyagers and colonisation by Europeans and the exchanges

that made these people Maori and Pakeha to the dramatic struggles over land and recent efforts to manage global forces A Concise History of New Zealand places New Zealand in its global and regional context It unravels key moments the signing of the Treaty of Waitangi the Anzac landing at Gallipoli the sinking of the Rainbow Warrior showing their role as nation building myths and connecting them with the less dramatic forces economic and social that have shaped contemporary New Zealand

A Concise History of Canada Margaret Conrad,2012-05-28 Margaret Conrad s history of Canada begins with a challenge to its readers What is Canada What makes up this diverse complex and often contested nation state What was its founding moment And who are its people Drawing on her many years of experience as a scholar writer and teacher of Canadian history Conrad offers astute answers to these difficult questions Beginning in Canada s deep past with the arrival of its Aboriginal peoples she traces its history through the conquest by Europeans the American Revolutionary War and the industrialization of the nineteenth and twentieth centuries to its prosperous present Despite its successes and its popularity as a destination for immigrants from across the world Canada remains a curiously reluctant player on the international stage This intelligent concise and lucid book explains just why that is Concise Encyclopedia of Mexico Michael

Werner,2015-05-11 Concise Encyclopedia of Mexico includes approximately 250 articles on the people and topics most relevant to students seeking information about Mexico Although the Concise version is a unique single volume source of information on the entire sweep of Mexican history pre colonial colonial and moderns it will emphasize events that affecting Mexico today event students most need to understand **American Book Publishing Record Cumulative, 1950-1977:**
