Skillful Means:

Skillful Means John William Schroeder, 2001-01-01 This title analyzes one of the most important ideas in Buddhist philosophy the doctrine of skillful means It presents an analysis of a familiar subject thus providing a way of understanding Buddhist thought It argues that Buddhism is best understood as a philosophy of practice or a metapraxis and that terms such as emptiness non self and nirvana refer less to metaphysical principles than to skillful teachings that help people cultivate compassion and mindfulness Each section of the book focuses on a debate over philosophical justification and the problem of trying to establish a fixed doctrine in Buddhism and reveals an on going debate that is central to the various Buddhist traditions throughout Asia

Simmer-Brown,2002-12-10 A fresh interpretation of the dakini a Tibetan Buddhist symbol of the feminine that will appeal to practitioners interested in goddess worship female spirituality and Tantric Buddhism The primary emblem of the feminine in Tibetan Buddhism is the dakini or sky dancer a semi wrathful spirit woman who manifests in visions dreams and meditation experiences Western scholars and interpreters of the dakini influenced by Jungian psychology and feminist goddess theology have shaped a contemporary critique of Tibetan Buddhism in which the dakini is seen as a psychological shadow a feminine savior or an objectified product of patriarchal fantasy According to Judith Simmer Brown who writes from the point of view of an experienced practitioner of Tibetan Buddhism such interpretations are inadequate In the spiritual journey of the meditator Simmer Brown demonstrates the dakini symbolizes levels of personal realization the sacredness of the body both female and male the profound meeting point of body and mind in meditation the visionary realm of ritual practice and the empty spacious qualities of mind itself When the meditator encounters the dakini living spiritual experience is activated in a nonconceptual manner by her direct gaze her radiant body and her compassionate revelation of reality Grounded in the author's personal encounter with the dakini this unique study will appeal to both male and female spiritual seekers interested in goddess worship women's spirituality and the tantric tradition **The Future of Interreligious Dialogue** Cohen,

These teachings are contained in the Mahavaipulya Sutra of Buddha Adornment, Buddhavatamsaka Mahavaipulya Sutra, which is revered by Chinese Buddhists as the king of all sutras. Based on texts in the Chinese Buddhist Canon, this book presents the English translations of the teachings in this sutra on the last two stages of the Bodhisattva Way: the Virtual Buddha Ground and the Buddha Ground.
