Six Gun Song:

Six-gun Song Orlando Rigoni, 1967 **The Captain and the Kid: Another Imaginary Tale from Margaritaville** Gary Bunch, II (Also Known As "Gary Buffett" on the Internet), 2012-09 In this Parrothead themed novel story teller Jimmy Buffett's music drives the protagonist Gerry Boon II via a haunted radio in his hotrod Chevy Corvette convertible New to the ways of the world Boon would NEVER know that a girl liked him unless she came right up to him and planted a big old smooch on him Even then he might NOT still know if she liked him or not **The Man in Song** John M. Alexander, 2018-04-16 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure In discovering why Cash wrote a given song or chose to record it Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit The hits came of course Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame the Country Music Hall of Fame the Songwriters Hall of Fame and the Gospel Music Hall of Fame *The Man in Song* connects treasured songs to an incredible life It explores the intertwined experience and creativity of childhood trauma It rifles through the discography of a life Cash's work with the Tennessee Two at Sam Phillips's Sun Studios the unique concept albums Cash recorded for Columbia Records the spiritual songs the albums recorded live at prisons songs about the love of his life June Carter Cash songs about murder and death and addiction songs about ramblers and even silly songs Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend *The Man in Song* will appeal to a fan base spanning generations Here is a biography for those who first heard *I Walk the Line* in 1956 a younger generation who discovered Cash through songs like his cover of Trent Reznor's *Hurt* and everyone in between *He Was Some Kind of a Man* Roderick McGillis, 2011-04-08 *He Was Some Kind of a Man* Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century's most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations *He Was Some Kind of a Man* combines the author's childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author's discussion of George W Bush as a cowboy and how his aspirations to

cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and auto biography
