Sir John Berkenhead 1617 1679 A Royalist:

Sir John Birkenhead, 1617-1679 P. W. Thomas, 1969 John Birkenhead, Sir 1617-1679: a Royalist Career in Politics and Polemics P. W. Thomas, 1969 *Sir John Berkenhead, 1617-1679* Peter William Thomas, 1969 **Roger Morrice and the Puritan Whigs** Mark Goldie, 2016 Mark Goldie's authoritative and highly readable introduction to the political and religious landscape of Britain during the turbulent era of later Stuart rule. An exceptionally significant monograph and without doubt one of the most important to appear in the field of Restoration history in the last twenty years. Mark Goldie has done more than anyone else to illuminate the political and religious assumptions of late seventeenth century Englishmen. Dr Grant Tapsell, University of Oxford. Roger Morrice and the Puritan Whigs explains a movement that illuminates the world of its emblematic representative and explores one of the most remarkable documents of the seventeenth century. Morrice's *Entring Book* was supremely well informed, passionately committed and relentlessly opinionated. Chronicling the years 1677 to 1691, nearly a million words in length, it is the fullest surviving record of the tumultuous final years of the Stuart regime, from the Popish Plot and Exclusion Crisis to the Glorious Revolution. Morrice was a Puritan clergyman turned confidential reporter for leading Whig politicians, a barometer of opinion for whom reliable information was vital for public action. Just twenty years after Pepys's *Diary*, the *Entring Book* depicts a darker England gripped by a new crisis of popery and arbitrary government. Mark Goldie's deeply considered book examines the fortunes of Puritanism in the later Stuart age. It offers a story of disillusion and diminishing struggles for survival in the face of intolerance and of self-understanding among those who hoped to transform England through Godly rule. Yet the book also tells a countervailing story of revitalized and transformed Puritanism. Puritans worked through parliament, the royal court and the households of gentry, merchants, lawyers and clergy. Setting out to galvanize civil society, they mobilized public opinion, organized electorates and deployed the arts of journalism, influence and persuasion. This book has been adapted with a new substantial introduction and updated bibliography from the first volume of the *Entring Book* of Roger Morrice. Mark Goldie is Professor of Intellectual History at the University of Cambridge and a Fellow of Churchill College. **From the Margins to the Centre in Seventeenth-Century England** Angela McShane, Tim Reinke-Williams, 2025-05-20. Collection of essays showcasing how one of the greatest historians of seventeenth century England has shaped and continues to influence the direction of studies in early modern society, culture and belief. This collection of essays showcases how, over an illustrious career spanning more than fifty years, Professor Bernard Capp FBA has shaped and continues to influence the direction of studies in early modern English social and cultural history. Initially influenced by the historiographical agendas set in the 1960s by Christopher Hill and Sir Keith Thomas, over the last five decades Capp has produced important studies of religious radicalism, print culture, gender and sibling relations, the culture wars of the 1650s and the maritime world. Collectively, this body of work enabled him not only to recover the experiences of the marginalised but also to highlight the importance of topics previously deemed of best of marginal interest.

to historians of seventeenth century England The contributions to this volume produced by a new generation of historians whose doctoral work Capp supervised and examined are similarly wide ranging and innovative Engaging in dialogue with Capp s work as well as those he has been in dialogue with himself the authors provide novel studies of hermits sailors and surgeons as well as shedding fresh light on topics such as the politics of the parish the lives of plebeian women men s emotions and the cultural worlds of Jane Shore and John Taylor the Water Poet Like Capp the authors use evidence from legal records life writings and cheap printed texts to recover marginalised voices and reconstruct the everyday lives of those overlooked and misunderstood by their contemporaries and by historians By doing so they demonstrate how one of the greatest historians of seventeenth century England continues to inspire the production of innovative studies of early modern society culture and belief

All Men and Both Sexes Hilda L. Smith,2010-11 All Men and Both Sexes explores the use of such universal terms as people man or human in early modern England from the civil war through the Enlightenment Such language falsely implies inclusion of both men and women when actually it excludes women Recent scholarship has focused on the Rights of Man doctrine from the Enlightenment and the French Revolution as explanation for women s exclusion from citizenship According to Hilda Smith we need to go back further to the English Revolution and the more grounded but equally restricted values tied to the free born Englishman Citing educational treatises advice literature to young people guild records popular periodicals and parliamentary debates she demonstrates how the male maturation process came to define the qualities attached to citizenship and responsible adulthood which in turn became the basis for modern individualism and liberalism By the eighteenth century a new discourse of sensibility was describing women as dependent beings outside the state in a separate sphere and in need of protection This excluded women from reform debates forcing them to seek not an extension of a democratic franchise but a specific women s suffrage focused on gender difference

