*The Milošević Trial* Timothy William Waters,2015 The international trial of Slobodan Milosevic who presided over the violent collapse of Yugoslavia was already among the longest war crimes trials when Milosevic died in 2006 Yet precisely because it ended without judgment its significance and legacy are specially contested The contributors to this volume including trial participants area specialists and international law scholars bring a variety of perspectives as they examine the meaning of the trial s termination and its implications for post conflict justice The book s approach is intensively cross disciplinary weighing the implications for law politics and society that modern war crimes trials create *TŁS, the Times Literary Supplement* ,1995 **Situation in Bosnia** United States. **Disrupt, Discredit, and Divide** Mike German,2019-09-10 Impressively researched and eloquently argued former special agent Mike German s *Disrupt Discredit and Divide* tells the story of the transformation of the FBI after the 9 11 attacks from a law enforcement agency made famous by prosecuting organized crime and corruption in business and government into arguably the most secretive domestic intelligence agency America has ever seen German shows how FBI leaders exploited the fear of terrorism in the aftermath of 9 11 to shed the legal constraints imposed on them in the 1970s in the wake of Hoover era civil rights abuses Empowered by the Patriot Act and new investigative guidelines the bureau resurrected a discredited theory of terrorist radicalization and adopted a disruption strategy that targeted Muslims foreigners and communities of color and tarred dissidents inside and outside the bureau as security threats dividing

American communities against one another By prioritizing its national security missions over its law enforcement mission the FBI undermined public confidence in justice and the rule of law Its failure to include racist anti Semitic Islamophobic and xenophobic violence committed by white nationalists within its counterterrorism mandate only increased the perception that the FBI was protecting the powerful at the expense of the powerless Disrupt Discredit and Divide is an engaging and unsettling contemporary history of the FBI and a bold call for reform told by a longtime counterterrorism undercover agent who has become a widely admired whistleblower and a critic for civil liberties and accountable government Current World Affairs ,1994 **Situation in Bosnia** United States Congress Senat Services,2015-07-16 Excerpt from Situation in Bosnia Hearings Before the Committee on Armed Services United States Senate One Hundred Fourth Congress First Session June 7 8 14 15 September 29 October 17 November 28 December 6 1995 First of all let me describe in some more detail this first policy I want to talk about the first policy which is not being engaged as a combatant in the war When we say that that is not to say that we do not have any point of view about this war We do We believe that the Bosnian Serbs are the aggressors and that the Bosnian Government and the people are the victims Many people who have that same point of view have argued that we the American Government therefore have an obligation to see that justice is done in Bosnia and that we should put in the necessary combat forces to achieve that justice That first policy state ment says we reject that argument And the reason we reject it is first of all in our professional judgment that of myself and of our military leaders the decision to do that would entail the commitment of several hundred thousand American troops on the ground involved in a long war with many thousands of casualties Second it is a value judgment and the value judgment is that as great a tragedy as Bosnia is it is not sufficiently vital to the us National interest to warrant taking those kind of losses with our troops And third there is a political judgment and that is that there is no support either in the public or in the Congress for taking sides in this war as a combatant So we will not and there is no wavering on that policy There has never been any wavering on that policy There is no intention of taking that step Now having said that we have three different contingencies by which well first of all as you know we are using us Air power as part of nato to support the un Forces and I will talk more about that later But there are also contingencies under which the United States might put ground forces in Bosnia There has been much confusion in the media reporting on that in the last few weeks in particular so let me see if I can clarify that issue as well as can About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Cassese's International Criminal Law Antonio Cassese,2013-01-31 The third edition of International
