Examining FCE and CAE Roger Hawkey, 2009-03-19 This volume examines the historical development of the First Certificate in English FCE and the Certificate in Advanced English CAE Measured Constructs Cyril J. Weir, Ivana Vidaković, Evelina D. Galaczi, 2013-05-23 This volume establishes how English language constructs were measured in Cambridge English examinations over the period 1913 to 2012 An addition to the Studies in Language Testing series this volume provides an overview of English language testing over the last century with coverage of key theoretical and practical aspects of the assessment of reading listening writing and speaking skills It includes examples of the Cambridge English exams old and new and is the first volume to describe in a systematic way the different theoretical influences which have shaped the development of the constructs underlying Cambridge English exams in the last 100 years Text Complexity and Reading Comprehension Tests Erik Castello, 2008 Based on the analysis of a specially compiled corpus of internationally recognized English as a foreign language EFL reading tests at different levels of proficiency this volume explores the relation between the complexity of written texts and the difficulty of reading comprehension tests It brings together linguistic investigations into the text inherent complexity of the tests and a study of the data derived from their administration to groups of Italian university students The study of text complexity draws on corpus linguistics text linguistics and systemic functional linguistics Both quantitative and qualitative analyses are carried out on the language used in the reading texts and in the related tasks that make up the corpus of tests The assessment of test difficulty on the other hand is informed by research on language testing and in particular by findings and methodologies of Classical Test Theory and Item Response Theory Relevant aspects of these theories are used to analyze and interpret both the data obtained from the administration of the tests and the data collected by means of feedback questionnaires completed by test takers The application of such diverse methodologies and the subsequent comparison of the results of the analyses has brought out interesting correlations between text inherent complexity perceived test difficulty and actual test difficulty **Improve Your Use Of English Skills For F** Malcom Mann & Steve Taylor-Knowles, 2014-01-02 **Evaluating Language Assessments** Antony John Kunnan, 2017-07-06 Cover Title Copyright Dedication Contents Illustrations Series Editor Preface Acknowledgments 1 The Need for Evaluation 2 Past Frameworks and Evaluations 3 Ethics Based Approach to Assessment Evaluation 4 Building the Fairness and Justice Argument 5 Opportunity to Learn 6 Meaningfulness 7 Absence of Bias 8 Washback and Consequences 9 Advancing Fairness and Justice 10 Applications and Implications Index Optimizing Higher Education Learning Through Activities and Assessments Inoue-Smith, Yukiko, McVey, Troy, 2020-06-26 The mission of higher education in the 21st century must focus on optimizing learning for all students In a shift from prioritizing effective teaching to active learning it is understood that computer enhanced environments provide a variety of ways to reach a wide range of learners who have differing backgrounds ages learning needs and expectations Integrating technology into teaching assumes greater

importance to improve the learning experience Optimizing Higher Education Learning Through Activities and Assessments is a collection of innovative research that explores the link between effective course design and student engagement and optimizes learning and assessments in technology enhanced environments and among diverse student populations Its focus is on providing an understanding of the essential link between practices for effective activities and strategies for effective assessments as well as providing examples of course designs aligned with assessments positioning college educators both as leaders and followers in the cycle of lifelong learning While highlighting a broad range of topics including collaborative teaching active learning and flipped classroom methods this book is ideally designed for educators curriculum developers instructional designers administrators researchers academicians and students Assessing Listening Gary Buck,2001-04-12

A formal evaluation of students listening abilities is crucial in order that language teacher s can meet the pedagogical needs of their students While there has been a considerable body of work done on assessing the listening abilities of native speakers the issues surrounding the assessment of second language learners listening abilities are still emerging This book outlines in an accessible manner the theory and research relating to the listening ability of foreign language learners It provides language teachers with guidelines to design and develop suitable listening tasks for their students **Measuring L2 Proficiency** Pascale Leclercq,Amanda Edmonds,Heather Hilton,2014-06-23 This volume brings together concrete ideas on identifying and measuring second language L2 proficiency from different branches of SLA The chapters introduce a range of tools for the evaluation of learners language level with respect to both productive and receptive skills and provide a variety of answers to the question of how to assess L2 proficiency in a valid reliable and practical manner *The Cambridge Guide to Second Language Assessment* Christine Coombe,2012-01-30 The Cambridge Guide to Second Language Assessment aims to present in one volume an up to date guide to the central areas of assessing the second language performance of English by speakers of other languages This volume provides snapshots of significant issues and trends that have shaped language assessment in the past and highlights the current state of our understanding of these issues *Assessing Language Teachers' Professional Skills and Knowledge* Rosemary Wilson,Monica Poulter,2015-01-31 The growth in English language teaching worldwide and the related increase in teacher training programmes of all kinds highlight the need for greater accountability in the assessment of teachers The need for formal summative assessment has taken on greater importance in training programmes and requires procedures which do not always sit easily with the development process while transparency of assessment procedures is also increasingly demanded by the candidates themselves This edited volume discusses key issues in assessing language teachers professional skills and knowledge and provides case study illustrations of how teacher knowledge and teaching skills are assessed at pre service and in service levels within the framework of the Cambridge English Teaching Qualifications The volume provides discussion of ways in which the changing nature of English language teaching has impacted on teacher education and assessment examples of specific assessment procedures for both

teaching knowledge and practical classroom skills accounts of the ways in which the Cambridge English Teaching Qualifications have been integrated into and adapted for local contexts This is the first volume of its kind wholly dedicated to language teacher assessment and as such will be of interest to language teachers and teacher educators as well as to researchers and postgraduate students