The Nature of the Book Adrian Johns,2009-05-15 In The Nature of the Book a tour de force of cultural history Adrian Johns constructs an entirely original and vivid picture of print culture and its many arenas commercial intellectual political and individual A compelling exposition of how authors printers booksellers and readers competed for power over the printed page The richness of Mr Johns s book lies in the splendid detail he has collected to describe the world of books in the first two centuries after the printing press arrived in England Alberto Manguel Washington Times A mammoth and stimulating account of the place of print in the history of knowledge Johns has written a tremendously learned primer D Graham Burnett New Republic A detailed engrossing and genuinely eye opening account of the formative stages of the print culture This is scholarship at its best Merle Rubin Christian Science Monitor The most lucid and persuasive account of the new kind of knowledge produced by print A work to rank alongside McLuhan John Sutherland The Independent Entertainingly written The most comprehensive account available well documented and engaging Ian Maclean Times Literary Supplement

From Grub Street to Fleet Street Bob Clarke,2017-05-15 Grub Street was a real place a place of poverty and vice It

was also a metaphor for journalists and other writers of ephemeral publications and by implication the infant newspaper industry During the seventeenth and eighteenth centuries journalists were held in low regard even by their fellow journalists who exchanged torrents of mutual abuse in the pages of their newspapers But Grub Street's vitality and its battles with authority laid the foundations of modern Fleet Street In this book Bob Clarke examines the origination and development of the English newspaper from its early origin in the broadsides of the sixteenth century through the burgeoning of the press during the seventeenth and eighteenth centuries to its arrival as a respectable part of the establishment in the nineteenth century Along the way this narrative is illuminated with stories of the characters who contributed to the growth of the English press in all its rich variety of forms and how newspapers tailored their contents to particular audiences As well as providing a detailed chronological history the volume focuses on specific themes important to the development of the English newspaper These include such issues as state censorship and struggles for the freedom of the press the growth of advertising and its effect on editorial policy the impact on editorial strategies of taxation policy increased literacy rates and social changes the rise of provincial newspapers and the birth of the Sunday paper and the popular press The book also describes the content of newspapers and includes numerous extracts and illustrations that vividly portray the way in which news was reported to provide a colourful picture of the social history of their times Written in a lively and engaging manner this volume will prove invaluable to anyone with an interest in English social history print culture or journalism

The Journal of the Friends' Historical Society Friends' Historical Society, 1971

Seventeenth-century Water Gardens and the Birth of Modern Scientific thought in Oxford Stephen Wass, 2022-12-02 Based on a decade of archaeological investigation and historical research this book tells the story of the Copes of Hanwell Castle in north Oxfordshire and the creation of a garden with links to the development of scientific thinking in Oxford in the late seventeenth century New research using Robert Plot's Natural History of Oxfordshire as a starting point has uncovered details of a remarkable family and their rise and tragic downfall their social circle that included some great names in the development of early scientific thinking and their garden that in effect became a place dedicated to the wonders of technology The complex tale weaves together the activities of a royalist agent Richard Allestree a prodigious musician Thomas Baltzar John Claridge a Hanwell Shepherd with a penchant for weather forecasting and Sir Anthony Cope who in an atmosphere of secrecy and distrust began to gather together a community that eventually was named by Plot as The New Atlantis a reference to a book published earlier in the century by Sir Francis Bacon in which he suggests a model for a Utopian science focused society The book also chronicles the program of archaeological excavation that has uncovered several unusual garden features and most significantly of all describes in detail the unique collection of seventeenth century terracotta garden urns an assemblage that is unparalleled in post medieval archaeology This collection was destroyed in a single episode of vandalism around 1675 and has been preserved in deeply buried deposits of mud and silt Their analysis and reconstruction is opening new insights into the decorative schemes

of seventeenth century gardens There is coverage of other gardens of the period and their surviving features as well as an examination of early science and how gardens impacted on its development in many ways **The British Library General Catalogue of Printed Books to 1975** British Library,1979 *Journal of the Society for Army Historical Research* Society for Army Historical Research (London, England),2002 *The Milton Encyclopedia* Thomas N. Corns,2012-01-01 A resource for the general reader the student and the scholar alike that provides easy access to a wealth of information to enhance the experience of reading the works of John Milton *Library of Congress Catalog* Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards *Oxford Dictionary of National Biography: Morant-Murray* Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **Biographical Books, 1950-1980** R.R. Bowker Company. Department of Bibliography,1980 *Library of Congress Catalogs* Library of Congress,1976 *Oxford Dictionary of National Biography: Belle-Blackman* British Academy,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **General Catalogue of Printed Books** British Museum. Sir John Berkenhead 1617 1679 A Royalist: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
