Vlad Dracula Michael Augustyn, 2014-04-11 Most of the vast audience attracted to the subject of Dracula know him only in his fictional one dimensional form vampire Yet the truth behind the historical character voevode warlord of 15th C Romania is at least as equally fascinating as any contrived account of his supernatural persona Vlad Dracula faithfully follows his life story as hostage fugitive prince and prisoner as well as his legend His principality of Wallachia was caught between two voracious predators the kingdom of Hungary and the Ottoman empire They tried to break Dracula with overwhelming force and terror But Dracula turned their own tactics against them and against criminals and factions in his own land earning the name Tepes The Impaler in the process He was a strange mix of husband father soldier statesman and berserker He annihilated 50 000 people one tenth of his own population Cursed by his native Orthodox Christian Church he indeed evolved into a legend But even today he is Romania's Robin Hood

My Father's Books Luan Starova, 2012-07-16 In *My Father's Books* the first volume in Luan Starova's multivolume Balkan Saga he explores themes of history displacement and identity under three turbulent regimes Ottoman Fascist and Stalinist in the twentieth century Weaving a story from the threads of his parents lives from 1926 to 1976 he offers a child's eye view of personal relationships in shifting political landscapes and an elegiac reminder of the enduring power of books to sustain a literate culture Through lyrical waves of memory Starova reveals his family's overlapping religious linguistic national and cultural histories His father left Constantinople as the Ottoman Empire collapsed and the young family fled from Albania to

Yugoslav Macedonia when Luan was a boy His parents cosmopolitan and well traveled in their youth and steeped in the cultures of both Orient and Occident find themselves raising their children in yet another stagnant and repressive state Against this backdrop Starova remembers the protected spaces of his childhood his mother's walled garden his father's library the cupboard holding the rarest and most precious of his father's books Preserving a lost heritage these books also open up a world that seems wide deep and boundless

The Siege Ismail Kadare, 2009-10-20 From Ismail Kadare winner of the inaugural Man Booker International Prize a novelist in the class of Coetzee Pamuk Marquez and Rushdie the stunning new translation of one of his major works In the early fifteenth century as winter falls away the people of Albania know that their fate is sealed They have refused to negotiate with the Ottoman Empire and war is now inevitable Soon enough dust kicked up by Turkish horses is spotted from a citadel Brightly coloured banners hastily constructed minarets and tens of thousands of men fill the plain below From this moment on the world is waiting to hear that the fortress has fallen The Siege tells the enthralling story of the weeks and months that follow of the exhilaration and despair of the battlefield the constantly shifting strategies of war and those whose lives are held in the balance from the Pasha himself to the artillerymen astrologer blind poet and harem of women who accompany him Believe me the general said I've taken part in many sieges but this he waved towards the castle walls is where the most fearful carnage of our times will take place And you surely know as well as I do that great massacres always give birth to great books You really do have an opportunity to write a thundering chronicle redolent with pitch and blood and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war Brilliantly vivid as insightful as it is compelling The Siege is an unforgettable account of the clash of two great civilisations and a portrait of war that will resonate across the centuries

Albanian Identity in History and Traditional Performance Eno Koço, 2021-07-05 This book represents a group of individual musical essays collected under common Albanian themes with a particular focus on historical identities and traditional musical performance It shows that at the beginning of the 18th century there was a growing interest in representing the Albanian hero Scanderbeg on the operatic stage as some well known composers of baroque music began to place a greater emphasis on music's dramatic power to elicit emotional response The book also notes that this sense of drama was also incorporated into the vocal forms such as opera

Medieval Europe 250-1450 Christian Raffensperger, Florin Curta, 2025-09-30 Providing an inclusive history of the entire territory and people of medieval Europe from 250 to 1450 this volume examines not just the political history but the rich social and cultural history too European history has functioned as a defining force in the modern worldview of many countries and their citizens Whether viewed positively or negatively that history has shaped the world in many ways To understand Europe it is essential to have a clear view of its medieval history Proceeding from the decline of the Roman Empire with the arrival of Germanic and Turkic peoples through the development of polities in medieval Europe from Iberia to Ireland Scandinavia to Sicily and all the way to the taiga European history grows and changes over the medieval period which we bring to a close with the final fall of Rome the capture of Constantinople by the Ottomans in 1453 Traditional histories of medieval Europe focus primarily on the West This history attempts to include the breadth of the continent from Scandinavia to the Mediterranean and from the Atlantic to the Urals from the nomads of the steppe to the Sami herders in the north and from the vernacular literacies of Alfred the Great of Wessex to Boris's kingdom in Bulgaria The chapters pair eastern and western elements to help make the point that all of Europe was undergoing changes not only the west who then pushed those changes onto the east which has been the common narrative Medieval Europe 250 1450 is essential reading for all students of Medieval Europe and in particular those who wish to understand the interactions and parallels between east and west north and south

