*Materialities of Religion* Niall Finneran, Christina Welch, 2023-09-22 This book offers an overview of the material expressions of Caribbean religious expressions, including those that have been imported through the vehicle of colonialism and which subsequently changed and adapted within the Caribbean Islands, and those religious expressions which developed through the contact of African indigenous and imported world views. This book takes a multi-disciplinary perspective, drawing from subjects as diverse as archaeology, religious studies, history, human geography, and anthropology. It introduces current topical debates around the role of colonialism and religion in the Caribbean and also considers theoretical approaches to the study of Caribbean religions set within a wider global context. This approach introduces the reader to a number of important and topical concepts around the wider study of Caribbean religions and illuminates the complex cultural history and interplay of these religions in the Caribbean Islands. Richly illustrated and drawing upon a range of different cultural approaches, it offers new and challenging perspectives on the development and cultural history of Caribbean spiritual and religious expression through the lens of the material world. The book is for anyone interested in the Caribbean as a region and the role of religious behaviour in human society. Students of religions, archaeology, and anthropology will find a number of thought-provoking and important case studies which relate complex theories to real-world case studies. Any profits from this book will be donated to UNICEF Eastern Caribbean projects supporting vulnerable children in the region. <https://www.unicef.org/easterncaribbean>

*Passage of Darkness* Wade Davis, 2000-11-09 In 1982, Harvard-trained ethnobotanist Wade Davis traveled into the Haitian countryside to research reports of zombies, the infamous living dead of Haitian folklore. A report by a team of physicians of a verifiable case of zombification led him to try to obtain the poison associated with the process and examine it for potential medical use. Interdisciplinary in nature, this study reveals a network of power relations reaching all levels of Haitian political life. It sheds

light on recent Haitian political history including the meteoric rise under Duvalier of the Tonton Macoute By explaining zombification as a rational process within the context of traditional Vodoun society Davis demystifies one of the most exploited of folk beliefs one that has been used to denigrate an entire people and their religion Eluding Darkness Raguel S Charles,2017-01-03 In Eluding Darkness author Raguel Charles reveals some of the island s secrets Growing up in Haiti Raguel was quite familiar with voodoo He was taught to not pick up objects left in the street to not give a stranger the correct time of day and to never trust anyone Allowed to take part in voodoo ceremonies since he was a young child he witnessed interactions between the spirits possessing people and their servants Talked of people turning into animals Dead people raised up to live as zombie slaves Casting a spell on an enemy to hurt or kill them were strange occurrences in Raguel s environment But Raguel s journey through Darkness became one of victory Through a voyage fraught with the ups and downs of moving to the US learning how to responsibly provide for himself and living through the agonizing deaths of several family members and friends Raguel learned the life giving secret of true power and joy And within Eluding Darkness he shares that secret with you Ceremonial spirit possession in Africa and Afro-America Sheila S. Praying Drunk Kyle Minor,2014-01-13 I finished this book with my heart pounding and grateful my coffee cold and my smile wide and crying like a baby Daniel Handler The characters in Praying Drunk speak in tongues torture classmates fall in love abandon their children keep machetes beneath passenger seats and collect porcelain figurines Ranging from Kentucky to Florida to Haiti these stories enact the struggle to remain physically and spiritually alive throughout an untamable turbulent world Described as an author whose voice lands somewhere between William Faulkner and Stephen King New Pages Kyle Minor presents a dark compelling collection of fiction showcasing the talent that has earned him multiple literary honors Ecstasy, Ritual, and Alternate Reality Felicitas D. Goodman,1988-12-22 A cross disciplinary exploration of comparative religion that offers a unified field theory of religion as human behavior In this book anthropologist and spiritual explorer Felicitas Goodman examines ritual the religious trance alternate reality ethics and moral code and the named category designating religion The analysis is divided into two sections The first reviews species wide human traits that form the basis for religious behavior Goodman in speculative examination traces the origins of religion to the dawn of human history when religious ritual was accompanied by gesture rather than full fledged modern speech Ritual is seen as being the expression of the vastness of the drama of human life death birth and procreation The common neurophysiological basis for religious experience is seen to be a particular type of brain tuning the religious altered state of consciousness a trance facilitating contact with an alternate reality The content of this other reality is shown to vary according to the type of adaptation to the habitat The second section describes the religious systems of the world dividing them according to societal type A systematic comparison shows that religions vary according to whether people are hunter gatherers horticulturalists agriculturalists nomadic pastoralists or city dwellers An important book which deserves the careful attention of serious

students of religion Religious Studies Review Very few such global interpretations are ever attempted and this one succeeds The book s importance is in the interpretation as well as in the rich data base materials the book presents Willard Johnson
