Pomerantz, Evelyn Birge Vitz, 2017-12-05 Insights into power spectacle and performance in the courts of Middle Eastern rulers In recent decades scholars have produced much new research on courtly life in medieval Europe but studies on imperial and royal courts across the Middle East have received much less attention particularly for courts before 1500AD In the Presence of Power however sheds new light on courtly life across the region This insightful exploratory collection of essays uncovers

surprising commonalities across a broad swath of cultures The pre modern period in this volume includes roughly seven centuries opening with the first dynasty of Islam the Umayyads whose reign marked an important watershed for Late Antique culture and closing with the rule of the so called gunpowder empires of the Ottomans and Safavids over much of the Near East in the sixteenth century In between this volume locates similarities across the Western Medieval Byzantine and Islamicate courtly cultures spanning a vast history and geography to demonstrate the important cross pollinations that occurred between their literary and cultural legacies This study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which contemporaries experienced and spoke about these places of power and performance Adopting a very broad view of performances In the Presence of Power includes exuberant expressions of love in Arabic stories shadow plays in Mamluk Cairo Byzantine storytelling religious food traditions in Christian Cyprus advice and political and ethnographic performances of power *Mefistofele* Arrigo Boito,1920

Sea Witch In a twist of fate I drowned and everything changed From the abyss I emerged not as a victim but as a mermaid

claims I'm a long lost siren princess As strange events unfold my parents are kidnapped and Ash becomes my protector
though doubt lingers The hockey team's captain seeks more than friendship and my life spirals out of control I am
determined to free my parents even if it means returning to the ocean depths Juggling high school and unraveling my
mysterious powers I discover a sinister Sea Witch threatening my family and the entire ocean realm Time races against me I
ll fight even if it means confronting the chilling Atlantic Amidst the chaos I cling to the hope that this isn't a psychotic
episode praying to wake up with legs instead of a tail In this thrilling race against destiny I must learn to control my powers
before evil prevails and my family is lost forever
