British Military Operations in Egypt and the Sudan Harold E. Raugh Jr.,2008-05-02 The British Army's campaigns in Egypt and the Sudan from 1882 to 1899 were among the most dramatic and hard fought in British military history In 1882 the British sent an expeditionary force to Egypt to quell the Arabic Revolt and secure British control of the Suez Canal its lifeline to India The enigmatic British Major General Charles G Gordon was sent to the Sudan in 1884 to study the possibility of evacuating Egyptian garrisons threatened by Muslim fanatics the dervishes in the Sudan While the dervishes defeated the British forces on a number of occasions the British eventually learned to combat the insurrection and ultimately largely through superior technology and firepower vanquished the insurgents in 1898 British Operations in Egypt and the Sudan A Selected Bibliography enumerates and generally describes and annotates hundreds of contemporary current and hard to find books journal articles government documents and personal papers on all aspects of British military operations in Egypt and the Sudan from 1882 to 1899 Arranged chronologically and topically chapters cover the various campaigns focusing on specific battles leading military personalities and the contributions of imperial nations as well as supporting services of the British Army This definitive volume is an indispensable reference for researching imperialism colonial history and British military operations leadership and tactics *The Egyptian Sudan* E. A. Wallis Budge,2010-01-01 The Egyptian Sudan is a detailed account of early travels and archaeological missions to the Sudan in Egypt The two volume series contains illustrations and explanations of the dig sites and artifacts excavated the history behind the pyramids and temples explored and the details of the actual trips to Sudan and the scientists who took them A wonderfully explicit and precise series for anyone interested in archeology and Egyptian artifacts The Egyptian Sudan is a must read Volume II contains the histories of the Sudan during different historical periods including the rise of the Nubian kingdom their successors the Sudan in the Ptolemaic Period before and after Christ the rule of Muhammad in the Sudan the rise of Christianity and finally Sudan in the modern day SIR ERNEST ALFRED THOMPSON WALLIS BUDGE 1857 1934 was born in Bodmin Cornwall in the UK and discovered an interest in languages at a very early age Budge spent all his free time learning and discovering Semitic languages including Assyrian Syriac and Hebrew Eventually through a close contact he was able to acquire a job working with Egyptian and Iraqi artifacts at the British Museum Budge excavated and deciphered numerous cuneiform and hieroglyphic documents contributing vastly to the museum's collection Eventually he became the Keeper of his department specializing in Egyptology Budge wrote many books during his lifetime most specializing in Egyptian life religion and language *The Pleasures of Reading* Arthur James Balfour,1888 **Edwards's Military Catalogue** Francis Edwards (Firm),1908 *Letters on Sport in Eastern Bengal* Frank B. Simson,1886 *The First British Rifle Corps* William

Willoughby Cole Verner,1890 **Beyond the Reach of Empire** Mike Snook,2013-12-09 In the early 1880s the Mahdi unleashed a spectacularly successful jihadist uprising against Egyptian colonial rule in the Sudan Early in1884 Cairo bowed to British pressure to withdraw Beyond the Reach of Empire describes how Major General Charles Gordon was despatched to evacuate Khartoum and turn the Sudan over to self rule It goes on to explain how and why the mission backfired and then homes in on Sir Garnet Wolseley s planning and execution of the long delayed Gordon Relief Expedition which arrived according to popular myth only two days after the city had fallen and Gordon had been killed Colonel Mike Snook s narrative is characterized by scrupulous attention to detail an instinctive grasp of the period and an intimate understanding of its setting The author argues compellingly that the Khartoum campaign was mismanaged from the outset The outcome is the exoneration of Colonel Sir Charles Wilson the man cast in the role of scapegoat and an indictment of Wolseley s generalship over the course of the last and most deeply flawed campaign of his career Full review available at <http://www.warhistoryonline.com/reviews/beyond-reach-empire-wolseleys-failed-campaign-save-gordon-khartoum-review-mark-barnes.html> please copy and paste into your browser As featured in Wye Local Magazine [The British Army Regular Mounted Infantry 1880-1913](#) Andrew Winrow,2016-11-03 The regular Mounted Infantry was one of the most important innovations of the late Victorian and Edwardian British Army Rather than fight on horseback in the traditional manner of cavalry they used horses primarily to move swiftly about the battlefield where they would then dismount and fight on foot thus anticipating the development of mechanised infantry tactics during the twentieth century Yet despite this apparent foresight the mounted infantry concept was abandoned by the British Army in 1913 just at the point when it may have made the transition from a colonial to a continental force as part of the British Expeditionary Force Exploring the historical background to the Mounted Infantry this book untangles the debates that raged in the army Parliament and the press between its advocates and the supporters of the established cavalry With its origins in the extemporised mounted detachments raised during times of crisis from infantry battalions on overseas imperial garrison duties Dr Winrow reveals how the Mounted Infantry model unique among European armies evolved into a formalised and apparently highly successful organisation of non cavalry mounted troops He then analyses why the Mounted Infantry concept fell out of favour just eleven years after its apogee during the South African Anglo Boer War of 1899 1902 As such the book will be of interest not only to historians of the nineteenth century British army but also those tracing the development of modern military doctrine and tactics to which the Mounted Infantry provided successful if short lived inspiration [Monthly Bulletin of the Providence Public Library ...](#) Providence Public Library (R.I.),1898 *Baily's Magazine of Sports and Pastimes* Tresham Gilbey,1883 **Carl Benn's Stories of Canada's Past** **2-Book Bundle** Carl Benn,2016-07-11 Military historian Carl Benn explores the rich history of our nation with two absorbing stories of bravery in this special two book bundle *Mohawks on the Nile* *Natives Among the Canadian Voyageurs in Egypt* 1884 1885 *Mohawks on the Nile* explores the absorbing history of sixty Aboriginal men who left their occupations in the

Historic Fort York 1793 1993 Fearing an American invasion of Upper Canada John Graves Simcoe had Fort York built in 1793 as an emergency defensive measure That act became the first step in the founding of modern Toronto In this book Carl Benn explores the dramatic roles Fort York played in the frontier war of the 1790s the birth of Toronto the War of 1812 the Rebellion of 1837 and the defence of Canada during the American Civil War and describes how Toronto's most important heritage site came to be preserved as a tangible link to Canada's turbulent military past *Baily's Magazine of Sports & Pastimes*, 1883 The Army and Navy Magazine, 1886 **Subject-index of the Books in the Author Catalogues for the Years 1869-1895** Public Library of New South Wales.
