Jennifer R. Bartley,2010-11-24 A mouthwatering picture book Toronto Tasting Notes No longer content with separating the plants they grow to eat and the plants they grow for beauty gardeners are discovering the pleasures of incorporating both edibles and ornamentals into their home landscapes The Kitchen Gardener s Handbook makes it easy Whether she s sharing tips on planting radishes in spring harvesting tomatoes in summer or pruning perennials in winter Bartley s friendly advice gives gardeners the tools they need to build and maintain a kitchen garden Readers will learn how to plant grow and harvest the best vegetables fruits greens and herbs for every season They ll also find seasonal recipes that celebrate the best of the harvest monthly garden chores eight sample garden designs and information on using cut flowers for decoration The Kitchen Gardener s Handbook is a guide for gardeners who want it all the freshness of fruits and vegetables and the beauty and simplicity of hand picked bouquets **House & Garden** ,1927 **The ladies' companion to the flower garden** Jane

Loudon,1879 **Chaucer, Ethics, and Gender** Alcuin Blamires,2006-04-06 This book makes a vigorous reassessment of the moral dimension in Chaucer's writings For the Middle Ages the study of human behaviour generally signified the study of the morality of attitudes choices and actions Moreover moral analysis was not gender neutral it presupposed that certain virtues and certain failings were largely gender specific Alcuin Blamires mainly concentrating on *The Canterbury Tales* discloses how Chaucer adapts the composite inherited traditions of moral literature to shape the significance and the gender implications of his narratives *Chaucer Ethics and Gender* is therefore not a theorization of ethical reading but a discussion of Chaucer's engagement with the literature of practical ethical advice Working with the commonplace primary sources of the period Blamires demonstrates that Stoic ideals somewhat uncomfortably absorbed within medieval Christian moral codes as Chaucer realized penetrate the poet's constructions of how women and men behave in matters for instance of friendship and anger sexuality and chastity protest and sufferance generosity and greed credulity and foresight The book will be absorbing for all serious readers or teachers of Chaucer because it is packed with commanding new insights It offers illuminating explanations concerning topics that have often eluded critics in the past the flood forecast in *The Miller's Tale* for example or the status of emotion and equanimity in *The Franklin's Tale* the unethical sexual trading in *The Shipman's Tale* the contemporary moral force of a widow's curse in *The Friar's Tale* and the quizzical moral link between the *Wife of Bath's Prologue and Tale* There is even a new hypothesis about the conceptual design of *The Canterbury Tales* as a whole Deeply informed and historically alert this is a book that engages its reader in the vital role played by ethical assumptions with their attendant gender assumptions in Chaucer's major poetry
