Carulli Rabinowitz,Jeri A. Sechzer,2016-01-08 *Engendering Psychology* s treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual

orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category **Black Feminist Thought** Patricia Hill Collins,2002-06-01 In spite of the double burden of racial and gender discrimination African American women have developed a rich intellectual tradition that is not widely known In *Black Feminist Thought* Patricia Hill Collins explores the words and ideas of Black feminist intellectuals as well as those African American women outside academe She provides an interpretive framework for the work of such prominent Black feminist thinkers as Angela Davis bell hooks Alice Walker and Audre Lorde The result is a superbly crafted book that provides the first synthetic overview of Black feminist thought **Breathing Between the Lines** Demetria Mart'nez,1997-01-01 Demetria Mart nez has entered the public consciousness by way of the heart In 1994 she captured a Western States Book Award with her first novel *Mother Tongue* which went on to win widespread national attention Now in *Breathing between the Lines* the writer returns to poetry her first love Many of the poems in this book touch on the themes from *Mother Tongue* about an American activist who falls in love with a Salvadoran political refugee Weaving together threads of love and family social conviction and activism loss and renewal *Breathing between the Lines* carries the reader deep inside the head and heart of a talented Chicana writer Page by page the journey is an exhilarating one What we find at the end is up to us Resources in Education ,1997 *Skin Deep* Elena Featherston,1994

Troubling Intersections of Race and Sexuality Kevin K. Kumashiro,2001-06-26 In recent years researchers have considerably expanded our understanding of the experiences of students of color and of students who are gay lesbian bisexual transgendered and questioning ie Queer They have provided us with rich resources for addressing racism and heterosexism however few have examined the unique experiences of students who are both queer and of color and few have examined the heterosexist or white centered nature of anti racist or anti heterosexist education respectively What of the students and educators who live and teach at the intersection of race and sexuality By combining autobiographical accounts with qualitative and quantitative research on queer students of different racial backgrounds these essays not only trouble the ways we think about the intersections of race and sexuality they also offer theoretical insights and educational strategies to educators committed to bringing about change Women's Studies Linda Krikos,Cindy Ingold,2004-08-30 This truly monumental work maps the literature of women s studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Core titles

and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women s studies is a must purchase for academic libraries that support women s studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women s studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women s studies information for each title along with a detailed often evaluative review The annotations summarize each work s content its importance or contribution to women s studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women s studies It is a must purchase for academic libraries that support women s studies programs and a welcome addition to any academic or public library that endeavors to represent the field

"Raise Up a Child " Edith V. P. Hudley, Wendy L. Haight, Peggy Jo Miller, 2003 In this spell binding oral history Edith Hudley an African American grandmother born poor in rural Texas in the heyday of the Ku Klux Klan is not only recollecting her own long life but providing a unique meditation on human development Her narration is interwoven with commentary by two white academics

who emphasise its relevance to the developmental needs of children of any minority group **Audible Traces** Elaine Barkin, Lydia Hamessley, 1999 In recent years new fields of inquiry in music have blossomed some more controversial and inflammatory than others some overtly veering from the traditional affairs of the Academy Among the variety of questions raised are those that explore the differences between who we are what we do and how what we experience Such inquiry reflects our desire to discover the ways in which we identify with our music and the ways in which the music we make listen to and talk about identifies us Going beyond singular investigations of history theory gender race or culture the contributors to Audible Traces complicate matters They examine the ways that our supposed self identity gender race sexuality sexual orientation and ethnicity intersects with our activities and our experiences Their concerns also include dance technology societal forces cognitive studies poetry fashion sensory inputs and politics In a mosaic of approaches and viewpoints composers musicologists performers ethnomusicologists theorists of music and of literature suggest and reveal traces of the ways that these complex matrices of identity affect us during the compositional listening or performing experience Publisher's website **Black British Feminism** Heidi Safia Mirza, 1997 Black British Feminism A Reader is a unique collection of classic texts and new black feminist scholarship Exploring postmodern themes of gendered and racialized exclusion black identity and social and cultural difference this volume provides an overview of black feminism in Britain as it has developed during the last two decades Among the topics covered are white feminism political activism mixed race identity class differences cultural hybridity autobiography black beauty religious fundamentalism national belonging lesbian identity postcolonial space popular culture This timely and important book is essential reading for students and scholars of cultural studies women's studies sociology literature and postcolonial studies **Black Feminist Thought, 30th Anniversary Edition** Patricia Hill Collins, 2022-05-16 In the first major update to this classic book in many years Collins traces the history and contours of Black women's ideas and actions to argue that Black feminist thought is the discourse that fosters Black women's survival persistence and success against the odds Through meticulous research that synthesizes the important intellectual work done by Black women Collins's timely update demonstrates that Black women's ideas and actions are not marginal concerns but rather are central to the future of social justice within democratic societies The combination of the text's classic arguments and a preface and epilogue written expressly for this edition speak to people who have long been working on social justice and to a new generation of readers who are encountering the ideas and actions of Black women for the first time For this 30th year anniversary edition Patricia Hill Collins examines how the ideas in this classic text speak to contemporary social issues and identifies the directions needed for the future of Black feminist thought **The System in Black and White** Michael W. Markowitz, Delores D. Jones-Brown, 2000-04-30 In a collection of compelling contributions to the study of the nexus between race crime and justice noted scholars in the field critique many long held assumptions and myths about race challenging criminal justice policymakers to develop new and effective strategies for dealing with the social

