## **The Human Face Of God:**

The Human Faces of God Thom Stark, 2011 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In The Human Faces of God Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought provoking and indispensable resource in The Human Faces of God *God's Human Face* Cardinal Christoph Schönborn, 1994 This book by Bishop Christoph Schönborn the principal editor of the Catechism of the Catholic Church is about the human face of God Artists and theologians have meditated upon the mystery of God's human countenance and tried to express it This book seeks to present the great sources of this meditation sources which today are widely unknown or have become foreign or obscure These sources are above all the great masters of early Christianity In their meditation upon Christ Bishop Schönborn seeks the sources of the art on the Icon The reader will find not only an engaging introduction to the meaning and beauty of Icons but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art Includes beautiful color Icon illustrations taken from Amazon.com *The Human Face of God* Cormac Murphy-O'Connor, 2005-08 The Human Face of God John Arthur Thomas Robinson, 1973 The Human Face of God David R. Cruz, 2014-04-15 In Praise of The Human Face of God An excellent example of the rediscovery of the living Gospel and a loving Jesus for our time You will also discover your own humanity in the one who proudly called himself a son of humanity Richard Rohr O F M Center for Action and Contemplation and author of Quest for the Grail This marvelous book not only paints a beautiful warm and welcoming face of God but even more so invites the reader to experience the personality and the heart of God One of the many great contributions of the book is the simple and attractive way in which the author presents profound elements of our Christian tradition Virgilio Elizondo author of The God of Incredible Surprises and The Galilean Journey This book is a little gem Well written with many examples and personal stories it truly brings out the human face of God At the same time it illustrates simply but powerfully how we are expected and enabled to continue the mission of Christ here on earth Paul Berber's Editor Emmanuel Magazine The Human Face of God [By] John A.T. Robinson John Arthur Thomas Robinson, 1973 **The Human Face of God** David R. Quest for the Grail This marvelous book not only paints a beautiful warm and welcoming face of God but even more so invites the reader to experience the personality and the heart of God One of the many great contributions of the book is the simple and attractive way in which the author presents profound elements of our Christian tradition Virgilio Elizondo author of *The God of Incredible Surprises* and *The Galilean Journey* This book is a little gem Well written with many examples and personal stories it truly brings out the human face of God At the same time it illustrates simply but powerfully how we are expected and enabled to continue the mission of Christ here on earth Paul Berbier s s s Editor Emmanuel Magazine *The Human Face of God* Bp. of Woolwich Robinson, *The Human Face* Mary Katsikitis,2003 This volume marks the first time that a collection of contemporary facial scoring techniques and their utility whether clinical experimental theoretical or otherwise follows an historical introduction of the area thereby recording the developmental history of this science **The Human Face of God** John A. T. Robinson,1977 *Jesus* Jay Parini,2013 **Before God** George W. Stroup,2004 Many Christians today have experienced a loss of enormous significance they no longer understand their daily lives to be lived before God This timely work traces the development and implications of this loss and argues for its recovery In comparing contemporary Christians with believers of previous eras author George Stroup sees an eclipse of life lived before God This eclipse is tragic because the Bible presupposes human life as a daily personal relationship with God Stroup here offers help by exploring anew the biblical view that Jesus Christ models most clearly what life lived before God and neighbor looks like He then suggests that describing Christian life as gratitude naturally evokes a sense of life lived before God The book concludes by examining whether life before God requires a sense of God s presence and whether it is possible to live before God even in those times when he seems to be absent Offering thought provoking analysis of modern faith and sound direction for spiritual renewal Before God is perfect for churches study groups pastors and individuals pursuing genuine discipleship **The Female Face of God in Auschwitz** Melissa Raphael,2003-09-02 The first full length feminist dialogue with Holocaust theory theology and social history Considers women s reactions to the holy in the camps at Auschwitz **God's Human Face** Christoph Schoenborn,2011-03-30 The principal editor of the Catechism of the Catholic Church presents the sources of meditation on the mystery of God s human face from the great Masters of early Christianity Artists and theologians have meditated upon the mystery of God s human countenance and tried to express it This book seeks to present the great sources of this meditation sources which today are widely unknown or have become foreign or obscure These sources are above all the great masters of early Christianity In their meditation upon Christ Bishop Schonborn seeks the sources of the art on the Icon The reader will find not only an engaging introduction to the meaning and beauty of Icons but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art Includes beautiful color Icon illustrations *The Divine Face in Four Writers* Maurice Hunt,2017-06-29 A comparative study that explores the influence of Christian and Classical ideas about the divine face in the writing of four major writers in Western literature *The Human Face of*

