The Missionary and the Maharajas Hugh Tyndale-Biscoe, 2018-12-18 Cecil Tyndale Biscoe polarised opinion in early 20th India by his unconventional methods of educating Kashmiris and through them changing the social order of a society steeped in old superstitions He was a man of contradictions a Christian and a boxer a missionary who made very few converts a staunch supporter of British imperialism and a friend of Kashmir s political reformers He made enemies of the Hindu Establishment who described him as exceedingly a bad man and one too much fond of cricket but earned the respect of two successive Hindu Maharajas as well as the Muslim leader who succeeded them He was 27 when he became the Principal of the Church Missionary Society s school in Kashmir in 1890 and he left as India gained independence in 1947 His vision was of a school in action vigorously involved in the affairs and problems of the city of Srinagar to support the weak and to fight corruption wherever it occurred Under his leadership the masters and boys were engaged in fighting fires in the city saving people from drowning taking hospital patients for outings on the lakes helping women and removing the ban on the remarriage of young widows His avowed purpose was to make his students into honest fearless leaders who would serve their beloved country of Kashmir The book begins with the medieval condition of Kashmir in the nineteenth century describes the development of his unusual approach to education explores the many challenges he had to overcome including his chronic bad health his difficulties with the CMS and the opposition of the Hindu establishment and State Government and contrasts this with the speedy and enthusiastic acceptance by his young Kashmiri teachers and students of what he was offering and how together they transformed their society and prepared Kashmir for independence

The Psychology of Religion and Place Victor Counted, Fraser Watts, 2019-11-01 This book examines the role of religious and spiritual experiences in people s understanding of their environment The contributors consider how understandings and experiences of religious and place connections are motivated by the need to seek and maintain contact with perceptual objects so as to form meaningful relationship experiences The volume is one of the first scholarly attempts to discuss the

psychological links between place and religious experiences The chapters within provide insights for understanding how people's experiences with geographical places and the sacred serve as agencies for meaning making pro social behaviour and psychological adjustment in everyday life

Journeys on the Silk Road Joyce Morgan, Conrad Walters, 2012-08-22 When a Chinese monk broke into a hidden cave in 1900 he uncovered one of the world's great literary secrets a time capsule from the ancient Silk Road Inside scrolls were piled from floor to ceiling undisturbed for a thousand years The gem within was the Diamond Sutra of AD 868 This key Buddhist teaching made 500 years before Gutenberg inked his press is the world's oldest printed book The Silk Road once linked China with the Mediterranean It conveyed merchants pilgrims and ideas But its cultures and oases were swallowed by shifting sands Central to the Silk Road's rediscovery was a man named Aurel Stein a Hungarian born scholar and archaeologist employed by the British service Undaunted by the vast Gobi Desert Stein crossed thousands of desolate miles with his fox terrier Dash Stein met the Chinese monk and secured the Diamond Sutra and much more The scroll's journey by camel through arid desert by boat to London's curious scholars by train to evade the bombs of World War II merges an explorer's adventures political intrigue and continued controversy The Diamond Sutra has inspired Jack Kerouac and the Dalai Lama Its journey has coincided with the growing appeal of Buddhism in the West As the Gutenberg Age cedes to the Google Age the survival of the Silk Road's greatest treasure is testament to the endurance of the written word

Eighteen Lectures on Dunhuang Xinjiang Rong, 2013-07-01 In Eighteen Lectures on Dunhuang Rong Xinjiang provides an accessible overview of Dunhuang studies an academic field that emerged following the discovery of a medieval monastic library at the Mogao caves near Dunhuang The manuscripts were hidden in a cave at the beginning of the 11th century and remained unnoticed until 1900 when a Daoist monk accidentally found them and subsequently sold most of them to foreign explorers and scholars The availability of this unprecedented amount of first hand material from China's middle period provided a stimulus for a number of scholarly fields both in China and the West Rong Xinjiang's book provides for the first time in English a convenient summary of the history of Dunhuang studies and its contribution to scholarship