problems such as misunderstandings create. In sections devoted to criminological theory, law enforcement, courts, and the law on juvenile delinquency and gender, contributors endeavor to dispel myths about African American involvement in the criminal justice system. In so doing, a number of important facts are established about the race-crime nexus. For example, in an analysis of criminological theory, it is concluded that race as a singular social factor has not been adequately represented in existing paradigms. The subject of police profiling of African Americans reveals an evolution of court decisions that have marginalized rather than liberated African Americans since slavery. Each contributor challenges both the reader and the criminal justice system to develop meaningful strategies for addressing the racism that still pervades our system of justice. A chapter on women of color in prison makes a compelling argument that such institutions often represent safer environments than the life on the streets women leave behind. This persuasive volume will be of interest to undergraduate and graduate students as well as faculty in Sociology, Criminal Justice, policy development, African American and Women's Studies.

Gender on Campus Sharon Gmelch, 1998. *Gender on Campus* is the first book to combine solid analyses of the broad range of gender issues for women in college with realistic approaches to heighten awareness and alleviate problems. Written for students, the book first clarifies the concept of feminism and then examines gender dynamics in a variety of settings and contexts, from the classroom to the sports field and from language to social life. Sharon Gmelch probes sexism, racism, and homophobia on campus and surveys the special issues facing diverse women students. The book also addresses issues relating to body image and sexuality. Its final chapters analyze the role gender continues to play after college in the media, workplace, and politics. After a thorough discussion of a topic, each chapter concludes with possibilities for action. What You Can Do, as well as a selected bibliography of books, videos, and organizations that students can consult. *Gender on Campus* is an invaluable resource for students, parents, and administrators as well as an excellent text for women's studies courses.

Pacifism as Pathology Ward Churchill, Michael Ryan, 2017-04-15. *Pacifism as Pathology* has long since emerged as a dissident classic. Originally written during the mid-1980s, the seminal essay *Pacifism as Pathology* was prompted by veteran activist Ward Churchill's frustration with what he diagnosed as a growing and deliberately self-neutralizing hegemony of nonviolence on the North American left. The essay's publication unleashed a raging debate among activists in both the U.S. and Canada, a significant result of which was Michael Ryan's penning of a follow-up essay reinforcing Churchill's premise that nonviolence, at least as the term is popularly employed by white progressives, is inherently counterrevolutionary, adding up to little more than a manifestation of its proponents' desire to maintain their relatively high degrees of socioeconomic privilege and thereby serving to stabilize rather than transform the prevailing relations of power. This short book challenges the pacifist movement's heralded victories: Gandhi in India, 1960s antiwar activists, even Martin Luther King Jr.'s civil rights movement, suggesting that their success was in spite of, rather than because of, their nonviolent tactics. Churchill also examines the Jewish Holocaust, pointing out that the overwhelming response of Jews was nonviolent, but that when they did use violence, they succeeded in inflicting significant

damage to the nazi war machine and saving countless lives As relevant today as when they first appeared Churchill s and Ryan s trailblazing efforts were first published together in book form in 1998 Now along with the preface to that volume by former participant in armed struggle political prisoner Ed Mead postscripts by both Churchill and Ryan and a powerful new foreword by leading oppositionist intellectual Dylan Rodr guez these vitally important essays are being released in a fresh edition

The Multiracial Experience Maria P. P. Root,1996 In her bold new edited volume *The Multiracial Experience* Maria P P Root challenges current theoretical and political conceptualizations of race by examining the experience of mixed race individuals Articulating questions that will form the basis for future discussions of race and identity the contributors tackle concepts such as redefining ethnicity when race is less central to the definition and how a multiracial model might dismantle our negative construction of race Researchers and practitioners in ethnic studies anthropology education law psychology nursing social work and sociology add personal insights in chapter opening vignettes while providing integral critical viewpoints Sure to stimulate thinking and discussion the contributors focus on the most contemporary racial issues including the racial classification system from the U S Census to the schools the differences between race ethnicity and colorism gender and sexuality in a multicultural context ethnic identity and identity formation transracial adoption and the future of race relations in the United States *The Multiracial Experience* opens up the dialogue to rethink and redefine race and social relations in this country This volume provides discussions key to all professionals practitioners researchers and students in multicultural issues ethnic relations sociology education psychology management and public health Dr Maria P P Root s discussions are thoughtful analytical and informative Root argues that the emergence of a racially mixed population is transforming the racial character of the United States and that the increasing presence of multiracial people necessitates Americans to ask questions about their identity Canadian Review of Studies in Nationalism Finally in one volume ammunition for the informed debate about what multiculturalism means in the United States Lise Funderburg author of *Black White Other Biracial*
