Andrews, 2017-08-16 At the turn of the twentieth century James Willard Schultz wrote a series of tales centering on the adventures of a Blackfoot Indian boy and his Anglo friend in the days just prior to the end of the buffalo era on the western plains All the tales appeared between 1910 and 1927 in the pages of the popular family weekly The Youth's Companion The stories featured the sort of spirited adventure popular at the time but Schultz was more conscientious than other writers of the day in his depiction of American Indian life Schultz first encountered the Blackfeet in Montana Territory in 1877 when he was seventeen and he lived among them for the next

seventy years until his death These tales are based on his experiences with the Blackfeet who gave him the name Apikuni Apikuni plays a role in many of the stories usually under the name Spotted Robe Although he was neither a historian nor an ethnologist Schultz filled his stories with history and with detailed descriptions of the Blackfoot daily life and culture David C Andrews has gathered these tales the last of Schultz s to be published in book form and arranged in the order in which they Barter Fair Tia Greenfield, 2009-05-28 The images of the skunk official mascot of this years Barter Fair and the I Ching hexagram Gathering Together adorn this years official Barter Fair tie dye t shirt You can get yours for just ten dollars when you get there You may have to drive all the way from San Francisco just for the weekend but itll be worth it Every crystal sucking tree hugging dirt worshipping earth muffin white witch Ashland yippie and backwoods hippie in Southern Oregon will be there and itll be fun fun fun fun fun fun fun You can camp with your old pow wow pals Their campsite is pretty full but theres still room for one more tent Want to buy a corn snake Take a ride on the space wheel or a giant rocking horse Hear the tree sitters story Watch the corn dance or listen to the Native American drummers and singers You might even want to buy one of those famous Barter Fair goo balls Youll probably have even more fun if you do Dont miss the big parade complete with skeleton band naked mud dancers and giant puppets Its Saturday afternoon and the Barter Fair is in full swing Want to get pierced or tattooed Hungry Get something good to eat at the Rainbow Kitchen or the totally hemp food booth You can get an animal spirit guide reading or cast the I Ching You can have your palm read your hair braided your aura analyzed your future told or your past lives revealed Later visit the earth air fire and water installations watch the full harvest moon rise and dance dance dance as the Lions of Jah lay down some cool reggae tunes. Sabin, 2023-08-16 Boy's Book of Frontier Fighters by Edwin L Sabin is an engaging and enlightening collection of stories that brings to life the courage determination and resilience of the frontier fighters who played a crucial role in shaping the history of the American West Through a series of captivating narratives Sabin introduces readers to a diverse cast of frontier fighters ranging from famous figures like Davy Crockett and Daniel Boone to lesser known heroes whose contributions were equally significant Each chapter delves into the lives and exploits of these individuals highlighting their daring adventures encounters with Native American tribes battles with outlaws and efforts to establish settlements and communities in the untamed wilderness As readers journey through the pages of the book they gain insights into the challenges and hardships faced by these brave men as they navigated the rugged terrain harsh climates and formidable obstacles of the frontier The stories also shed light on the complex interactions between settlers Native Americans and other groups offering a nuanced perspective on the cultural and historical dynamics of the time Sabin s vivid storytelling brings the past to life immersing readers in the dramatic events and personal sacrifices that characterized the lives of frontier fighters From the daring exploits of those who explored uncharted territories to the strategic genius of