ALEXANDER THE GREAT IN BACTRIA AND INDIA NARRATIVE Dan-Tudor IONESCU, 2025-01-01 This book is not only

the attempt at the reconstruction of the military expedition of the army of Alexander the Great in Bactria and India and an analysis of the historical sources on which our modern image of Alexander's age is based but also aims at reconstructing the *imago mundi* that the ancient Greeks and Macedonians had on the world they conquered The birth and development of Alexander's myth are also treated in these pages Lost World of the Golden King Frank L. Holt, 2012-10-18 Delightful and learned and written in a crisp and vigorous style this book will be read with great interest and profit by both scholars and general readers Stanley Burstein author of *The Reign of Cleopatra* Exile and the Nation Afshin Marashi, 2020-06-08 Groundbreaking There is little doubt this book will become foundational reading for any student of Iranian modernity and nationalism *Diaspora A Journal of Transnational Studies* In the aftermath of the seventh century Islamic conquest of Iran Zoroastrians departed for India Known as the Parsis they slowly lost contact with their ancestral land until the nineteenth century when steam powered sea travel the increased circulation of Zoroastrian themed books and the philanthropic efforts of Parsi benefactors sparked a new era of interaction between the two groups Tracing the cultural and intellectual exchange between Iranian nationalists and the Parsi community during the late nineteenth and early twentieth centuries *Exile and the Nation* shows how this interchange led to the collective reimagining of Parsi and Iranian national identity and the influence of antiquity on modern Iranian nationalism which previously rested solely on European forms of thought Iranian nationalism Afshin Marashi argues was also the byproduct of the complex history resulting from the demise of the early modern Persianate cultural system as well as one of the many cultural heterodoxies produced within the Indian Ocean world Crossing the boundaries of numerous fields of study this book reframes Iranian nationalism within the context of the connected transnational and global history of the modern era Well written clearly argued Transnational history at its best *Middle East Journal* Marashi's engaging biographies highlight the significance of Parsi Zoroastrians to the related restoration of Iranian authenticity *Journal of Asian Studies* A richly textured study *Peyk Magazine* *Exile and the Nation* is as important a contribution to colonial Indian history as it is to understanding the origins of the modern Middle East *Los Angeles Review of Books* The Indus Civilization Gregory L. Possehl, 2002-11-11 The Indus Civilization of India and Pakistan was contemporary with and equally complex as the better known cultures of Mesopotamia Egypt and China The dean of North American Indus scholars Gregory Possehl attempts here to marshal the state of knowledge about this fascinating culture in a readable synthesis He traces the rise and fall of this civilization examines the economic architectural artistic religious and intellectual components of this culture describes its most famous sites and shows the relationships between the Indus Civilization and the other cultures of its time As a sourcebook for scholars a textbook for archaeology students and an informative volume for the lay reader *The Indus Civilization* will be an exciting and informative read **Westerners in China** Foster Stockwell, 2015-10-03 Today the doors of China are opening to foreign investment and trade as never before but the history of contact between China and the West goes back many centuries Goods from China were being traded in

Rome long before the birth of Christ transported over the famous silk road that crossed Mongolia and Russia But not until the mid fifteenth century when Marco Polo published his account of his travels did China really capture the European imagination Subsequent centuries saw missionary trips to China by Franciscans and Jesuits a European craze for Chinese silk and porcelain European visits to Tibet the infamous Opium War between Britain and China and further instances of contact commerce and conflict China has shown amazing economic growth since 1949 and today it has set ambitious goals for growth in trade and technology This book traces the history of Western exploration in and trade with China It follows the events outlined above and touches on many other highlights including exploration by the Russian Nikolay Przhevalsky who traveled deep into China and today is largely remembered for the horse he discovered and identified there the travels of nineteenth century women explorers in China American Roy Chapman s discovery of the first fossilized dinosaur eggs in the Gobi Desert and the competition between two American explorers to be the first to capture a live panda Also included are a chronology of Chinese history and a pronunciation guide

Jingjiao Glen L. Thompson, 2024-02-15 Christianity Today Award of Merit in History Biography 2025 A balanced accessible and thorough history of Jingjiao the first Christian church in China Many people assume that the first introduction of Christianity to the Chinese was part of nineteenth century Western imperialism In fact Syriac speaking Christians brought the gospel along the Silk Road into China in the seventh century Glen L. Thompson introduces readers to the fascinating history of this early Eastern church referred to as Jingjiao or the Luminous Teaching Thompson presents the history of the Persian church s mission to China with rigor and clarity While Christianity remained a minority and foreign religion in the Middle Kingdom it nonetheless attracted adherents among indigenous Chinese and received imperial approval during the Tang Dynasty Though it was later suppressed alongside Buddhism it resurfaced in China and Mongolia in the twelfth century Thompson also discusses how the modern unearthing of Chinese Christian texts has stirred controversy over the meaning of Jingjiao to recent missionary efforts in China In an accessible style Thompson guides readers through primary sources as well as up to date scholarship As the most recent and balanced survey on the topic available in English Jingjiao will be an indispensable resource for students of global Christianity and missiology