Scanderbeide Margherita Sarrocchi, 2007-11-01 The first historical heroic epic authored by a woman Scanderbeide recounts the exploits of fifteenth century Albanian warrior prince George Scanderbeg and his war of resistance against the Ottoman sultanate Filled with scenes of intense and suspenseful battles contrasted with romantic episodes Scanderbeide combines the action and fantasy characteristic of the genre with analysis of its characters motivations In selecting a military campaign as her material and epic poetry as her medium Margherita Sarrocchi 1560 1617 not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was until that point the sole purview of men First published posthumously in 1623 Scanderbeide reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications

Sedlar, 2013-03-01 Although the Middle Ages saw brilliant achievements in the diverse nations of East Central Europe this period has been almost totally neglected in Western historical scholarship East Central Europe in the Middle Ages provides a much needed overview of the history of the region from the time when the present nationalities established their state structures and adopted Christianity up to the Ottoman conquest Jean Sedlar's excellent synthesis clarifies what was going on in Europe between the Elbe and the Ukraine during the Middle Ages making available for the first time in a single volume information necessary to a fuller understanding of the early history of present day Poland the Czech Republic Slovakia Hungary Romania Bulgaria Albania and the former Yugoslavia Sedlar writes clearly and fluently drawing upon publications in numerous languages to craft a masterful study that is accessible and valuable to the general reader and the expert alike The book is organized thematically within this framework Sedlar has sought to integrate nationalities and to draw comparisons Topics covered include early migrations state formation monarchies classes nobles landholders peasants herders serfs and slaves towns religion war governments laws and justice commerce and money foreign affairs ethnicity and nationalism languages and literature and education and literacy After the Middle Ages these nations were subsumed by the Ottoman Habsburg Russian and Prussian German empires This loss of independence means that their history prior to foreign conquest has acquired exceptional importance in today's national consciousness and the medieval period remains a major point of reference and a source of national pride and ethnic identity This book is a substantial and timely contribution to our knowledge of the history of East Central Europe **Hitler's Jihadis** Jonathan Trigg, 2011-11-30 As the West finds itself embroiled in conflict with radical Islam at home and abroad it is fascinating to hear the echoes of militant Islam from the Second World War and the Nazis

attempt to preach Jihad against the British Empire and Stalin Hitler's Jihadis tells the story of the tens of thousands of Muslims from as far away as India who volunteered to wear the SS double lightning flashes and serve alongside their erstwhile conquerors Jonathan Trigg gives insight into the pre war politics that inspired these Islamic volunteers who for the most part did not survive Those who did survive the war and the bloody retribution that followed saw the reputation of the units in which they served in berated as militarily inept and castigated for atrocities against unarmed civilians Using first hand accounts and official records Hitler's Jihadis peels away the propaganda to reveal the complexity that lies at the heart of the story of Hitler's most unlikely Aryans

Crescent Dawn Si Sheppard, 2025-02-27 A groundbreaking new history of the wars of the Ottoman Expansion a truly global conflagration that crisscrossed three continents and ultimately defined the borders and future of a modern Europe The determined attempt to thwart Ottoman dominance was fought across five theaters from the Balkans to the Mediterranean and the Indian Ocean from Persia to Russia This intercontinental melee is expertly re told in this fascinating new history by historian Si Sheppard But this is not the story of a clash of civilizations between East and West as you might assume Europe was not united against the Turks the scandal of the age was the alliance between King Francis I of France and Sultan Suleiman the Magnificent Meanwhile the resistance of the Saadi dynasty of Morocco to Ottoman encroachment played a critical role in denying Constantinople direct access to the Atlantic Ocean By the same token though religious imperatives were critical to the motivations of all the key actors involved these in no way fell neatly along the Christian Muslim divide Crescent Dawn expertly shows how the Holy Roman Emperor Charles V desired nothing more than to eradicate the Protestant heresy metastasizing throughout his domains but the threat of Turkish invasion forced him to stay his hand and indulge his Lutheran subjects to ensure a common defense Nevertheless the collective effort to constrain the expansion of the Ottoman superpower did succeed with the ultimate victory in 1571 the tipping point in reordering the trajectory of history Crescent Dawn features some of the legendary figures of the era from Mehmet the Conqueror and Suleiman the Magnificent on the Ottoman side to Charles V and Vasco de Gama on the other and some of the most exotic locales on Earth from the sumptuous palaces of Constantinople to the bloody battlefields of the Balkans to the awe inspiring mountains of Ethiopia This is a colorful history that brings the great battles of the age to life and clearly shows how the western struggle against the Ottomans constituted the first truly world war
