Dunstan,2010-11-16 Ancient Rome masterfully synthesizes the vast period from the second millennium BCE to the sixth century CE carrying readers through the succession of fateful steps and agonizing crises that marked Roman evolution from an early village settlement to the capital of an extraordinary realm extending from northern Britain to the deserts of Arabia A host of world famous figures come to life in these pages including Alexander the Great Hannibal Julius Caesar Cleopatra Augustus Livia Cicero Nero Hadrian Diocletian Constantine Justinian and Theodora Filled with chilling narratives of violence lust and political expediency this book not only describes empire shaping political and military events but also treats social and cultural developments as integral to Roman history William E Dunstan highlights such key topics as the physical environment women law the roles of slaves and freedmen the plight of unprivileged free people the composition and power of the ruling class education popular entertainment food and clothing marriage and divorce sex death and burial finance and trade scientific and medical achievements religious institutions and practices and artistic and literary masterpieces All readers interested in the classical world will find this a fascinating and compelling history *Plays by Samuel Foote and Arthur Murphy* George Taylor,1984-03-29 For this volume George Taylor has edited five plays by two largely forgotten eighteenth century playwrights Samuel Foote and Arthur Murphy The plays are *The Minor* and *The Nabob* by Foote and *The Citizen* *Three Weeks after Marriage* and *Know Your Own Mind* by Murphy All apart from the last are two or three act farces the main popular fare of the eighteenth century theatre They are still eminently playable today each exploring a different aspect of London society Both playwrights have an acute ear for amusing and socially revealing dialogue with a deft sense of situation comedy Foote was an important theatre manager who established the success of the Haymarket Theatre by his particular brand of satire and mimicry Had Murphy been more assiduous in his theatrical career and maintained good relations with David Garrick his reputation as a dramatist might now have ranked him alongside Goldsmith and Sheridan *The Roman Festivals of the Period of the Republic* William Warde Fowler,1899 *Financial Disclosure Reports of Members of the U.S. House of Representatives for the Period Between January 1, 1998 and December 31, 1998* United States. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
