Sixteenth Century French Poetry:

Sixteenth-Century French Poetry Victor E Graham, 1964-12-15 In this anthology an effort has been made to include representative selections from the most significant sixteenth century French poets With the exception if a few longer works mainly those of Ronsard Du Bartas and D Aubign poems are given complete In addition the original spelling and punctuation have been retained as far as possible except for the usual editorial modifications differentiation of u and v i and j the addition of accents o replacement of by et and so on The sixteenth century is a period of tremendous poetic activity It is a period closer in spirit to us in many ways than the intervening centuries particularly the seventeenth and the eighteenth Its poetry is still being rediscovered and re assessed in a way that is just as exciting as the period of foment during which it was written