*God* Bill Graham, 2017-01-19 This book is a series of reflections on Jesus as we meet him in the pages of the Christian documents known as the Gospels In them Jesus of Nazareth is presented as the answer to the deepest questions of the human spirit These questions include Does God exist Do I matter to God Can God help me How and where can I find God Jesus of Nazareth claimed to be the answer to all these questions He claimed to be the human face of God In the Gospels readers meet a man who seems so wonderfully attractive and normal yet surely the most astonishing man who ever lived The author believes that when people examine and reflect upon the evidence with an open mind they will find God in the face of Jesus

**Jesus Freeze**, Jay Parini, 2018-02-06 In *Jesus* Jay Parini turns the powerful narrative skill he wielded over the course of a four decade career to a figure who has dominated our collective imagination and cultural iconography for over twenty centuries The main trend of modern theology has hinged on the notion of demythologizing Jesus Parini's audiobook seeks to re mythologize him considering the story in all its mythical radiance taking Jesus as the human face of God It asks What's so moving about Jesus's story that millions of people over two millennia have considered it a paradigm for living Far from dogmatic Parini looks at the many ways in which Jesus has been viewed and dramatizes the transformation from Jesus to Christ man to myth and obscure Jewish carpenter to someone who pointed a finger toward God and said with conviction This is the way Follow me

**Saving Face** Stephen Pattison, 2016-04-01 Faces are all around us and fundamentally shape both everyday experience and our understanding of people To lose face is to be alienated and experience shame to be enfaced is to enjoy the fullness of life In theology as in many other disciplines faces as both physical phenomena and symbols have not received the critical appreciative attention they deserve This pioneering book explores the nature of face and enfacement both human and divine Pattison discusses questions concerning what face is how important face is in human life and relationships and how we might understand face both as a physical phenomenon and as a series of socially inflected symbols and metaphors about the self and the body Examining what face means in terms of inclusion and exclusion in contemporary human society and how it is related to shame Pattison reveals what the experience of people who have difficulties with faces tell us about our society our understandings of and our reactions to face Exploring this ubiquitous yet ignored area of both contemporary human experience and of the Christian theological tradition Pattison explains how Christian theology understands face both human and divine and the insights might it offer to understanding face and enfacement Does God in any sense have a physically visible face What is the significance of having an enfaced or faceless God for Christian life and practice What does the vision of God mean now If we want to take face and defacing shame seriously and to get them properly into perspective we may need to change our theology thought and practice changing our ways of thinking about God and about theology

*The Mother's Smile* Esther Lightcap Meek, 2025-08-19 From birth the intimate face to face encounters of life form each person in a natural everyday philosophy Mother's delighted welcome invites her tiny child into a fundamental vision of reality and models flourishing involvement with it Sustained and matured in

the gaze of certain friends throughout life seeing oneself being seen with delight grows a yes to the world a sense of one's existence a regard for others and a lifelong desire for the face of God In this modern age skewed by a philosophy of isolation suspicion and critique returning to a primal philosophy of welcome brings personal and cultural healing It heightens wonder and wisdom professional and every day And it means that people render profound philosophical service when they delight in their children and friends      *The Human: The Wisdom in God's Design of Humanity* Maysa Elsheikh, 2024-08-14 The Human is a book about the wisdom behind God's design of humans This book argues that the human form seems to have a purity design This design suggests that the human was created by a pure Creator who is God The Quran commands people to ponder on themselves and in another verse God says God will show His signs in the human until they recognise that God is truth and must be worshipped in religion This book goes through the different parts and organs of the human both external and internal and analyses their design and the meaning of purity they hold which suggests that a pure God created them
