Ed Bowker Staff, Staff Bowker, Ed, 2004      **Political Assassins, Terrorists and Related Conspiracies in American History** Scott P. Johnson, 2020-11-11 Political assassinations and terrorism have both outraged and fascinated the public throughout American history particularly in the modern era Providing biographical summaries of more than 100 assassins and terrorists this book aims at a more complete understanding of the motivations behind violent extremism The lives of the subjects are analyzed with a focus on psychological and ideological factors along with details of investigations and criminal trials Conspiracy theories are evaluated for credibility Social media features prominently in explaining political violence by members of extremist groups in the 21st century including radical Islamic terrorists anti abortion activists and white supremacists      **Final Judgment** Michael Collins Piper, 2004 The controversial US underground bestseller      *The Kingfish* Thomas O. Harris, 2001-11-30 Chronicling his meteoric rise to power and allegations of corruption Thomas O Harris s *The Kingfish* tells of Huey P Long s many social reforms which endeared him to the rural poor and made him an enemy of big business Long was a man who through hard work and perseverance surpassed all boundaries previously aligned with American politicians Harris very vividly points out the overall danger of Long s politics and his underlying selfish motives He calls Long a dictator and a threat to the American political system but finds it hard to deny the many reasons for Long s immense popularity within Louisiana      **The Cross and the Flag** Gerald Lyman Kenneth Smith, 1969 This resource contains antisemitic and racist content      **Conspiracy Encyclopedia** Thom Burnett, 2006 Conspiracies are everywhere they are the lifeblood of politics business and our daily lives this truly international and all embracing encyclopedia explains the details of the world s major popular conspiracies listing them chronologically under subject matter and cross referencing them continually because so many conspiracy theories interact on some level Conspiracies are often international in their sweep and their impact the brutal stabbing of Julius Caesar the conspiracy which has defined political assassinations ever since plunged the Roman Empire into civil war which then engulfed much of the known western world More recently the Cambridge spies Philby Blunt MacLean and Burgess helped Russia throughout WWII and then re defined the Cold War

afterwards Philby's defection casting a 30 year shadow over CIA Anglo American relations though conspiracies define our everyday lives there is no body of serious academic research to understand their role nature or defining characteristics Most historians prefer to adhere to the cock up theory of history in which everything happens by accident or incompetence Although this view is favoured by academics and historians it is rejected by a large part of the general public who prefer the evidence of their own lives However they consume their media what they see is a mesh of conspiracies that define the texture of their everyday lives often for the worst Most people believe that there is a grain of truth in most theories about conspiracies this book is for them     Assassinated!
